Priceless 2010-06-01

the wall street journal called him a living legend the london times dubbed him the most famous art detective in the world in priceless robert k wittman the founder of the fbi s art crime team pulls back the curtain on his remarkable career for the first time offering a real life international thriller to rival the thomas crown affair rising from humble roots as the son of an antique dealer wittman built a twenty year career that was nothing short of extraordinary he went undercover usually unarmed to catch art thieves scammers and black market traders in paris and philadelphia rio and santa fe miami and madrid in this page turning memoir wittman fascinates with the stories behind his recoveries of priceless art and antiquities the golden armor of an ancient peruvian warrior king the rodin sculpture that inspired the impressionist movement the headdress geronimo wore at his final pow wow the rare civil war battle flag carried into battle by one of the nation s first african american regiments the breadth of wittman s exploits is unmatched he traveled the world to rescue paintings by rockwell and rembrandt pissarro monet and picasso often working undercover overseas at the whim of foreign governments closer to home he recovered an original copy of the bill of rights and cracked the scam that rocked the pbs series antiques roadshow by the fbi s accounting wittman saved hundreds of millions of dollars worth of art and antiquities he says the statistic isn t important after all who s to say what is worth more a rembrandt self portrait or an american flag carried into battle they re both priceless the art thieves and scammers wittman caught run the gamut from rich to poor smart to foolish organized criminals to desperate loners the smuggler who brought him a looted 6th century treasure turned out to be a high ranking diplomat the appraiser who stole countless heirlooms from war heroes descendants was a slick aristocratic con man the museum janitor who made off with locks of george washington s hair just wanted to make a few extra bucks figuring no one would miss what he d filched in his final case wittman called on every bit of knowledge and experience in his arsenal to take on his greatest challenge working undercover to track the vicious criminals behind what might be the most audacious art theft of all

Identity Theft in Today's World 2011-11-16

this book accurately identifies the various forms of identity theft in simple easy to understand terms exposes exaggerated and erroneous information and explains how everyone can take action to protect themselves identity theft is a classic crime with a modern and perhaps decidedly american twist the rise of technology over the past few decades and its influence on the processes of modernization and globalization has created many new opportunities for identity theft both locally and internationally moreover this process has transformed the nature of identity from something largely personal to something almost purely financial although identity theft is not a global crime per se it does pose a pervasive and universal threat that will need to be acknowledged and addressed by many nations throughout the world in this text author megan mcnelly examines the concept of identity theft in universal terms in order to understand what it is how it is accomplished and what the nations of the world can do individually or collectively to prevent it or respond to it

The 1970 UNESCO and 1995 UNIDROIT Conventions on Stolen or Illegally Transferred Cultural Property 2024-02-29

the illicit traffic in cultural objects is a grave concern to the general public and international community the resulting cultural damage fuels debates on how best to regulate the trade in cultural objects and inform legal responses at all levels for the protection of movable cultural heritage treaties concerning the treatment of cultural objects during peacetime and war represent some of the earliest multilateral initiatives on cultural heritage in the modern era they also remain some of the most deeply contested representing shifting fault lines within the international community authored by leading scholars and practitioners from around the world this commentary is the first to cover the two leading multilateral treaties on movable cultural heritage in one volume the convention on the means of prohibiting and preventing the illicit import export and transfer of ownership of cultural property adopted by unesco in

1970 and the convention on stolen or illegally exported cultural objects adopted by unidroit in 1995 this commentary is designed to be the authoritative text for academics lawyers policymakers and diplomats on the protection and regulation of cultural objects encompassing both public and private international law rules on the trade in cultural objects it provides a detailed historical and thematic overview drawing on the travaux preparatoires and intergovernmental and state practice over the last half century the commentary provides an article by article analysis of the interpretation and application of these treaties the texts 1970 unesco and 1995 unidroit conventions are examined in the working context of other culture conventions including the world heritage convention and the intangible heritage convention as well as related fields of international law such as international humanitarian law international criminal law human rights law and international economic law the volume also offers a critical examination of current trends and future directions which are informing the field

The War of the Worlds 1898

h g wells s hugely influential book tracks the exploits of a writer who struggles to survive an alien invasion of victorian england after seeing the monstrous martians firsthand the narrator attempts to evade their destructive mechanized vehicles and must stay on the run to avoid detection as he meets other desperate humans he becomes increasingly pessimistic about any chance of survival the novel stands as a major milestone in science fiction literature inspiring legions of subsequent writers and an endless array of hostile alien scenarios

