You Belong to Me and Other True Cases

1994

these true crime stories way more interesting than another ted bundy movie this book includes some of the most fascinating quirky and important stories on crime policing and the courts these bizarre real life crimes are truly stranger than fiction as humans we always want to understand the darker side of our nature and that s what this book has got you covered written with a great dedication and strong effort this book will give you a chance to explore how humans behave when confronted with unspeakable situations these true crime stories will allow you to play armchair detective these stories raise more questions than they answer whether it s who the perpetrator is if the correct verdict was reached or how the police handled the case nothing gets our attention more than events that have played out in real life

Strange True Crime Files

2020-10-09

acclaimed for her devastatingly accurate insight the new york times book review into the criminal mind ann rule has chronicled the most fascinating cases of our time in her bestselling crime files series for this sixth stunning collection rule has culled from her private files the most asked about homicide cases riveting accounts of seemingly normal men and women who are compelled d by a murderous rage to suddenly lash out at innocent victims torn from the headlines here is the case that shocked a nation the seattle city bus ride that turned to mayhem and murder at the hands of a gunman ann rule unmasks the forces that drove quiet clean cut silas cool to shoot the driver causing the bus to plunge off the aurora bridge into an apartment building the catastrophe left three dead including cool and dozens injured while the scene unfolds as in a terrifying movie rule finds very real answers to the haunting question how could this happen and expertly constructs the unseen chain of events that resulted in an explosive and shattering tragedy included here are nine other sensational cases that illuminate rule s unique and authoritative view of the human psyche gone temporarily berserk no one can match rule s meticulous research or reveal the motives to murder in such explicit and chilling detail you may think you know who is safe and who is dangerous in a rage to kill ann rule frighteningly shows that none of us are truly protected from the flashes of irrational violence that can erupt from the killers among us

A Rage To Kill And Other True Cases:

2001-01-18

an ideal family is targeted for death by the least likely enemy who plotted their demise from behind bars a sexual predator hides behind multiple fake identities eluding police for years while his past victims live in fear that he will hunt them down a modest preacher s wife confesses to shooting her husband after an argument but there s more to her shattering story than meets the eye these and other true cases are analyzed with stunning clarity in a page turning collection you won t be able to put down included in this volume are stories of a victim burned beyond recognition spontaneous human combustion impossible and yet no one else seemed to enter or exit a man who was a woman who was a man whose con games in a small community led to murder a counterfeit priest who wasn t a priest at all a lifetime rapist and the strangest case ever to hit montana
