Mitterrand, the End of the Cold War, and German Unification

2010-02

based on previously unavailable archival sources this award winning book examines the least understood phase of stalin s rule through the despot s relations with his closest colleagues

Cold Peace

2004

rethinking theory and history in the cold war focuses on what we mean by politics and international relations and how such assumptions have come to determine our understanding of the cold war using an historical materialist method the author criticizes conventional conceptions of international politics that tend to focus on the agency of and relations among states and offers an alternative historical sociology of the cold war through an analysis of the relationship between formal political authority and socio economic production seen from this perspective the state the modern conceptions of politics can be seen as products of a capitalist modernity in which politics is based on the separation of the spheres of politics in the state and economics in civil society book jacket

Cold-storage Holdings

in secrets of heat and cold you will find out how heat is measured what happens at absolute zero and how refrigerators work

Cold War Oklahoma

2019

examines how nato has adapted and endured after the end of the cold war transforming itself to deal with a host of new security challenges why is it that despite the end of the cold war and the almost constant controversies surrounding the alliance s role in the world the north atlantic treaty organization nato is still a prominent and vital player in international security joe burton provides an in depth analysis of nato s changing role in the post cold war era and its ability to survive adapt and meet the needs of its members in an increasingly turbulent globalized security environment he offers a historically and theoretically informed account of nato that isolates the core dynamics that have held the alliance together in troubled times in particular he examines a series of processes and events from the 1990 gulf war to the rise of the islamic state that help explain nato s continuing relevance joe burton is senior lecturer in international relations at the university of waikato in new zealand and the coeditor with james headley and andreas reitzig of public participation in foreign policy

Secrets of Heat and Cold

2012-12-01

this book presents the ups and downs of the soviet turkish relations during world war ii and immediately after it hasanli draws on declassified archive documents from the united states russia armenia georgia turkey and azerbaijan to recreate a true picture of the time when the turkish crisis of the cold war broke out it explains why and how the friendly relations between the ussr and turkey escalated into enmity led to the increased confrontation between these two countries and ended up with turkey s entry into nato hasanli uses recently released soviet archive documents to shed light on some dark points of the cold war era and the relations between the soviets and the west apart from bringing in an original point of view regarding starting of the cold war the book reveals some secret sides of the soviet domestic and foreign policies the book convincingly demonstrates how soviet political technologists led by josef stalin distorted the picture of a friendly and peaceful country turkey into the image of an

enemy in the minds of millions of soviet citizens

NATO's Durability in a Post-Cold War World

2018-02-15

Stalin and the Turkish Crisis of the Cold War, 1945-1953

2011-07-16

remembering the cold war examines how more than two decades since the collapse of the soviet union cold war legacies continue to play crucial roles in defining national identities and shaping international relations around the globe given the cold war s blurred definition it has neither a widely accepted commencement date nor unanimous conclusion what is to be remembered this book illustrates that there is in fact a huge body of remembrance and that it is more pertinent to ask what should be included and what can be overlooked over five sections this richly illustrated volume considers case studies of cold war remembering from different parts of the world and engages with growing theorisation in the field of memory studies specifically in relation to war david lowe and tony joel afford careful consideration to agencies that identify with being victims of the cold war in addition the concept of arenas of articulation which envelops the myriad spaces in which the remembering commemorating memorialising and even revising of cold war history takes place is given prominence

Cold Case Homicides

2017-07-06

this edited volume examines the complexities of the cold war in southern africa and uses a range of archives to develop a more detailed understanding of the impact of the cold war environment upon the processes of political change in the aftermath of european decolonization the struggle between white minority governments and black liberation movements encouraged both sides to appeal for external support from the two superpower blocs cold war in southern africa highlights the importance of the global ideological environment on the perceptions and consequent behaviour of the white minority regimes the black nationalist movements and the newly independent african nationalist governments together they underline the variety of archival sources on the history of southern africa in the cold war and its growing importance in cold war studies this volume brings together a series of essays by leading scholars based on a wide range of sources in the united states russia cuba britain zambia and south africa by focussing on a range of independent actors these essays highlight the complexity of the conflict in southern africa a battle of power blocs of systems and ideas which intersected with notions and practices of race and class this book will appeal to students of cold war studies us foreign policy african politics and international history sue onslow has taught at the london school

of economics since 1994 she is currently a cold war studies fellow in the cold war studies centre ideas

Simulation of Tunnel Ladder Traveling-wave Tube Cold-test Characteristics: Implementation of the Three-dimensional, Electromagnetic Circuit Analysis Code Micro-SOS

1993

the cold war was a conflict between the united states and the soviet union that partly manifested itself as a race to conquer space the soviet union launched the first satellite into orbit in 1957 while twelve years later the united states put the first humans on the moon some of the many technological feats required for space travel trickled down into everyday life such as satellite television bar codes and joysticks this resource highlights innovations that arose from the cold war demonstrating how this long conflict helped shape today's world in some positive ways

The Routledge Handbook of the Cold War

2014-06-05

this book reviews the research pertaining to nutrient requirements for working in cold or in high altitude environments and states recommendations regarding the application of this information to military operational rations it addresses whether aside from increased energy demands cold or high altitude environments elicit an increased demand or requirement for specific nutrients and whether performance in cold or high altitude environments can be enhanced by the provision of increased amounts of specific nutrients