Forensic Investigation of Stolen-Recovered and Other Crime-Related Vehicles 2006-10-11

forensic investigation of stolen recovered and other crime related vehicles provides unique and detailed insights into the investigations of one of the most common crime scenes in the world in addition to a thorough treatment of auto theft the book covers vehicles involved in other forms of crime dealing extensively with the various procedures and dynamics of evidence as it might be left in any crime scene an impressive collection of expert contributors covers a wide variety of subjects including chapters on vehicle identification examination of burned vehicles vehicles recovered from under water vehicles involved in terrorism vehicle tracking alarms anti theft systems steering columns and ignition locks the book also covers such topics as victim and witness interviews public and private auto theft investigations detection of trace evidence and chemical traces vehicle search techniques analysis of automotive fluids vehicle registration document examination and vehicle crime mapping it is the ultimate reference guide for any auto theft investigator crime scene technician criminalist police investigator criminologist or insurance adjuster extensively researched and exceptionally well written by internationally recognized experts in auto theft investigation and forensic science all the principles explained in the text are well illustrated and demonstrated with more than 450 black and white and about 100 full color illustrations many directly from real cases serves as both a valuable reference guide to the professional and an effective teaching tool for the forensic science student

Trade Secret Theft, Industrial Espionage, and the China Threat 2013-12-10

although every country seeks out information on other nations china is the leading threat when it comes to the theft of intellectual assets including inventions patents and r d secrets trade secret theft industrial espionage and the china threat provides an overview of economic espionage as practiced by a range of nations from around the world focusing on the mass scale in which information is being taken for china s growth and development supplying a current look at espionage the book details the specific types of information china has targeted for its collection efforts in the past it explains what china does to prepare for its massive collection efforts and describes what has been learned about china s efforts during various congressional hearings with expert advice and details from both the fbi and other government agencies this book is the product of hundreds of hours of research with material both

primary and secondary reviewed studied and gleaned from numerous sources including white house documentation and various government agencies within the text you will learn the rationale and techniques used to obtain information in the past you will see a bit of history over centuries where espionage has played a role in the economy of various countries and view some cases that have come to light when individuals were caught the book supplies an understanding of how the economy of a nation can prosper or suffer depending on whether that nation is protecting its intellectual property or whether it is stealing such property for its own use the text concludes by outlining specific measures that corporations and their employees can practice to protect their information and assets both at home and abroad

How New York Stole the Idea of Modern Art 1983

why was new york abstract expressionism so successful after world war ii to answer that question serge guilbaut takes a controversial look at the complicated intertwining relationship among art politics and ideology he explores the changing new york and paris art scenes of the cold war period the rejection by artists of political ideology and the coopting by left wing writers and politicians of the artistic revolt

The West Stole Africa's Wealth 2015-07-28

the west stolen africa s wealth and invested it in the imf world bank and european bank through the colonization of africa the west not only managed to impoverish the african continent but it managed to build its own world class infrastructure through ill gotten wealth from africa africa is the richest continent on the face of the world as far as mineral resources is concern but africans are the poorest people on the face of the world it s an open secret that the majority of skyscrapers in the us were built by african slaves who were bought from gorée island in senegal at the cheapest price and transported to the us from the dark age until to the information age the african continent is the only continent where there is no perennial political peace africans have been on the run from their civil wars for quite a long period of time to the point that some africans have emigrated from the african continent to live in the west where they are not even welcomed and accepted african mineral resources are sufficient enough to the point that if they were equally and fairly utilized in the interest of the africa people africa was going to be a poverty free continent unfortunately opposite is the case the african mineral resources continue to enrich the westerners at the expense of the african people africans are political free but remain economically in prison which they can t see smell touch or feel the west destabilizes the african continent by pouring military weapons to the african continent to ensure that bloodshed does not cease

Silent Theft 2002-03-15

they hang the man and flog the woman that steal the goose from off the common but let the greater villain loose that steals the common from the goose traditional nursery rhyme until a 1998 federal court decision a minnesota publisher claimed to own every federal court decision including roe v wade and brown v board of education a texas company was recently allowed to claim a patent on basmati rice a kind of rice grown in india for hundreds of years the mining act of 1872 is still in effect allowing companies to buy land from the government at usd5 and acre if they pan to mine it these are resources that belong to al of use yet they are being given away to companies with anything but the common interest in mind where was the public outcry or the government intervention when these were happening the answers are alarming private corporations are consuming the resources that the american people collectively own at a staggering rate and the government is not protecting the commons on our behalf in silent theft david bollier exposes the audacious attempts of companies to appropriate medical breakthroughs public airwaves outer space state research and even the dna of plants and animals amazingly these abuses often go unnoticed bollier argues because we have lost our ability to see the commons publicly funded technological innovations create common wealth cell phone airwaves internet addresses gene sequences at blinding speed while an economic atmosphere of deregulation and privatization

ensures they will be quickly bought and sold in an age of market triumphalism does the notion of the commons have any practical meaning crisp and revelatory silent theft is a bold attempt to develop a new language of the commons a new ethos of commonwealth in the face of a market ethic that knows no bounds

