Kidnap & Ransom

2010-11-01

when the world's foremost kidnap and ransom negotiator is snatched by a ruthless drug cartel jake riley becomes ensnared in the effort to save him but he's up against los zetas an elite paramilitary organization renowned for its ferocity and skill now he and his colleagues must navigate the dark underbelly of mexico from raging street wars to perilous jungles in an effort to rescue him before time runs out after nearly losing her life on her last case fbi agent kelly jones may never do fieldwork again determined to regain her confidence she joins jake on his mission and quickly realizes she's in over her head then in the slums of mexico city she encounters a former nemesis who's enacting a nightmarish ritual on the weak and vulnerable now she has one last desperate shot to prove herself by taking down a killer

Killing Me

2023-05-16

a libraryreads pick utterly original and wildly entertaining killing me is a laugh loud thriller with a protagonist whose life is a total mess she escaped a serial killer then things got weird amber jamison can't believe she's about to become the latest victim of a serial killer she's savvy and street smart so when she gets pushed into of all things a white windowless van she is more angry than afraid things get even weirder when she's miraculously saved by a mysterious woman who promptly disappears who was she and why is she hunting serial killers you'd think escaping one psychopath would be enough but amber's problems are just beginning her close call has law enforcement circling a past she's tried to outrun she's forced to flee across the country ending up at a seedy motel in las vegas with a noir obsessed manager and a sex worker as her unlikely companions and danger right behind she's landed in the cross hairs of the world's most prolific killer caught up in a deadly game that's been going on for years to survive she is forced to dust off her old playbook and

partner with someone she can't trust the odds are against her but sometimes you just have to roll the dice

Unearthly Things

2017-04-11

charlotte brontë's jane eyre retold against the backdrop of san francisco's most fabulous and dangerous elites after losing her parents in a tragic accident surfer girl janie mason trades the sunny beaches of hawaii for the cold fog of san francisco and new guardians the rochesters that she's never even met janie feels hopelessly out of place in their world of napa weekends fancy cotillions and chauffeurs the only person she can relate to is daniel a fellow surfer meeting him makes janie feel like things might be looking up still something isn't right in the rochester mansion there are noises screams coming from the attic that everyone else claims they can't hear then john the black sheep of the family returns after getting kicked out of yet another boarding school soon janie finds herself torn between devil may care john and fiercely loyal daniel just when she thinks her life

can't get any more complicated she learns the truth about why the rochesters took her in they want something from janie and she's about to see just how far they'll go to get it

No Escape

2012-07-31

gritty and heart stopping this short story from break out author michelle gagnon also features a teaser to her thrilling debut young adult novel don't turn around seventeen year old alex might be living day to day on whatever he can steal but he still prefers being on the run to getting caught and thrown back in juvie plus he has jenny to think of she comes with her own world of problems but for once alex feels like somebody actually needs him so when a shady organization gives alex the chance to participate in a medical study all he hears is easy money and a lot of it he'll soon find out there's more involved set directly before don't turn around which in a starred review kirkus called a pulse pounding scary great read and a surefire hit michelle gagnon's no escape lays the groundwork for a world in

which every move you make is being watched and no one can be trusted

The Gatekeeper

2012-11-15

homegrown terror from the bestselling author of boneyard high stakes tension excitement i loved the gatekeeper lee child 1 new york times bestselling author from the moment sixteen year old madison grant is abducted an unthinkable terrorist plot is set in motion pitting special agent kelly jones against her most powerful adversary yet the kidnapper s ransom demands aren t monetary they come at a cost that no american can afford to pay as kelly s fiancé jake riley races to find madison kelly is assigned to another disturbing case the murder and dismemberment of a senator at first the two cases don t appear to be related but as kelly navigates her way through the darkest communities of america from skinheads to biker gangs to border militias she discovers a horrible truth a shadowy figure who calls himself the gatekeeper is uniting hate groups opening the door to the worst homegrown attack in american history gagnon has taken incidents ripped

from the headlines and developed a chilling thriller that will leave readers holding their breath with anticipation fresh fiction

