it's not easy being a superhero's daughter. Carrie Vaughn has captured legions of fans with her wildly popular Kitty Norville novels. Now she uses her extraordinary wit and imagination to tell a sensational new story about superhuman heroes and the people who have to live with them. Most people dream of having superheroes for parents, but not Celia West, the only daughter of Captain Olympus and Spark, the world's greatest champions. She has no powers of her own, and the most exciting thing she's ever done is win a silver medal in a high school swim meet. Meanwhile, she's the favorite hostage of every crime boss and supervillain in Commerce City. She doesn't have a code name, but if she did, it would probably be Bait Girl. The captive wonder, rejecting her famous family and its legacy, Celia has worked hard to create a life for herself beyond the shadow of their capes, becoming a skilled forensic accountant. But when her parents' archenemy, the Destructor, faces justice in the trial of the century, Celia finds herself sucked back into the more than mortal world of Captain Olympus and forced to confront a secret that she hoped would stay buried forever. **Steel**

It was a slender length of rusted steel, tapered to a point at one end and jagged at the other, as if it had broken. A thousand people would step over it and think it trash, but not her. This was the tip of a rapier. Sixteen-year-old Jill has fought in dozens of fencing tournaments, but she has never held a sharpened blade. When she finds a corroded sword piece on a Caribbean beach, she is instantly intrigued and pockets it as her own personal treasure. The broken tip holds secrets, though, and it transports Jill through time to the deck of a pirate ship stranded in the past and surrounded by strangers. She is forced to sign on as crew, but a pirate's life is bloody and brief, and as Jill learns about the dark magic that brought her there, she forms a desperate scheme to get home, one that risks everything in a duel to the death with a villainous pirate captain. Time travel, swordplay, and romance combine in an original high-seas adventure from New York Times bestseller Carrie Vaughn.