Stolen Legacy 2013-04-08

for centuries the world has been misled about the original source of the arts and sciences for centuries socrates plato and aristotle have been falsely idolized as models of intellectual greatness and for centuries the african continent has been called the dark continent because europe coveted the honor of transmitting to the world the arts and sciences it is indeed surprising how for centuries the greeks have been praised by the western world for intellectual accomplishments which belong without a doubt to the egyptians or the peoples of north africa

Information Theft Prevention 2016-02-05

as retail businesses migrate to the digital realm internal information theft incidents continue to threaten on line and off line retail operations the evolving propagation of internal information theft has surpassed the traditional techniques of crime prevention practices many business organizations search for internal information theft prevention guides that fit into their retail business operation only to be inundated with generic and theoretical models this book examines applicable methods for retail businesses to effectively prevent internal information theft information theft prevention offers readers a comprehensive understanding of the current status of the retail sector information theft prevention models in relation to the internationally recognized benchmark of information security it presents simple and effective management processes for ensuring better information system security fostering a proactive approach to internal information theft prevention furthermore it builds on well defined retail business cases to identify applicable solutions for businesses today integrating the retail business operations and information system security practices the book identifies ways to coordinate efforts across a business in order to achieve the best results it security managers and professionals financial frauds consultants cyber security professionals and crime prevention professionals will find this book a valuable resource for identifying and creating tools to prevent internal information theft

Priceless 2010

when 12 year old krish finds out his mum is dying he is desperate to give her more time to live this leads to a deal with a devil like creature to travel to another realm ilir and collect the myrthali the essence of time itself ilir is a tiny desert world where the days are a handful of hours long and there is magic and treachery on every corner here krish is set three impossible challenges by the brutal king obsendei to win from him the myrthali he joins forces with the razor tongued young girl wizard balthrir who hopes to free her parents from the black palace a living breathing structure built entirely out of those subjects who have incurred the wrath of the king but as krish battles these impossible tasks he may be about to learn that there is more than his mother s life at stake as he gets embroiled in a blood thirsty fight for power in ilir that will push his friendship with balthrir to its limits

The Boy Who Stole Time 2018-08-30

the island nation of iceland is known for many things majestic landscapes volcanic eruptions distinctive seafood but racial diversity is not one of them so the little known story of hans jonathan a free black man who lived and raised a family in early nineteenth century iceland is improbable and compelling the stuff of novels in the man who stole himself gisli palsson lays out the story of hans jonathan also known as hans jónatan in stunning detail born into slavery in st croix in 1784 hans was taken as a slave to denmark where he eventually enlisted in the navy and fought on behalf of the country in the 1801 battle of copenhagen after the war he declared himself a free man believing that he was due freedom not only because of his patriotic service but because while slavery remained legal in the colonies it was outlawed in denmark itself he thus became the subject of one of the most notorious slavery cases in european history which he lost then hans ran away never to be heard from in denmark again his fate unknown for more than two hundred years it s now known that hans fled to iceland where he became a merchant and peasant farmer married and raised two children today he has become something of an icelandic icon claimed as a proud and daring ancestor both there and among his descendants in america the man who stole himself brilliantly intertwines hans jonathan s adventurous travels with a portrait of the danish slave trade legal arguments over slavery and the state of nineteenth century race relations in the northern atlantic world throughout the book palsson traces themes of imperial dreams colonialism human rights and globalization which all come together in the life of a single remarkable man hans literally led a life like no other his is the story of a man who had the temerity the courage to steal himself

The Man Who Stole Himself 2016-09-16

in the world of law enforcement art and antiquity crime has in the past usually assumed a place of low interest and priority that situation has now slowly begun to change on both the local and international level as criminals encouraged in part by the record sums now being paid for art treasures are now seeking to exploit the art market more systematically by means of theft fraud and looting in this collection academics and practitioners from australasia

Europe and North America combine to examine the challenges presented to the criminal justice system by these developments. Best practice methods of detecting, investigating, prosecuting, and preventing such crimes are explored. This book will be of interest and use to academics and practitioners alike in the areas of law, crime, and justice.

