Higher Ground 1999

in higher ground caryl phillips presents three characters separated by time and distance but united by the profound sympathy he has for their humanity in the first story a young west african is oppressed by the shadow of slavery in the second an african american fights to survive solitary confinement without sacrificing his integrity in the third a polish refugee struggles to ward off the increasing isolation of a life in exile

Higher Ground 2008-11-13

in this book i hope to reach a new audience with the positive message of america s greatest music to show how great musicians demonstrate on the bandstand a mutual respect and trust that can alter your outlook on the world and enrich every aspect of your life from individual creativity and personal relationships to conducting business and understanding what it means to be american in the most modern sense wynton marsalis in this beautiful book the pulitzer prize winning musician and composer wynton marsalis explores jazz and how an understanding of it can lead to deeper more original ways of being living and relating for individuals communities and nations marsalis shows us how to listen to jazz and through stories about his life and the lessons he has learned from other music greats he reveals how the central ideas in jazz can influence the way people think and even how they behave with others changing self family and community for the better at the heart of jazz is the expression of personality and individuality coupled with an ability to listen to and improvise with others jazz as an art and as a way to move people and nations to higher ground is at the core of this unique illuminating and inspiring book a master class on jazz and life by a brilliant american artist advance praise for moving to higher ground an absolute joy to read intimate knowledgeable supremely worthy of its subject in addition to demolishing mediocre uniformed critics moving to higher ground is a meaningful contribution to music scholarship toni morrison i think it should be in every bookstore music store and school in the country tony bennett jazz for wynton marsalis is nothing less than a search for wisdom he thinks as forcefully and as elegantly as he swings when he reflects on improvisation his subject is freedom when he reflects on harmony his subject is diversity and conflict and peace when he reflects on the blues his subject is sorrow and the mastery of it how to be happy without being blind there is philosophy in marsalis s trumpet and in this book here is the lucid and probing voice of an uncommonly soulful man leon wieseltier literary editor the new republic wynton marsalis is absolutely the person who should write this book here he is as young as morning as fresh as dew and already called one of the jazz greats he is not only a seer and an exemplary musician but a poet as well he informs us that jazz was created among other things to expose the hypocrisy and absurdity of racism and other ignorances in our country poetry was given to human beings for the same reason this book could be called how love can change your life for there could be no jazz without love by love of course i do not mean mush or sentimentality love can only exist with courage and this book could not be written without wynton marsalis s courage he has the courage to make powerful music and to love the music so that he willingly shares its riches with the entire human family we are indebted to him maya angelou

A Call to Higher Ground 2007-07-01

with the small but powerfully inspiring word hope nationally recognized leader and policy maker governor mike huckabee points out that progress for our country cannot happen with the continued bipartisan rift dividing it he taps into the fundamental core of every american confronting matters closest at hand with the call for a critical change in perspective and a clear plan of action that shows what we can become as a truly indivisible nation the governor presents 12 key things we need to stop doing in order to make america stronger speaking out on immigration the job market health care education and taxes and provides practical solutions that could bring our nation to higher ground

Higher Ground 2011-02-22

which way is your christian life going every year the jewish pilgrims would go to jerusalem to keep the annual feasts on the way to help focus their thoughts they would especially sing psalms 120 134 commonly called the psalm of ascent just as god used these psalms to guide his people on their way to the temple so today he can use these psalms to effect a change in his church to bring people into closer relationship with him and produce a radical change in lifestyle on our journey to heaven r t kendall doesn't give us a line by line commentary but instead takes each psalm's theme and shows how our lives should be different from the world's when we are moving together to higher ground

Higher ground 1978

a prize winning novel about class money creativity and motherhood that ultimately reveals what happens when the hypocrisies we live by are exposed resi is a writer in her mid forties married to sven a painter they live with their four children in an apartment building in berlin where their lease is controlled by some of their closest friends those same friends live communally nearby in a house they co own and have built together only resi and sven the token artists of their social circle are renting as the years have passed resi has watched her once dear friends become more and more ensconced in the comforts and compromises of money success and the nuclear family after resi's latest book openly criticises stereotypical family life and values she receives a letter of eviction incensed by the true natures and hard realities she now sees so clearly resi sets out to describe the world as it really is for her fourteen year old daughter bea as berlin that creative mecca crumbles under the inexorable march of privatisation and commodification taking relationships with it resi is determined to warn bea about the lures traps and ugly truths that await her written with dark humour and clarifying rage anke stelling's novel is a ferocious and funny account of motherhood parenthood family and friendship thrust into battle lively rude and wise it throws down the gauntlet to those who fail to interrogate who they have become

