British Politics Today 2003

over the last thirty five years british politics has undergone something of a revolution the collapse of strong class allegiance to parties the recovery of an economy once perceived to be in terminal decline the near twenty year rule of the of tories and the extraordinary emergence and establishment of the blairite new labour party together with these changes we have also seen the reshaping of the civil service the establishment of devolved assemblies the reform of the lords the decline of ideology the apparent crushing of the conservative party and the ubiquity of media management as a tool of political persuasion this text outlines and contextualizes these major changes and more

Observing and Recording the Behavior of Young Children, 6th Edition 2015-11-20

in the sixth edition of their classic text the authors reiterate the critical importance of observing and recording the behaviour of young children especially in the current atmosphere of accountability and testing in addition because children with special needs are now widely included in a majority of early childhood classrooms they have completely rewritten a chapter to focus more broadly on observing behaviours that may be viewed as disquieting designed to help teachers better understand children s behaviour the book outlines methods for recordkeeping that provide a realistic picture of each child s interactions and experiences in the classroom numerous examples of teachers observations of children from birth to age 8 enrich this work and make it accessible practical and enjoyable to read with over 130 000 copies in print this valuable resource for pre and inservice educators features fresh information about how children think and learn how their language develops and how their families their culture and their environment influence and help to shape them observations that reflect the increasingly diverse population in contemporary early childhood classrooms and the imperative for teachers to widen their lens in order to meet the needs of young children with a range of developmental capacities abilities and behaviours
