level 6 completes the flyers cycle cef level a2

The Study Skills Toolkit for Students with Dyslexia

2004

this unique resource gives middle and secondary school english teachers 180 high interest activities that build
students proficiency in the three major areas of the english curriculum reading literature writing and grammar all
the activities have been classroom tested can be used with students of varying ability and are effective as
individual group or whole class activities for quick access and easy use the activities are organized into 36 weekly
packets each packet including five dailies and printed in a big 8 1 4 x 11 lay flat format for easy photocopying each
dailies activity begins with a well written student passage followed by prompts that encourage students to examine
the passage in terms of usage stylistic devices grammatical concepts punctuation and reading literature skills the
activities require students to learn the rules that apply and to use the examples as springboards for their own
writing you ll find that these integrated dailies activities are ideally flexible they can be completed as warm ups
at the beginning of class as mini reviews for more advanced students or serve as walk through activities or homework
assignments for students who need reinforcement each activity will lead to inquiry and lively discussion as students
analyze the model passage and learn to write effectively
