Building Your Mate's Self-esteem *1993*

bringing history teaching into the twenty first century teaching history online is a concise guide to developing and using internet resources in history instruction it offers practical jargon free advice to help the history teacher develop online assignments and provides an informed introduction to the myriad resources and tools available for use in the online classroom beginning with a chapter on the benefits of teaching and studying online john f lyons goes on to address instructors most commonly asked questions and concerns including designing an online class providing online alternatives to the lecture developing a user friendly discussion board conducting assessment and dealing with classroom management issues for historians interested in providing an online element to their traditional face to face classroom teaching the final chapter shows how to develop successful hybrid blended classes

an accessible introduction and valuable resource teaching history online includes sample lesson plans examples of online learning tools and suggestions for further reading helping those who use or want to use online resources to create exciting interactive and rewarding learning environments visit the companion website which includes extra reading and resources information at routledge.com/textbooks/9780415482226

Study Guide to the Multiple-choice Examinations for Chief Mate and Master *1987*

for as long as an american naval force has existed black sailors have served it with bravery distinction and little or no recognition they have since earned praise for service in the american revolution the war of 1812 and the civil war and more recently they were integral to the development of the u s submarine service their roles limited by segregation black submariners nonetheless were a key element of the silent service throughout world war ii with desegregation came expanded opportunities and black submariners witnessed the birth and evolution of the nuclear powered submarine and some of the tensest moments of the cold war these men paved the way for those who followed their contributions deserve recognition and their stories deserve to be told this exploration of the role of african american submariners chronicles their service from world war ii through the cold war era an historical overview of black sailors and the evolution of the steward s branch to which black sailors were eventually restricted precede descriptions of becoming a steward and a submariner and of life as a submariner during world war ii an account of black submariners in post war service during desegregation the development of the nuclear submarine and throughout the cold war follows oral histories of more than fifty black submariners who served in world war ii and post war form the heart of the book photographs of the men profiled including wartime photographs complement the text appendices outline the naval steward rating system list all black submarine stewards serving in world war ii top stewards by number of war patrols and those lost or killed during wartime service rear admiral melvin g williams jr submarine fleet commander and son of one of the men profiled provides a foreword