Don't Turn Around

2012-08-28

after waking up on an operating table with no memory of how she got there noa must team up with computer hacker peter to stop a corrupt corporation with a deadly secret

Don't Look Now

2013-08-27

this follow up to the critically acclaimed don t turn around which kirkus reviews called the girl with the dragon tattoo for teens a surefire hit raises the stakes to their absolute limit and will leave readers begging for the exciting conclusion having outsmarted the sinister project persephone noa and her friend zeke are on the run

again moving across the country protecting runaways before they become test subjects for the project's horrific experiments noa knows all too well what that feels like whatever was done to her has left her exhausted and scared back in boston peter anxiously follows noa's movements from his computer but he's desperate to do more especially when he learns what the project has done to his ex girlfriend amanda then in an explosive confrontation noa and her team are trapped in the one place they thought was safe it will take everything noa and peter have to bring down the project and with no one to trust and enemies hiding at every turn they may be the only people alive who can

The Tunnels

2007-06-01

an old abandoned tunnel system beneath a prestigious new england college becomes the gruesome stalking ground of a serial killer the crime scenes are both grim and otherworldly the bodies of two female students are found mutilated and oddly positioned in the dark labyrinth beneath the school haunting symbols painted on the walls

above them in her decade tracking serial killers fbi special agent kelly jones has seen some of the worst humanity can inflict yet the tragedy unfolding at her alma mater chills her to the bone evidence suggests that the connection between the victims daughters of powerful men and the cryptic message behind the killings is rooted in a dark ancient ritual as the body count rises so do the stakes the killer is taunting kelly daring her to follow him down a dangerous path from which only one can emerge

Strangelets

2014-03-25

17 year old sophie lies on her deathbed in california awaiting the inevitable loss of her battle with cancer 17 year old declan stares down two armed thugs in a back alley in galway ireland 17 year old anat attempts to traverse a booby trapped tunnel between israel and egypt all three strangers should have died at the exact same moment thousands of miles apart instead they awaken together in an abandoned hospital only to discover that they re not alone three other teens

from different places on the globe are trapped with them somebody or something seems to be pulling the strings with their individual clocks ticking they must band together if they re to have any hope of surviving soon they discover that they ve been trapped in a future that isn t of their making a deadly desolate world at once entirely familiar and utterly strange each teen harbors a secret but only one holds the key that could get them home as the truth comes to light sophie declan anat and the rest must decide what to do with a second chance at life if they can survive to claim it

Boneyard

2011-09

on the trail of a serial killer the path splits in two fbi special agent kelly jones has worked on many disturbing cases in her career but nothing like this a mass grave site unearthed on the appalachian trail puts kelly at the head of an investigation that crosses the line from massachusetts to vermont from wealthy vacationers to poor transients from a serial killer to a copycat nemesis assisted by law

enforcement from both states and a forensic anthropologist kelly searches for the killers but as darkness falls another victim is taken kelly must race to save him before he joins the rest in the boneyard

Decisions and Orders of the National Labor Relations Board

2008

from the moment sixteen year old madison grant is abducted an unthinkable terrorist plot is set in motion pitting special agent kelly jones against her most powerful adversary yet the kidnapper s ransom demands aren t monetary they come at a cost that no american can afford to pay as kelly s fiancé jake riley races to find madison kelly is assigned to another disturbing case the murder and dismemberment of a senator at first the two cases don t appear to be related but as kelly navigates her way through the darkest communities of america from skinheads to biker gangs to border militias she discovers a horrible truth a shadowy figure who calls himself the gatekeeper is uniting hate groups opening the door to the worst

homegrown attack in american history

2015-03-17

many scholars practitioners and policy makers in the cultural sector argue that canadian cultural policy is at a crossroads that the environment for cultural policy making has evolved substantially and that traditional rationales for state intervention no longer apply the concept of cultural citizenship is a relative newcomer to the cultural

policy landscape and offers a potentially compelling alternative rationale for government intervention in the cultural sector likewise the articulation and use of cultural indicators and of governance concepts are also new arrivals emerging as potentially powerful tools for policy and program development accounting for culture is a unique collection of essays from leading canadian and international scholars that critically examines cultural citizenship cultural indicators and governance in the context of evolving cultural practices and cultural policy making it will be of great interest to scholars of cultural policy communications cultural studies and public administration alike