Remembering the Cold War

2014-01-21

this omnibus e book brings together piero gleijeses's two landmark books for the first time visions of freedom havana washington pretoria and the struggle for southern africa 1976 1991 during the final fifteen years of the cold war southern africa underwent a period of upheaval with dramatic twists and turns in relations between the superpowers americans cubans soviets and africans fought over the future of angola where tens of thousands of cuban soldiers were stationed and over the decolonization of namibia africa's last colony beyond lay the great prize south africa piero gleijeses uses archival sources particularly from the united states south africa and the closed cuban archives to provide an unprecedented international history of this important theater of the late cold war conflicting missions havana washington and africa 1959 1976 this sweeping history of cuban policy in africa from 1959 to 1976 is based on unprecedented research in african cuban and american archives among gleijeses's many sources are cuban archival materials to which he is the only non cuban to ever have access setting his story within the context of u s policy toward both africa and cuba during the cold war gleijeses challenges the notion that cuban policy in africa was directed by the soviet union

Cold War in Southern Africa

2009-09-10

the first historical interpretation of the congressional response to the entire cold war using a wide variety of sources including several manuscript collections opened specifically for this study the book challenges the popular and scholarly image of a weak cold war congress in which the unbalanced relationship between the legislative and executive branches culminated in the escalation of the us commitment in vietnam which in turn paved the way for a congressional resurgence best symbolized by the passage of the war powers act in 1973 instead understanding the congressional response to the cold war requires a more flexible conception of the congressional role in foreign policy focused on three facets of legislative power the use of spending measures the internal workings of a congress increasingly dominated by subcommittees and the ability of individual legislators to affect foreign affairs by changing the way that policymakers and the public considered international questions

as memories of the savage conflict inaugurated by the attack on pearl harbor recede the ethical foundations that influenced postwar interpretations of japan s role during the cold war era are crumbling on different fronts retracing japanese history during the sixties this book locates the country s role in cold war history against the backdrop of the twentieth century contextualizing older trends that shaped postwar changes it also places cold war japan in the global context of america s shifting hegemony and the corresponding structure of the international system given its nuanced approach this book will prove instrumental for students and researchers working in studies of cold war history japanese history american history and international history

Winning the Cold War: the United States Ideological Offensive

1963

britain in the 1950s had a distinctive political and intellectual climate it was the age of keynesianism of welfare state consensus incipient consumerism and to its detractors the so called angry young men and the emergent new left a new age of complacency while prime minister harold macmillan famously remarked that most of our people have never had it so good the playwright john osborne lamented that there aren t any good brave causes left philosophers political scientists economists and historians embraced the supposed end of ideology and fetishized value free technique and analysis this turn is best understood in the context of the cultural cold war in which ideology served as shorthand for marxist but it also drew on the rich resources and traditions of english empiricism and a burkean scepticism about abstract theory in general ironically cultural critics and historians such as raymond williams and e p thompson showed at this time that the thick catalogue of english moral aesthetic and social critique could also be put to altogether different purposes jim smyth here shows that despite being allergic to mccarthy style vulgarity british intellectuals in the 1950s operated within powerful cold war paradigms all the same

Did Anything Good Come Out of the Cold War?

2015-12-15

in today s worlds of drones military strikes and weapons of mass destruction it s difficult to imagine a nonviolent war of constant hostility between world super powers readers will be intrigued by this conflict known as the cold war they will learn that it was a geopolitical ideological and economic struggle between two world superpowers the usa and the ussr starting in 1947 and ending in 1991

Nutritional Needs in Cold and High-Altitude Environments

1996-06-15

this is the first study to discuss in detail the implementation phase of policy decisions dr martel examines several related foreign policy decisions that contributed significantly to the coming of the cold war president truman s order to cut back lend lease to the ussr after the defeat of germany the termination of lend lease to the ussr after

Piero Gleijeses' International History of the Cold War in Southern Africa, Omnibus E-Book

2013-12-01

very short introductions brilliant sharp inspiring the cold war dominated international life from the end of world war ii to the fall of the berlin wall in 1989 but how did the conflict begin why did it move from its initial origins in postwar europe to encompass virtually every corner of the globe and why after lasting so long did the war end so suddenly and unexpectedly robert mcMahon

considers these questions and more as well as looking at the legacy of the cold war and its impact on international relations today the cold war a very short introduction is a truly international history not just of the soviet american struggle at its heart but also of the waves of decolonization revolutionary nationalism and state formation that swept the non western world in the wake of world war ii mcMahon places the hot wars that cost millions of lives in korea vietnam and elsewhere within the larger framework of global superpower competition he shows how the united states and the soviet union both became empires over the course of the cold war and argues that perceived security needs and fears shaped u s and soviet decisions from the beginning far more in fact than did their economic and territorial ambitions he unpacks how these needs and fears were conditioned by the divergent cultures ideologies and historical experiences of the two principal contestants and their allies covering the years 1945 1990 this second edition uses recent scholarship and newly available documents to offer a fuller analysis of the vietnam war the changing global politics of the 1970s and the end of the cold war about the series the very short introductions series from oxford university press contains hundreds of titles in almost every subject area these pocket sized books are the perfect way to get ahead in a new subject quickly our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

Congress and the Cold War

2005-11-21

the cold war is one of the most important and widely studied areas of history martin mccauley s best selling seminar study unravels the complex issues which gave rise to the cold war and explains how it originated this new edition is revised updated and expanded with new material on areas such as the kgb and spying and the contribution of intelligence to stalin s picture of the world the new introduction looks at our perceptions of the cold war the various approaches that have been adopted for reviewing the cold war and the difficulties of developing a theory of the cold war the book incorporates the most recent scholarship theories and newly released information to provide students with an invaluable introduction to the subject
