Chilton's Repair & Tune-up Guide, Mercedes-Benz, 1974-84 1984

you ve never seen what you ve always needed to know until now invisible forces are at work they push and shove on everything you buy or sell they affect every concept you want to take to market all the suppliers you ll deal with and every customer you ll ever see to be successful you need to understand them see them in detail in ways not possible with other methods hypernomics using hidden dimensions to solve unseen problems discovers that markets behave according to previously unknown laws set by the buyers and sellers within them it reveals those rules and how to detect describe and deploy them to your advantage it doesn t change economics so much as reveal it it s like a microscope looking at pond water a telescope tilted to the sky sonar scanning the bottom of the ocean hypernomics lets you see into markets in ways you can t with the unaided eye sailors never navigate without a map you shouldn t either since your ship could wind up on the rocks hypernomics gives you the means to create market maps that show you where they have openings and how to fill them by giving customers what they want don t have and can afford it finds their thresholds and limits and responses to every possible feature in any product you can offer the interactions hypernomics describes have been with us since the dawn of humanity now you can finally see them and enjoy the advantages your competitors do not have validated by 13 published papers multiple awards a patent and customers such as nasa lockheed martin virgin galactic and a restaurant down the street only hypernomics gives you the ability to solve problems as varied as how could a restaurant increase revenue by 25 by rearranging seating how do you find describe and capitalize on open spaces in your market what happens when an nfl player decreases his forty yard dash time by a quarter of a second if you tried to exceed a market s limitations how could you lose 1b how do markets change over time know what

you need to discover hypernomics

Focus On: 100 Most Popular Sedans 1996
