## change your screen resolution in windows microsoft support

Oct 18 2023

000 open your display settings scroll to the scale layout section select scale then select an option typically it s best to choose the one that s marked recommended change the screen resolution stay in or open display settings open your display settings in the display resolution row select the list and choose an option

## display resolution wikipedia

Sep 17 2023

000 the term display resolution is usually used to mean pixel dimensions the maximum number of pixels in each dimension e g 1920 1080 which does not tell anything about the pixel density of the display on which the image is actually formed resolution properly refers to the pixel density the number of pixels per unit distance or area not t
