## **My Journey 2014-01-21**

olivia chow member of parliament seasoned politician and widow of former new democratic party leader jack layton tells her story in this candid memoir what drives olivia chow how did she emerge from a turbulent childhood to become an inspiring political force what influences and events have shaped her life and how is she continuing her quest after losing her partner in life and politics when olivia was thirteen her middle class family moved from hong kong to toronto but the transition was difficult her mother went from having a maid to being a maid her father failed to carve out a working life for himself in canada frustrated and bitter he lashed out at olivia s mother and violence darkened their lives a rebellious yet playful child olivia discovered self discipline and became an excellent student in canada studying fine art and philosophy at university after graduating olivia worked for a time as a sculptor then driven by a desire to achieve social change the artist became an activist and she launched her political career as a popular and much admired school trustee and toronto city councillor the first asian woman in that role olivia honed a grassroots approach and crafted progressive programs that enhanced the lives of others especially children strong willed focused and passionate olivia got things done by bringing together people from all parts of the political spectrum in the mid 1980s olivia met jack layton their dynamic partnership unprecedented in canadian political life made a powerful impact in toronto and on the national stage together they forged a strong vision for a better country and for enlightened political change but when her beloved partner and political soulmate died in the summer of 2011 how did she find the strength to move forward what might we learn from her inspiring story those answers are here in my journey

## **Gender, Media, and Organization 2016-08-01**

gender media and organization challenging mis s representations of women leaders and managers is the fourth volume in the women and leadership research theory and practice series this cross disciplinary series from the international leadership association draws from current research findings development practices pedagogy and lived experience to deliver provocative thinking that enhances leadership knowledge and improves leadership development of women around the world this volume addresses the lack of critical attention in leadership research to how women leaders and professionals are represented in the media the volume acts as a companion piece to a seminar series funded by the uk s economic and social sciences research council esrc to address this gap in the research the lack of research interrogation of gendered media representations of women leaders and professionals is a surprising omission given the wealth of evidence from stakeholders outside academia revealing that women and women leaders continue to be underrepresented across all forms of media outlet this volume contributes to social change equality and economic performance by raising consciousness about women s lack of representation in the media and challenges gendered mis s representations of women professionals and leaders in the media through the presentation of a range of empirical investigations and methodological approaches the volume contributors use various theories and conceptualizations to problematize and analyze women s limited representation in the media and the gendered representations of women professionals and leaders together the volume s 14 chapters reflect the beginning of a rich diverse emergent strand of academic research that interrogates relationships between the media in its multiple forms and women s leadership illuminating the positioning of women leaders and professionals as both complex and problematic these chapters offer an important agenda for management and organization scholars they attest to the need to describe and make visible women s mis s representations in the media while drawing attention to the importance of situating these mis s representations in the broader social economic historical cultural and political context as a means to gain insight into their development and evolution as a rich and diverse site of research examination of the media calls for a broad methodological repertoire the chapters in

this book draw from multiple sources and include among others the development of thematic analysis to illuminate stereotypes the use of critical discourse analysis to understand professional women s experience a rhetorical analysis of the covers of time magazine and an interrogation of the power dynamics manifested in the media s practice of nicknaming women leaders gender media and organization is a first step in stimulating further research that poses critical questions concerning gendered and sexualized representations of women leaders in textual and visual forms and considers the media s influence on gender equality and social justice the chapters offer fruitful avenues for future research to continue the momentum of challenging gendered media representations of women leaders and professionals

**Migration and Mental Health 2016-06-17**

the relationship between migration and mental health is controversial contested and pertinent in a highly mobile world where voluntary and enforced movements of population are increasing and likely to continue to grow that relationship needs to be better understood yet the terminology is often vague and the issues are wide ranging getting to grips with them requires tools drawn from different disciplines and professions such a multidisciplinary approach is central to this book six historical studies are integrated with chapters by a theologian geographer anthropologist social worker and psychiatrist to produce an evaluation that addresses key concepts and methodologies and reflects practical involvement as well as academic scholarship ranging from the mid nineteenth century to the present the book explores the causes of mental breakdown among migrants the psychological changes stemming from their struggles with challenging life circumstances and changes in medical political and public attitudes and responses in different eras and locations

