this is a new release of the original 1941 edition

War Horse

2014

brimming with more than 140 dramatic images this is the stunning visual companion to steven spielberg s epic adventure set in rural england and europe about a young man and his horse and their separate journeys through the battlefields of the first world war one of the great stories of friendship and war the successful novel war horse not only inspired the award winning stage play but also inspired one of the great directors in film history to commit his talent vision and resources to make this extraordinary movie which was shot in the countryside of england i first fell in love with the story of war horse because i was moved by the relationship between a boy and an animal in michael morpurgo s novel and the screenplay by richard curtis and lee hall writes steven spielberg in his foreword but ultimately i made it because of what the book and the screenplay say about courage i t is about the courage of the horse joey and what he endures to survive and the courage of albert in his attempt to find his best friend in a time of war with every frame of this film it was my hope to issue a call for courage in our daily lives a call to be brave additional forewords by producer kathleen kennedy novelist michael morpurgo and co screenwriter richard curtis reveal their feelings about the story and the process of moving it from page to screen the main body of the book is divided into three sections part 1 joey s journey a visual retelling along with script excerpts and filmmakers comments of the journey taken by joey the horse trained by his beloved albert from the striking verdant countryside of dartmoor devon to training in the british cavalry to trench warfare in france part 2 the making of war horse an insider s glimpse of the movie making process highlighted with fascinating insights from the international cast and the crew about the casting locations costumes horse training and much more part 3 the history of war horses an illuminating section on the role of horses in battle illustrated with iconic images from history vivid drawings paintings and photographs this beautiful book is a testament to what can be done

when people become impassioned about a goal as producer kathleen kennedy expresses in her foreword war horse was one of those unusual productions that comes together in an incredibly short time and for all the right reasons everyone involved understood the film s potential the richness of the characters the depth of emotion and the strength of the story s message

War Horse by Michael Morpurgo (Book Analysis)

2016-10-20

descriptions abound of military actions in which cavalry have played a major part tactics the names of regiments the men involved their arms and uniforms all these are covered in detail in countless books films and articles yet little is said about the horse without whom very little would have been achieved in the military sphere in any era this may be because with rare exceptions military historians are not horsemen or women and the latter are seldom military historians ann hyland is both of these things in this latest volume in her acclaimed warhorse series she gives a comprehensive account of the horse in war from the beginning of the 17th century to the end of the american civil war the modern era saw a period of tremendous transition for the warhorse which began with the change from the accepted but erroneous concept of the medieval great horse whose body mass was not always so great to the better bred more mobile speedier animal that evolved from the seventeenth to the nineteenth century many changes hinged on four breeds of horse the arabian the barb the andalusian and the english thoroughbred all influenced the cavalry of the era particularly when crossed onto each country s native mares using many eyewitness accounts by those who took part in these and other campaigns as well as official sources ann hyland gives us a moving picture of the sacrifices demanded of and made by with so little complaint this most noble of

creatures in the midst of dreadful carnage and in often appalling conditions we catch glimpses of the bond which existed between these horses of war and the men who rode and cared for them the warhorse in the modern era is a fascinating and readable book which will appeal to both military history buffs and horse lovers alike

The Great Horse; or, The War Horse

2023-11-12

a german born union officer in the american civil war maj gen peter osterhaus served from the first clash in the western theater until the final surrender of the war osterhaus made a name for himself within the army as an energetic and resourceful commander who led his men from the front he was one of the last surviving union major general and military governor of mississippi in the early days of reconstruction this first full length study of the officer documents how despite his meteoric military career his accomplishments were underreported even in his own day and often misrepresented in the historical record mary bobbitt townsend corrects previous errors about his life and offers new insights into his contributions to major turning points in the war at vicksburg chattanooga and atlanta as well as other battles townsend draws on battle reports not found in the official records on personal papers and on other nonpublished material to examine osterhaus s part in the major battles in the west as well as in minor engagements she tells how he came into his own in the vicksburg campaign and proved himself through skill with artillery expertise in intelligence gathering and taking the lead in hostile territory blazing the trail down the west side of the river for the entire union army and then covering grant s back for a month during the siege at chattanooga osterhaus helped joe hooker strategize the rout at lookout mountain at atlanta he led the fifteenth corps the largest of the four corps making sherman s march to the sea townsend also documents his contributions in the battles of wilson s creek pea ridge arkansas post port gibson ringgold gap and resaca and shows that he played a crucial role in canby s mobile bay operations at the end of the war in addition to reporting osterhaus s wartime experiences townsend describes his experiences as a leader in the 1848 1849 rebellion in his native germany his frustration during his term as mississippi s governor and his stint as u s consul to france during the franco prussian war osterhaus stood out from other volunteer officers in his understanding of tactics and logistics even though his careful field preparation led to criticism by historians that he was

battle yankee warhorse sets the record straight on this important civil war general as it opens a new window on the war in the west

Spirit of the War Horse

2013-11

this work contains a detailed description of shire horse a breed of draught horse that originated in england from the old english war horse strong enough to carry the weight of a knight in full armor these horses became famous as the tallest and the most robust of all the horse breeds written in a friendly style by j albert frost the work was directed at the farmers he chose a lucid manner to write as he knew farmers like himself appreciated simple language the author wrote it as a kind of concise record of all that the shire breeders and exhibitors had accomplished with their animals till then this book was published in 1915 just six months into the first world war thus one can also read about frost s expectations from the future where he hopes that the horses can stop moving guns and return to their farm labor or to carrying cargo wagons in the cities or to whatever job they had before the war

in 1930 wealthy scottish socialite dorothy brooke followed her new husband to cairo where she discovered thousands of suffering former british war horses leading lives of toil and misery brought to the middle east by british forces during the great war these ex cavalry horses had been left behind at the war s end abandoned as used equipment too costly to send home grant hayter menzies chronicles not only the lives and eventual rescue of these noble creatures who after years of deprivation and suffering found respite in brooke s old war horse memorial hospital but also the story of the challenges of founding and maintaining an animal rescue institution on this scale the legacy of the old war horse memorial hospital and its founder endures today in the dozens of international brooke animal welfare facilities dedicated to improving the lives of working horses donkeys and mules across africa asia and latin america

The Shire Horse in Peace and War

2022-06-03

cavalry were an important part of almost every ancient army yet modern writers have neglected them in favour of the infantry of the greek phalanx and the roman legions warhorse seeks to correct this injustice phil sidnell challenges the common view that ancient cavalry were useful for scouting and raiding but left the real fighting to the foot soldiers in fact he argues they were often used in a shock role and proved decisive on many occasions the famous victories of great generals such as alexander hannibal and julius caesar could not have been won without a full appreciation of the battle winning potential of the cavalry drawing heavily on the ancient sources warhorse takes the reader on a thrilling ride through numerous vividly recreated battles from the earliest civilizations to the battle of hastings to reveal the horsemen of the ancient world in their full and deadly glory a wonderful book written in a very clear and quick paced writing style it should become a classic peter g tsouras us defence intelligence analyst and author and editor of many books including alexander the invincible king of macedonia sidnell has produced a highly readable study of the combat role of cavalry in the ancient world argues his point in an imaginative thorough fashion this book will appeal to a wide range of readers choice june 2007
