Promised Land 2020-07-14 a timely work of groundbreaking history explains how the american middle class ballooned at mid century until it dominated the nation showing who benefited and what brought the expansion to an end in promised land david stebenne examines the extraordinary revival of the middle class in mid twentieth century america and how it drastically changed the country the story begins with the pervasive income and wealth inequality of the pre new deal period what followed roosevelt s reforms the regulation of business and finance higher taxation of the truly affluent and greater government spending began a great leveling world war ii brought the military draft and the gi bill similarly transformative elements that also helped expand the middle class for decades economic policies and cultural practices strengthened the trend and by the 1960s the middle class dictated american tastes from books to tv shows to housing to food creating a powerful political constituency with shared interests and ideals the disruptive events of 1968 however signaled the end of this headlong expansion the cultural clashes and political protests of that era turned a spotlight on how the policies and practices of the middle class era had privileged white men over women people of color and other marginalized groups as well as economic growth over environmental protection these conflicts along with shifts in policy and economic stagnation started shrinking that vast middle class and challenging its values trends that continue to the present day now as the so called end of the middle class dominates the news cycle and politicians talk endlessly about how to revive it stebenne s vivid history of a social revolution that produced a new and influential way of life reveals the fascinating story of how it was achieved and the considerable costs incurred along the way in the form of a revealing history promised land shines more than a little light on our possible future

Jackie and Campy 2014-04-01 looks at the rivalry between african american brooklyn dodgers teammates jackie robinson and roy campanella whose attitudes toward integration and race relations differed so much that they became estranged for nearly ten years

The Power of Culture 2016-01-14 china and the united states two massive economic and military powers cannot avoid engaging with each other enjoying what is often termed the most important bilateral relationship in the world the

two sometimes cooperate but often compete as their interests come into conflict both countries are separated not just by the pacific ocean but also by their very different histories experiences societies customs and outlooks non governmental unofficial relationships and exchanges are often as important as formal dealings in determining the climate of sino american relations for several decades in the mid twentieth century chinese and americans were virtually isolated from each other trapped in icy hostility chinese scholars are now making up for lost time this assortment of essays most by mainland chinese academics and students focuses upon the role of culture very broadly defined in sino american affairs taking a holistic approach in this collection over thirty authors focus on such topics as the influence of ideology the impact of geopolitics the use of rhetoric soft power educational encounters and exchanges immigration gender race identity literature television movies music and the press cultural factors are as the authors demonstrate enormously significant in affecting how chinese and americans think about and approach each other both as individuals and at the state level

Indigenous Sovereignty in the 21st Century 2014 a provocative analysis of what sovereignty means to indigenous nations challenging commonly held conceptions about the relationship between sovereignty and economic development

Paranoid Pedagogies 2017-10-27 this edited book explores the under analyzed significance and function of paranoia as a psychological habitus of the contemporary educational and social moment the editors and contributors argue that the desire for epistemological truth beyond uncertainty characteristic of paranoia continues to profoundly shape the aesthetic texture and imaginaries of educational thought and practice attending to the psychoanalytic post psychoanalytic and critical significance of paranoia as a mode of engaging with the world this book further inquires into the ways in which paranoia functions to shape the social order and the material desire of subjects operating within it furthermore the book aims to understand how the paranoiac imaginary endemic to contemporary educational thought manifests itself throughout the social field and what issues it makes manifest for teachers teacher educators and academics working toward social transformation

The American War in Vietnam 2016-08 cover the american war in vietnam title copyright contents acknowledgments introduction the commemoration story 1 the noble cause principle and the actual history 2 french colonialism and the origins of the american war in vietnam 3 the diem regime and president john f kennedy 4 president johnson and escalation of the war 5 president nixon vietnamization and the end of the war 6 some lessons and myths of the american war in vietnam notes bibliography index

Contested Commemoration in U.S. History 2019-09-25 against the backdrop of two recent socio political developments the shift from the obama to the trump administration and the surge in nationalist and populist sentiment that ushered in the current administration contested commemoration in u s history presents eleven essays focused on practices of remembering contested events in america s national history this edited volume contains fresh interpretations of public history and collective memory that explore the evolving relationship between the u s and its past the individual chapters investigate efforts to memorialize events or interrogate instances of historical sanitization at the expense of less partial representations that would include other perspectives the primary source material and geography covered is extensive contributors use historic sites and monuments photographs memoirs textbooks periodicals music and film to discuss the periods from colonial america through the revolutionary and civil wars up until the vietnam war civil rights movement and cold war to explore how the commemoration of those eras resonates in the twenty first century through a range of commemoration media and primary sources the authors illuminate themes and arguments that are indispensable to students scholars and practitioners interested in public history and american studies more broadly

An American Health Dilemma: Race, medicine, and health care in the United States 1900-2000 2000 this volume is a comprehensive collection of critical essays on the taming of the shrew and includes extensive discussions of the play s various printed versions and its theatrical productions aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play the issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality

