the terrain on which women of different backgrounds articulated and debated the meaning of liberation often in radical terms women fight back compares the status of women in the united states with other capitalist societies and with women under socialism it concludes with a review of the challenges of women s organizing today projecting a vision of how a new wave of militant struggle could be coming in the era of trump and into the future the idea for this book grew out of a mix of indignation and optimism indignation toward the right wing backlash against the gains women have won over more than 150 years of struggle for equality and optimism that women would once again rise up and fight back to preserve and extend those gains the election of donald trump was a game changer with this blatant sexist and his hard right wing cabinet occupying the white house all the gains of the women s movement for the last 50 years are in grave danger it is urgent to build a militant broad and united women s movement to fight back donna goodman s book is appearing when we need it most a time when a new mass women s movement is emerging recovering the militant history of two hundred years of women s struggles goodman reminds us that an attack on inequality exploitation and militarism has always been feminism s revolutionary core jodi dean author of the communist horizon fighting is common among contemporary aboriginal women in mangrove australia women fight with men and with other women often with the other woman victoria burbank s depiction of these women offers a powerful new perspective that can be applied to domestic violence in western settings noting that aboriginal women not only talk without shame about their angry emotions but also express them in acts of aggression and defense burbank emphasizes the positive social and cultural implications of women s refusal to be victims she explores questions of hierarchy and the expression of emotions as well as women s roles in domestic violence human aggression can be experienced and expressed in different ways she says and is not necessarily always wrong fighting women is relevant to discussions of aggression and gender relations in addition to debates on the victimization of women and children everywhere this title is part of uc press s voices revived program which commemorates university of california press s 110th infantry 28th division the day he received his draft notice was the happiest day of his life he spoke very little of the gory details of war like other veterans he said no one would believe him he didn t mention the names of buddies he lost although his division was called the bloody buckets he talked about his family his childhood the army the people he met and his war wounds the army was such an improvement in his life he didn t complain his captain told him that since he liked kp he could go to cook and baker s school that is where he met dorothy like many other couples of their generation he went to war and she went to work with dorothy waiting for him life took on a new purpose and gave him a stronger determination to fight to survive cecil fought in four major battles in europe and was seriously wounded twice after germany surrendered cecil was shipped home for a month long furlough before reporting for

jungle training when the japanese surrendered he felt as if a death sentence was lifted he survived the war but then had to fight its emotional effects he began reading the bible and searching for god s will for his life he also fought the veterans administration for benefits to help him with the physical effects of his war wounds he fought through pain each day in order to get out of bed to go to work to provide for his family he fought the paralysis that finally overtook his body even as a paraplegic he continued to participate in the community he greeted and offered friendly smiles to those he met he fought the good fight illustrated memoir including the fight in the french resistance and the postwar recovery translation from french learn how to increase your security outsmart the bad
