winner of the pritzker literature award for lifetime achievement in military writing in this sweeping enthralling biography acclaimed historian david hackett fischer brings to life the remarkable samuel de champlain soldier spy master mariner explorer cartographer artist and father of new france born on france's atlantic coast champlain grew to manhood in a country riven by religious warfare the historical record is unclear on whether champlain was baptized protestant or catholic but he fought in france's religious wars for the man who would become henri iv one of france's greatest kings and like henri he was

religiously tolerant in an age of murderous sectarianism champlain was also a brilliant navigator he went to sea as a boy and over time acquired the skills that allowed him to make twenty seven atlantic crossings without losing a ship but we remember champlain mainly as a great explorer on foot and by ship and canoe he traveled through what are now six canadian provinces and five american states over more than thirty years he founded colonized and administered french settlements in north america sailing frequently between france and canada he maneuvered through court intrigue in paris and negotiated among more than a dozen indian nations in north america to establish new france champlain had early support from henri iv and later louis xiii but the queen regent marie de medici and cardinal richelieu opposed his efforts despite much resistance and many defeats champlain by his astonishing dedication and stamina finally established france s new world colony he tried constantly to maintain peace among indian nations that were sometimes at war with one another but when he had to he took up arms and forcefully imposed a new balance of power proving himself a formidable strategist and warrior throughout his three decades in north america champlain remained committed to a remarkable vision a grand design for france s colony he encouraged intermarriage among the french colonists and the natives and he insisted on tolerance for protestants he was a visionary leader especially when compared to his english and spanish contemporaries a man who dreamed of humanity and peace in a world of cruelty and violence this superb biography the first in decades is as dramatic and exciting as the life it portrays deeply researched it is illustrated throughout with many contemporary images and maps including several drawn by champlain himself