An American Health Dilemma 2001-12-21 first published in 2002 an american health dilemma is the story of medicine in the united states from the perspective of people who were consistently officially mistreated abused or neglected by the western medical tradition and the us health care system it is also the compelling story of african americans fighting to participate fully in the health care professions in the face of racism and the increased power of health corporations and hmos this tour de force of research on the relationship between race medicine and health care in the united states is an extraordinary

achievement by two of the leading lights in the field of public health ten years out it is finally updated with a new third volume taking the story up to the present and beyond remaining the premiere and only reference on black public health and the history of african american medicine on the market today no one who is concerned with american race relations with access to and quality of health care or with justice and equality for humankind can afford to miss this powerful resource

Evangelicalism 2017-09-20 most forms of religion are best understood in the context of their relationship with the surrounding culture this may be particularly true in the united states certainly immigrant catholicism became americanized mainstream protestantism accommodated itself to the modern world and reform judaism is at home in american society in evangelicalism richard kyle explores paradoxical adjustments and transformations in the relationship between conservative protestant evangelicalism and contemporary american culture evangelicals have resisted many aspects of the modern world but kyle focuses on what he considers their romance with popular culture kyle sees this as an americanized christianity rather than a christian america but the two are so intertwined that it is difficult to discern the difference between them instead in what has become a vicious self serving cycle evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven american society in doing so evangelicalism has become a middle class movement one that dominates america s culture and unabashedly populist many evangelicals view america as god s chosen nation thus sanctifying american culture consumerism and middle class values kyle believes evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture yet he also thinks evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the evangelical subculture has become secularism with a light gilding of christianity if so he asks can evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the great american melting pot of religions and cultures will the gospel of the american dream ultimately engulf and destroy the gospel of evangelical success in america this thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the evangelical movement in america and the aspirations and fate of its faithful

May Irwin 2016-12-07 may irwin reigned as america s queen of comedy and song from the 1880s through the 1920s a genuine pop culture phenomenon irwin conquered the legitimate stage composed song lyrics and parlayed her celebrity into success as a cookbook author suffragette and real estate mogul sharon ammen s in depth study traces irwin s hurly burly life irwin gained fame when layering aspects of minstrelsy over ragtime she popularized a racist negro song genre ammen examines this forgotten music the society it both reflected and entertained and the ways white and black audiences received irwin s performances she also delves into irwin s hands on management of her image and career revealing how irwin carefully built a public persona as a nurturing housewife whose maternal skills and performing acumen reinforced one another irwin s act soaked in racist song and humor built a fortune she never relinquished yet her career s legacy led to a posthumous obscurity as the nation that once adored her evolved and changed

Prologue 2010 the genesis of israel and egypt examines the earliest phase of historical consciousness in the ancient near east looking in particular at the mysterious origins of egypt s civilization and its links with mesopotamia and the early hebrews the book takes a radically alternative view of the rise of high civilization in the near east and the forces which propelled it the author emmet sweeney finds that the early civilizations developed amidst a background of massive and repeated natural catastrophes events which had a profound effect upon the ancient peoples and left its mark upon their myths legends customs and religions ideas found in all corners of the globe concepts such as dragon worship pyramid building and human sacrifice are shown by sweeney to have a common origin in the cataclysmic events of the period termed the eruptive age by legendary english explorer percy fawcett terrified and traumatized by the forces of nature people all over the world began to keep an obsessive watch on the heavens and to offer blood sacrifices to the angry sky gods these events which are fundamental to any understanding of the first literate cultures have nonetheless been completely effaced from the history books and an official history of mankind which is little more than an elaborate fiction now graces the bookshelves of the world s great libraries starting with clues unearthed by history sleuth immanuel velikovsky and others emmet sweeney takes the investigation further while the near eastern civilizations are generally considered to have taken shape around 3300 bc about 2 000 years before those of china and the new world ages in alignment demonstrates that they had no 2 000

year head start all the ancient civilizations arose simultaneously around 1300 bc in the wake of a terrible natural catastrophe recalled in legend as the flood or deluge sweeney points out that the presently accepted chronology of egypt is not based on science but on venerated literary tradition this chronology had already been established in its present form by the third century bc when jewish historians utilizing the history of egypt by the hellenistic author manetho sought to tie in egypt s history with that of the bible apparent gaps and weird repetitions resulted improbable feats like the construction of major cut stone engineering projects before the advent of steel tools or pythagorean geometry point to the weaknesses of the traditional view taking a more rigorous approach and pointing to solid evidence emmet sweeney shows where names overlap and where one and the same group is mistaken for different peoples in different times volume 1 the genesis of israel and egypt looks at the archaeological evidence for the flood evidence now misinterpreted and ignored this volume examines the rise of the first literate cultures in the wake of the catastrophe and goes on to trace the story of the great migration which led groups of early mesopotamians westward toward egypt where they helped to establish egyptian civilization this migration recalled in the biblical story of abraham provides the first link between egyptian and hebrew histories the next link comes a few generations later with imhotep the great seer who solved the crisis of a seven year famine by interpreting pharaoh djoser s dream imhotep is shown to be the same person as joseph son of jacob