in the uncomfortable pew bruce douville explores the relationship between christianity and the new left in english canada from 1959 to 1975 focusing primarily on toronto he examines the impact that left wing student radicalism had on canada's largest christian denominations and the role that christianity played in shaping canada's new left based on extensive archival research and oral interviews this study reconstructs the social and intellectual worlds of young radicals who saw themselves as part of both the church and the revolution douville looks at major communities of faith and action including the student christian movement kairos and the latin american working group and explains what made these and other groups effective incubators for left wing student activism he also sheds light on canada's roman catholic anglican and united churches and the ways that progressive older christians engaged with radical youth and the issues that concerned them including the vietnam war anti imperialism around the globe women's liberation and gay liberation challenging the idea that the new left was atheistic and secular the uncomfortable pew reveals that many young activists began their careers in student christian organizations and these religious and social movements deeply influenced each other while the era was one of crisis and decline for leading canadian churches douville shows how christianity retained an important measure of influence during a period of radical social change

## **The Uncomfortable Pew 2021-05-20**

the new ndp is the definitive account of the evolution of the new democratic party's political marketing strategy in the early twenty first century in 2011 the federal ndp achieved its greatest electoral success becoming the official opposition the moderation of its ideology and modernization of its campaign structures brought the party closer than ever to governing but by 2015 it had fallen back to the third party spot were moderation and modernization the right choices after all this incisive book provides lessons for progressive parties on how to win elections in the age of the internet big data and social media

## **The New NDP 2019-05-15**

spanning more than six decades passage to promise land is a revealing study of chinese immigration to canada from the end of the second world war to the present day tracing the evolution of immigration policy through the stories of chinese immigrant women vivienne poy captures the social political and ethnic tensions of the period although the narratives included here represent women of all ages and educational backgrounds they share a common sense of determination and spirited resilience in the face of hardship through their stories we learn about chinese settlement experience how the chinese community developed alongside changes in immigration

the long and difficult battle to reform adoption disclosure laws and find her son both a personal and political story shameless is a powerful memoir about a mother's struggle with loss love secrets and lies and an adoption system shrouded in shame

## ***Shameless 2015-03-20***

presenting a thorough record of canada's diplomatic ties with china canada and china recounts ten stories regarding china policy decisions made by the canadian government these decisions describe key bilateral moves beginning with pierre Trudeau's recognition of china in 1970 and ending fifty years later with his son Justin's attempt to reset a struggling relationship with china rooted in archival research extensive interviews and the author's experience as a policy observer the book contributes to our understanding of how the Canada-China relationship has developed over time and how best to position Canada in future relations with china while present day relations with china are complicated the book deliberately seeks to provide a balanced perspective by showing both the positive and the more challenging aspects of relations with china ultimately Canada and china recommends ways to manage future relations with china while also honouring the ties it developed over fifty years

one of our favourite chroniclers of all things Canadian presents a rollicking personal photo-filled history of the relationship between a country and its canoes from the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue Khartoum from the author's family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included canoe country is Roy MacGregor's celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it drawing on MacGregor's own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature's quietest corners from the author best able and most eager to tell it

## ***Canoe Country 2015-09-08***

at the heart of fame is the tricky business of image management over the last 115 years the celebrity autobiography has emerged as a popular and useful tool for that project in limelight Katja Lee examines the memoirs of famous Canadian women like L.M. Montgomery Nellie McClung the Dionne quintuplets Margaret Trudeau and Shania Twain to trace the rise of celebrity autobiography in Canada and the role gender has played in the rise to fame and in writing about that experience arguing that the celebrity autobiography is always negotiating historically specific conditions Lee charts a history of celebrity in English Canada and the conditions that shape the way women access and experience fame these contexts shed light on the stories women tell about their lives and the public images they cultivate in their autobiographies as strategies of self-representation change and the pressure to represent the private life escalates the celebrity autobiography undergoes distinct shifts in form function and content during the period examined in this study limelight Canadian Women and the Rise of Celebrity Autobiography is the first book to explore the history and development of the celebrity autobiography and offers compelling evidence of the critical role of gender and nation in the way fame is experienced and represented