Extending the National Stolen Property Act to Confiscated Property 1940

In the wake of an election seen by many as a triumphant victory for moral values, political commentator and one-time seminarian Bill Press launches a counteroffensive against the so-called religious right. For decades, Press argues, conservative preachers such as Jerry Falwell, Pat Robertson, and James Dobson, joined by most Catholic bishops, have defined religion so narrowly that Democrats and liberals have been pushed outside the fold. According to their narrow gospel, God put George Bush in the White House to deal with gays, guns, and abortion, and those who don't agree are on the sure road to hell. Bill Press says it's time to take religion back. Who gave this gang the inside track on religion anyway? The way I read the gospels, Jesus was as liberal as Paul Wellstone. He sure as hell wouldn't have been a registered Republican. One other thing's for sure: if Jesus ever came back to earth, there's one gang he wouldn't hang out with, and that's this phony bunch of pious, puffed-up preachers who wear religion on their sleeves. How the Republicans stole Christmas is also Press's fervent call to Democrats and liberals to reclaim religion and return it to its basic principles of social justice, charity, and tolerance. Press argues that the right didn't just steal religion; the left let them have it, offering no resistance as conservatives dictated what's right and what's wrong. But on today's social issues, according to Press, religious conservatives have gotten it all wrong. They have turned Jesus from a loving Messiah who championed the poor and dispossessed into a cold-blooded advocate for the rich and powerful. Press does not confine his criticisms to so-called Christian leaders; he uncovers the same wrong-headed tendencies in other faiths and among nonbelievers who even today cling to the Old Testament as an appropriate code of behavior.

Stolen Identities 2011

For over two centuries, America has celebrated the same African American culture it attempts to control and repress, and nowhere is this phenomenon more apparent than in the strange practice of blackface performance. Born of extreme racial and class conflicts, the blackface minstrel show appropriated black dialect, music, and dance, at once applauded and lampooned. Black culture and ironically contributed to a blackening of America. Drawing on recent research in cultural studies and social history, Eric Lott examines the role of the blackface minstrel show in the political struggles of the years leading up to the Civil War. Reading minstrel music lyrics, jokes, burlesque skits, and illustrations in tandem with working-class racial ideologies and the sex/gender system, Lott argues that blackface minstrelsy both embodied and disrupted the racial tendencies of its largely white male working-class audiences, underwritten by envy as well as repulsion, sympathetic identification as well as fear. A dialectic of love and theft, the minstrel show continually transgressed the color line, even as it enabled the formation of a self-consciously white working class. Lott exposes minstrelsy as a signifier for multiple breaches of the rift between high and low cultures, the commodification of the dispossessed by the empowered, the attraction mixed with guilt of whites caught in the act of cultural thievery. This new edition celebrates the twentieth anniversary of this landmark volume. It features a new foreword by renowned critic Greil Marcus that discusses the book's influence on American cultural studies, as well as its relationship to Bob Dylan's 2001 album of the same name, *Love and Theft*. In addition, Lott has written a new afterword that extends the study's range to the twenty-first century.

Contemporary Perspectives on the Detection, Investigation and Prosecution of Art Crime

2014-10-28

when europe's great war engulfed the ottoman empire arab nationalists rose in revolt against their turkish rulers and allied with the british on the promise of an independent arab state in october 1918 the arabs military leader prince faisal victoriously entered damascus and proclaimed a constitutional government in an independent greater syria faisal won american support for self determination at the paris peace conference but other entente powers plotted to protect their colonial interests under threat of european occupation the syrian arab congress declared independence on march 8 1920 and crowned faisal king of a civil representative monarchy sheikh rashid rida the most prominent islamic thinker of the day became congress president and supervised the drafting of a constitution that established the world's first arab democracy and guaranteed equal rights for all citizens including non muslims but france and britain refused to recognize the damascus government and instead imposed a system of mandates on the pretext that arabs were not yet ready for self government in july 1920 the french invaded and crushed the syrian state the fragile coalition of secular modernizers and islamic reformers that had established democracy was destroyed with profound consequences that reverberate still using previously untapped primary sources including contemporary newspaper accounts reports of the syrian arab congress and letters and diaries from participants how the west stole democracy from the arabs is a groundbreaking account of an extraordinary brief moment of unity and hope and of its destruction

How the Republicans Stole Christmas 2005-10-11