Massage

2002-05-21

protecting and promoting health is inherently a political endeavor that requires a sophisticated understanding of the distribution and use of power yet while the global nature of health is widely recognized its political nature is less well understood in recent decades the interdisciplinary field of global health politics has

emerged to demonstrate the interconnections of health and core political topics including foreign and security policy trade economics and development today a growing body of scholarship examines how the global health landscape has both shaped and been shaped by political actors and structures the oxford handbook of global health politics provides an authoritative overview and assessment of research on this important and complicated subject the volume is motivated by two arguments first health is not simply a technical subject requiring evidence based solutions to real world problems but an arena of political contestation where norms values and interests also compete and collide second globalization has fundamentally changed the nature of health politics in terms of the ideas interests and institutions involved the volume comprises more than 30 chapters by leading experts in global health and politics each chapter provides an overview of the state of the art on a given theoretical perspective major actor or global health issue the handbook offers both an excellent introduction to scholars new to the field and also an invaluable teaching and research resource for experts seeking to understand global health politics and its future directions

Pharmaceutical Autonomy and Public Health in Latin America

2014-12-05

for wild card ex fbi agent xanadu marx the war on terror hits close to home thanks to a remorseless enemy who s all too familiar in this explosive thriller joshua corin is a master storyteller douglas preston 1 bestselling co creator of the pendergast novels it begins on a beautiful day in atlanta with a mosque full of muslim worshippers celebrating the end of ramadan the festivities are cut brutally short when a military drone appears in the sky and launches a missile into the building then at a mosque in dearborn michigan another peaceful gathering is torn apart by the violent blast of a suicide bomber the attacks set the entire nation on edge with authorities scrambling to make sense of the situation and keep the populace calm while pundits and politicians of all stripes fight for time in the spotlight but for ex fbi agent xanadu marx her first instinct is revenge unwilling to let such savagery go unanswered she plunges into the investigation the

police have started but only she can finish disregarding official warnings from the government and outright threats from others she follows a trail of homegrown hatred and violence to uncover a conspiracy so cold blooded that no one will believe her even if she lives long enough to tell don't miss any of joshua corin's electrifying xanadu marx thrillers cost of life forgive me american lies

Vengeance

2012-12-01

a woman on the run a captain adrift in space one of them is infected with an alien parasite in this dark science fiction thriller a young woman must confront her past so the human race will have a future rosalyn devar is on the run from her famous family the bioengineering job she's come to hate and her messed up life she's run all the way to outer space where she's taken a position as a space janitor cleaning up ill fated research expeditions but no matter how far she goes rosalyn can't escape herself after too many mistakes on the job she's

given one last chance take care of salvaging the brigantine a research vessel that has gone dark with all crew aboard thought dead but the brigantine s crew are very much alive if not entirely human now rosalyne is trapped on board alone with a crew infected by a mysterious parasitic alien the captain edison aries seems to still maintain some control over himself and the crew but he won t be able to keep fighting much longer rosalyne and edison must find a way to stop the parasite s onslaught or it may take over the entire human race

2003-01

international media research offers a rigorous and critical review of key approaches and concerns that have recently defined the field of media research in this clearly argued collection of essays the contributors analyze and reflect upon dominant themes and debates that have made media research an increasingly important element of cultural theory the volume begins with a critical evaluation of the work of the leading media scholar elihu katz and continues with an exploration of

the relationship between media studies and adjacent disciplines
cultural studies and gender and sexuality contributors drawn from
britain america canada and belgium consider the relationships between
media research and media policy in different national and
international contexts focusing on the european union east central
europe north america and latin america chapters assess the impact of
social economic and political circumstances on policy debates and the
shaping of the research agenda the final chapter adopts a
transatlantic perspective in tracing and analysing the history of the
media s role in reporting war
