The Internet is Not the Answer 2015-01-08

in this sharp and witty book long time silicon valley observer and author andrew keen argues that on balance the internet has had a disastrous impact on all our lives by tracing the history of the internet from its founding in the 1960s to the creation of the world wide in 1989 through the waves of start ups and the rise of the big data companies to the increasing attempts to monetize almost every human activity keen shows how the has had a deeply negative effect on our culture economy and society informed by keen s own research and interviews as well as the work of other writers reporters and academics the internet is not the answer is an urgent investigation into the tech world from the threat to privacy posed by social media and online surveillance by government agencies to the impact of the internet on unemployment and economic inequality keen concludes by outlining the changes that he believes must be made before it s too late if we do nothing he warns this new technology and the companies that control it will continue to impoverish us all

100 Questions and Answers About Sexual Orientation and the Stereotypes and Bias Surrounding People who are Lesbian, Gay,

Bisexual, Asexual, and of other Sexualities 2019-12-19

the future of the united states rests in many ways on how the ongoing challenge of racial injustice in the country is addressed yet humanists remain divided over what if any agenda should guide humanist thought and action toward questions of race in this volume anthony b pinn makes a clear case for why humanism should embrace racial justice as part of its commitment to the well being of life in general and human flourishing in particular as a first step humanists should stop asking why so many racial minorities remain committed to religious traditions that have destroyed lives perverted justice and justified racial discrimination rather pinn argues humanists must first confront a more pertinent and pressing question why has humanism failed to provide a more compelling alternative to theism for so many minority groups for only with a bit of humility and perspective and a recognition of the various ways in which we each contribute to racial injustice can we truly fight for justice

The Final FRCA Short Answer Questions

2018-10-03

many years of biblical study have showed john e hollywell that most people have never had an accurate explanation of biblical truths and do not know what an amazing inheritance the bible says they may have once they make jesus their lord and saviour the chaos the world suffers was foretold in the bible scientists offer explanations but governments politicians and educators have no answers as to why there is such poverty crime war disease mental health problems and other forms of misery in the world today are there solutions to all of these issues emphatically the author says yes hosea 4 6 says that gods people are destroyed through lack of knowledge this book provides some such knowledge in a simple readable format the answer god s covenants of promise will have achieved its purpose if it can open a readers

eyes to see the word of god as it was meant to be understood why seemingly good people worldwide are so hostile and inhumane to each other and who jesus is and what was his true purpose for coming the answer god s covenants of promise was written for everyone who might seek to know where humanity came from why we are here and where we go in the future into eternity the answer god s covenants of promise seeks to answer such scientific evolutionary and spiritual questions as what is faith in god to be found through jesus of nazareth gods son