Moving to Higher Ground 2008-09-02

in his inspiring new book higher ground a call for christian civility russell dilday writes that it is time for christians to move beyond the squabbles and struggles that characterize much of their interaction with one another these days and set their relations on a more biblical and spiritual path we need to move beyond the lowlands of caustic controversy to the higher ground of christian civility the purpose of higher ground is not merely to point out what's wrong or to cast stones at expressions of incivility instead each chapter offers a higher ground alternative to the most troublesome forms of interaction between us the book is an attempt to shine the lamp of experience on our history and let it guide christians to learn a gracious restrained and well mannered civility among one another

a collection of short stories

Lifting Souls to Higher Ground: Gospels, Spirituals, and Hymn Lyrics that Preach 1989

a new title by carl de keyzer member of the magnum collective the sequel to his magnum opus moments before the flood a disturbing yet brilliant imagining of the consequences of climate change presented alongside a story by top author philippe claudelin moments before the flood carl de keyzer portrayed a europe on the

cusps of drowning flooded due to climate change in higher ground the flood has already passed his images show people that have fled to the high mountains depicting a fictional world of tomorrow a large portion of the work is irony but it bears an uncomfortably close semblance to scientific predictions of the future in 2006 when Keyser first began working on moments before the flood there were a lot of doubts about the extent of global warming since then however the effects of this inconvenient truth have increased by an alarming degree where it was once presumed that the sea level would rise 37 cm by 2050 now scientists estimate that there will be a 3 to 4 meter raise higher ground explores what the world might look like if this happens encouraging the reader to think about the impact of climate change the images were taken in Austria Switzerland Germany France and Spain French top author Philippe Claudel wrote a new fictional story especially for this book text in English French and Dutch

Higher Ground 1995

How do you see yourself? Do you think it's over for you and you thought you have come to the end of the road? All things are grounded and you thought to yourself all is over. Do not write yourself off. It is not over for you because God has not finished with you. He is still at work in your life. You are a project in progress. Don't give up now. It is not over for you except you accept defeat in your life. Rise now. Get this book. A new beginning. Journey to higher ground. In this book you will know how to overcome your past. Life is like a computer when it is malfunctioning you can reset it by pressing the reset button. Also you will know how to get a vision and its power as a sign of a new beginning. This will make you unstoppable. Nature and mentality might have contributed to your failure and disappointment in the past but this book will help you to know how to get a new view for a new thing. Expectation is the mother of manifestation. Be expectant as you read this book. See you at the top. Happy reading. Click the download button.

Higher Ground 2021-04-08

Five months after a hurricane has devastated New Orleans native Nicole Naquin is home for the first time in decades. She's living next door to her mother Miss Gertie, an elderly evacuee from Lakeview reduced to pushing pills in a French Quarter gay bar. On the day Nicole's brother is killed in a drive-by shooting, she crashes the car into her high school sweetheart's FEMA trailer, igniting a sexy romance among the ruins. Homicide detective Vinnie Panarello, himself charged with murder for a shooting after the storm, is assigned to the drive-by case and works at furious cross purposes with hippie sleuth Gary Cherry to find the brother's killer. In the process they uncover much more than either expected. This award-winning comic noir novel is a romp through a gritty city fighting for its life from the mayoral election to Mardi Gras, Lakeview to the French Quarter, the Garden District to Parish Prison. It's a classic story of individual redemption amid collective destruction, one in which crooked politicians rule the day, leaving displaced home owners, bereaved mothers, drag queens, and illegal immigrants to band together for survival and justice. The real protagonist: the people of New Orleans. Won't be fooled any longer, as Miss Gertie says: I'm moving to higher ground.

Higher Ground 2024-10

An indispensable guide to help companies navigate the new era of ethical challenges and risks in a volatile global landscape. Today's headlines teem with employee unrest over racial injustice, communities infuriated by corporate environmental impacts, staff anxiety over surveillance, public outrage over corruption in business, and discoveries of child labor in supply chains. We've traveled far and fast from the old world of business ethics where black and white concerns about bribery and fraud could be addressed via rules and processes simply maximizing shareholder value while not breaking the law is no longer a tenable approach but we've never been so confused about what it means to do the right thing and why it's so important. In this eye-opening essential book, NYU Stern ethics professor Alison Taylor argues that amid stakeholder demands and transparency pressures we can no longer treat ethics as merely a legal and reputational defense mechanism. Leaders at

davos and the business roundtable have called for a new corporate responsibility paradigm but organizations struggle to implement these ideas in an atmosphere of heightened expectations and intense suspicion offering vivid stories and examples from years working in anti corruption and advising companies on ethics taylor brings this complex risky environment alive to provide a blueprint for how leaders can rethink and reshape their practices how can ceos cut through the noise to set robust environmental and social priorities when should they speak out on contentious social and political issues and how what does it really take to build a healthy organizational culture how are we to approach corporate values when society itself is so divided higher ground shows leaders how business can navigate this messy paradigm shift build trust and achieve long term strategic advantage in a turbulent world
