The NexStar User's Guide

2004-01-30

michael swanson s online discussions with literally thousands of nexstar owners made it clear that there was a desperate need for a book such as this one that provides a complete detailed guide to buying using and maintaining nexstar telescopes although this book is highly comprehensive it is suitable for beginners there is a chapter on astronomy basics and experts alike celestron s nexstar telescopes were introduced in 1999 beginning with their first computer controlled go to model a 5 inch more models appeared in quick succession and celestron s new range made it one of the two dominant manufacturers of affordable go to telescopes

Words: A User's Guide

2014-06-03

words a user s guide is an accessible and invaluable reference that is ideal for students business people and advanced learners of english the book is structured in groups of words that may be confused because they sound alike look alike or seem to have similar meanings and this approach makes it much more intuitive and easy to use than a dictionary contrasting over 5000 words such as habitable and inhabitable precipitation and rainfall reigns and reins words a user s guide provides examples of usage adapted from large national databases of contemporary english and illustrates each headword in typical contexts and phrases this book gives you straightforward answers and helps with pronunciation spelling style and levels of formality for those working internationally it presents international standards and compares usage in britain and the usa words a user s guide is an excellent resource for anyone who wants to communicate well in written and spoken english at last a book about the use of words that clarifies and de mystifies in an eminently usable way i would recommend it to anyone who wants to write well it is a book to keep sandy gilkes head of the centre for academic practice university of northampton rigorous fresh intriguing and downright useful it deserves a place on every properly stocked reference shelf brian cathcart professor of journalism kingston university from the pedantic to the permissive everyone who s interested in the english language and the way we speak and write it will want a copy of this practical entertaining book wynford hicks author of quite literally and the basics of english usage

User's guide for the emissions modeling system for hazardous air pollutants (EMSHAP) version 2.0

1991

this book is a guide to use the scale for assessment of somatic symptoms developed by dr sk chaturvedi

Draft PC-TARE User's Guide

1979

the user s guide to nutritional supplements focuses on the most popular nutritional supplements those that consistently attract the most attention and are the ones most likely to benefit the majority of people in describing the most popular nutritional supplements this book explains vitamin e can reduce the risk of heart disease and the best types to take selenium can slash the chances of developing some types of cancer ginkgo can improve memory and recall chromium can help oromote weigth loss and lower the risk of diabetes glucosamine and chondroitin can prevent osteoarthritis calcium and magnesium work together to build strong bones coenzyme q10 can boost your energy levels and strengthenyour heart ginseng and other supplements boost your exercise stamina

User's guide

1994

this book de mystifies the jargon of webcams and computer processing and provides detailed hints and tips for imaging the sun moon and planets with a webcam it demonstrates how inexpensive tools are revolutionizing imaging in amateur astronomy anyone with a modest telescope and a webcam can now obtain jaw dropping lunar and planetary images to rival those taken with mid range astronomical ccd cameras costing thousands of dollars a glance through the images in this book shows just what spectacular results can be achieved by using a webcam with your telescope your scientific results will be sought by professional astronomers

User's Guide to MOBILE5

1984

covers sugar manufacturing from both beet and cane plants and sugar utilization in dairy products breakfast cereals beverages preserves and jellies confectionery processed foods and microwave oven products also discusses non food applications of sugar its general properties and the impact of sugar on human health includes a listing of the industry s american and canadian companies and important associations world wide annotation copyrighted by book news inc portland or

User's Guide for the CREAMS Computer Modes

1993

in the months following the september 11 attacks world leaders began a flurry of attempts to muzzle the press some governments prevented journalists from covering anti us demonstrations or criticizing us policies others opportunistically adopted the rhetoric of the war on terrorism to justify repressive measures against the media still other leaders took a cue from the tactics used by the us military in afghanistan to keep the press away from the battlefield

User's Guide to ASTM Specification C94 on Ready-Mixed Concrete

2021-01-10

find out which parts will fit your engine and what theyll do for it with this valuable guide to all engine ignition and carburetion parts for your classic vw engine tuning recommendations on equipping engines for economy performance mild performance increases fast road or full race performance includes stock part interchange specs and parts numbers and describes the wide range of aftermarket parts available

The Amstrad Notepad Advanced User Guide

2003

this book offers a comprehensive introductory guide to choosing and using a series lxd55 or lxd75 computer controlled goto telescope containing a wealth of

useful information for both beginners and more advanced practical amateur astronomers the manufacturer s manuals are not nearly detailed enough to be of real help to beginners no other book offers advanced techniques for more experienced lxd series users

User Guide for the Scale of Assessment of Somatic Symptoms

2006-08-03

building on the tremendous interest in health alternative medicine and nutritional supplementation the user s guide to nutritional supplements series is designed to answer the consumer s basic questions about diseases conventional and alternative therapies and individual dietary supplements written by leading experts and science writers the user s guide to nutritional supplements series covers a range of popular alternative medicine and health issues including specific major diseases alternative therapies and vitamins minerals herbs and other nutritional supplements the user s guide to st john s wort describes the herb s traditional uses and the remarkable science demonstrating its benefits in treating depression

User's Guide to Nutritional Supplements

2003-01-01

trb s airport cooperative research program acrp report 25 airport passenger terminal planning and design comprises a guidebook spreadsheet models and a user s guide in two volumes and a cd rom intended to provide guidance in planning and developing airport passenger terminals and to assist users in analyzing common issues related to airport terminal planning and design volume 1 of acrp report 25 explores the passenger terminal planning process and provides in a single reference document the important criteria and requirements needed to help address emerging trends and develop potential solutions for airport passenger terminals volume 1 addresses the airside terminal building and landside components of the terminal complex volume 2 of acrp report 25 consists of a cd rom containing 11 spreadsheet models which include practical learning exercises and several airport specific sample data sets to assist users in determining appropriate model inputs for their situations and a user s guide to assist the user in the correct use of each model the models on the cd rom include such aspects of terminal planning as design hour determination gate demand check in and passenger and baggage screening which require complex analyses

to support planning decisions the cd rom is also available for download from trb s website as an iso image

Lunar and Planetary Webcam User's Guide

1990-10-31

this book contains a collection of quantitative procedures in common use in pharmacology and related disciplines it is intended for students and researchers in all fields who work with drugs many physicians especially those concerned with clinical pharmacology will also find much that is useful the procedures included may be considered core since they are generally applicable to all classes of drugs some of the procedures deal with statistics and hence have even wider application in this new edition we have increased the number of procedures from 33 in the first edition to 48 other procedures have been revised and expanded yet the basic philosophy of this new edition remains unchanged from the first that is the pharmacologic basis of each procedure is presented along with the necessary formulas and one or more worked examples an associated computer program is included for each procedure and its use is illustrated with the same worked example used in the text the discussions of theory and the sample computations are brief and self contained so that all computations can be made with the aid of a pocket calculator and the statistical tables contained in appendix a yet it is realized that the proliferation of lower priced microcom puters is likely to mean that more and more readers will utilize a computer for most calculations accordingly we have modified the format of the book to facilitate computer usage