Country Life 1913 the writing of irish american history has been transformed since the 1960s this volume demonstrates how scholars from many disciplines are addressing not only issues of emigration politics and social class but also race labor gender representation historical memory and return both literal and symbolic to ireland this recent scholarship embraces protestants as well as catholics incorporates analysis from geography sociology and literary criticism and proposes a genuinely transnational framework giving attention to both sides of the atlantic this book combines two special issues of the journal *Éire* ireland with additional new material the contributors include tyler an binder thomas j archdeacon bruce d boling maurice j bric mary p corcoran mary e daly catherine m eagan ruth ann m harris diane m hotten somers william jenkins patricia kelleher líam kennedy kerby a miller harvey o brien matthew j o brien timothy m o neil and fionnghuala sweeney

The Genesis of Israel and Egypt 2023-10-01 america s second oldest higher education institution experienced the full violence of the civil war with a wartime destiny of destruction compounded by its strategic location in virginia s tidewater region between union and confederate lines this book describes the fate of the college and also explores in depth the war service of the college s students faculty and alumni ranging from little known individuals to historically prominent figures such as winfield scott john tyler and john j crittenden the college s many contributions to the civil war and its role in shaping pre and post war higher education in the south are fully revealed

New Directions in Irish-American History 2003 in the decade following the signing of the north american free trade agreement economic and political relations between canada and mexico have expanded significantly today canada and mexico are each other s third largest trading partners and outside of the united states mexico is the second largest tourist and business destination for canadians in the face of increasing competition from asia canada and mexico need to strengthen their economic competitiveness by leveraging their comparative advantages more effectively in a multi polar world canada and mexico have an opportunity to utilize their north south partnership to provide leadership on the pressing issues of our time such as climate change transnational crime and global crisis management in canada among nations 2011 2012 a leading group of canadian mexican and american academics policy makers politicians journalists and energy and climate change experts offer substantive recommendations for ottawa and mexico city to realise the full potential of their strategic relationship canada among nations is the premier source for contemporary insight into pressing canadian foreign policy issues this volume continues that tradition by providing students policy makers and business people with a timely compendium of expert opinion on canada mexico relations

The College of William and Mary in the Civil War 2013-07-08 annotation the unfinished war korea is a time sensitive manuscript concerned with the korea war and current north south issues including the north korea s nuclear weapons the author lays out the history of american involvement in korea before during and after the war provides cross cultural perspectives and an account of the war unparalleled for its breadth and depth based on recently declassified documents interviews and other references discusses new developments including south korea s so called economic miracle president bush s inclusion of north korea in the axis of evil and emerging prospects for war or peace today and includes concrete personal realities and anecdotes based on the experiences of koreans

Canada Among Nations, 2011-2012 2012-02-21 includes part 1 number 1 2 books and

pamphlets including serials and contributions to periodicals
The Farmers' and country gentleman's almanack, ed. by H. Kains-Jackson 1879 a short history of the unfinished cold war by michael loren hastings in a short history of the unfinished cold war author michael loren hastings provides an account of the largely misunderstood period of tension and conflict between world powers drawing on experience serving in the u s armed forces during the height of the cold war hastings details the many factors that led to the conflict at the end of world war ii this is augmented by extensive research that provides a succinct yet comprehensive history hastings refutes the belief that the cold war ended with the collapse of the former soviet union and argues that the threat to western democracy is as severe as ever for this reason and many others it is important to understand this war from its inception to its present unfinished state perhaps then mankind will be able to avert conflict and war that could be the cause of its undoing

The Unfinished War 2003 the centennial decade was an era of ambivalence the united states still unresolved about the incomprehensible damage it had wrought over four years of civil war and why philadelphia s 1876 centennial exhibition a spectacular international event celebrating one hundred years of american strength unity and freedom took place in the immediate wake of this trauma of war and the failures of reconstruction as a means to restore power and patriotism in the nation s struggle to rebuild itself the unfinished exhibition the first comprehensive examination of american art at the centennial explains the critical role of visual culture in negotiating memories of the nation s past that conflicted with the optimism that exhibition officials promoted supporting novel iconographical interpretations with myriad primary source material author susanna w gold demonstrates how the art galleries and the audiences who visited them addressed the lingering traumas of battle the uneasy reunification of north and south and the persisting racial tensions in the post emancipation era this careful consideration of the visual record exposes the complexities of the war s impact on americans and clarifies how the centennial art exhibition affected a nation still finding its direction at a critical moment in its history

Armageddon; Or, a Warning Voice from the Last Battle Field of Nations, Proclaiming ... that the Close of the Times of the Gentiles, the Second Personal Advent, and Millennial Reign of ... Jesus Christ are at Hand ... By a Master of Arts of the University of Cambridge 1858 this 383 page report aims to provide the international community with insights and signposts as to how to bring the ctbt into force and give it the teeth through the international monitoring system embodied in the treaty that the world needs and demands

Catalog of Copyright Entries.
