this is not your typical money book it is not about cutting up your credit cards or finding the hottest stock or how to get rich quick as you turn page after page in your money mood you will come to learn how to make managing your finances less intimidating and much more fun imagine having a deep knowing that money is truly your friend it is this knowing and more that i so want to share with you most of the women i counsel would prefer to talk about food exercise children relationships cellulite anything but money why is this why do some women abdicate their financial responsibilities while others exert rigid control and why do some women seem to downright repel money you probably won t find the real reasons in your conscious mind believe it or not the driving factor behind the financial decisions you make is not necessarily how much you know about money if i were to ask you to close your eyes and answer this question how do you feel when you talk about or even just think about spending money saving money investing money or not having enough money how would you respond which emotional responses have just been triggered inside of you these specific and habitual emotions form what i call your money mood first you and i must determine your predominant money mood by the way you may actually have more than one then we will learn how your money mood has worked both for you and against you in relationship to money thus far here s the critical part just as an emotional mood can be changed so too can your money mood in fact you can not only change it you

can significantly improve it you are in no way broken your money mood is not about fixing any aspect of who you uniquely are it s about recognizing your opportunities for growth while making the most of your emotional attributes
