## **Life Inside 2010-03-16**

the patient is an ascetically pretty 15½ year old white female she is intelligent fearful extremely anxious and depressed her rage is poorly controlled and inappropriately expressed diagnostic impression program for social recovery in a supportive and structured environment appears favorable life inside in 1967 three months before her sixteenth birthday mindy lewis was sent to a state psychiatric hospital by court order she had been skipping school smoking pot and listening to too much dylan her mother at a loss for what else to do decided that mindy remain in state custody until she turned eighteen and became a legal law abiding healthy adult life inside is mindy s story about her coming of age during those tumultuous years in honest unflinching prose she paints a richly textured portrait of her stay on a psychiatric ward the close bonds and rivalries among adolescent patients the politics and routines of institutional life the extensive use of medication and the prevalence of life altering misdiagnoses but this memoir also takes readers on a journey of recovery as lewis describes her emergence into adulthood and her struggle to transcend the stigma of institutionalization bracingly told and often terrifying in its truths life inside is a life affirming memoir that informs as it inspires

## **Life Inside 2002**

in 1967 mindy lewis was a rebellious fifteen year old afflicted by acute shyness nascent creative yearnings and a growing distrust of authority when mindy started cutting school and taking drugs her mother turned to the psychiatric profession for help

## **A Curious Life 2019-08-06**

a curious life chronicles the remarkable life of preeminent biochemist thomas haines born in 1933 haines was barely four when he was sent by court order to the graham school an orphanage in hastings on hudson ny founded in 1806 by isabella graham and elizabeth schuyler hamilton his trajectory is a series of radical reversals from penniless orphan to innovative scientist and educator from right wing mccarthyite to left wing activist founder of the sophie davis school of biomedical education of the city university of new york a medical school designed to bring in low income and minority students new york city landlord husband of a successful artist whom he nursed through a long illness father of a brilliant and prominent daughter now eighty six haines is professor emeritus at the rockefeller institute and the only alumnus of the graham school to serve on its board a diminutive dynamo in a bow tie dr haines recently participated on a panel at the smithsonian museum of american history and jogs every morning at four a m in central park above all a formidable storyteller haines provides an intimate look at his relationships and conveys

the excitement of a life in science who could have possibly imagined that the four year old boy looking out at the sunset across the hudson river from the grounds of the graham school would have been able to live such an incredible and productive life from abandoned toddler to homeless vagabond to research chemist to husband and father to university professor to innovative educator to new york building landlord tom has always placed a premium on personal connections and interactions he has benefitted from the kindness of strangers and mentorship and in turn he has mentored and helped countless others along the way on his amazing life s journey what a lucky life he has lived thomas p sakmar foreword tom combines a charming generous and curious demeanor with a fierce inner determination to understand the world and how it works perhaps because of his unconventional childhood tom has spent his life challenging conventional wisdom as you will experience in mindy lewis s fabulous telling of tom s life the world is a more enchanting place with dr haines in it jess dannhauser introduction

## ***Words to the Wise 2017-12-02***

the human mind abhors the absence of explanation but full understanding is never possible human understanding is likely to be incomplete at best and more often utterly fallacious to make matters worse it is likely to be supported as truth and wisdom by religious and scientific authority intellectual fashion and social convention in words to the wise thomas szasz offers a compendium of thoughts observations and aphorisms that address our understanding of a broad range of subjects from birth to death in this book szasz tackles a problem intrinsic to the human condition what problem in the words of the american humorist josh billings the trouble with people is not what they don t know but that they know so much that ain t so many of thomas szasz s books have been devoted to exposing what ain t so about mental illness and psychiatry here szasz applies the same skeptical spirit to the larger problem of people knowing much that ain t so about addiction szasz observes if a person ingests a drug prohibited by legislators and claims that it makes him feel better that proves he is an addict if he ingests a drug prescribed by a psychiatrist and claims that it makes him feel better that proves that mental illness is a biomedical disease about beauty beauty is in the eye of the beholder ugliness is in the personality of the beholden about libertarians libertarians regard liberty as contingent on the right to property scientists regard disease as contingent on pathological alteration of the body all libertarians reject the notion of socialist liberty yet many accept the notion of mental disease or about power many of my critics say i am hostile to medicine and physicians they are wrong i am hostile only to the power of the medical profession and of physicians szasz notes that despite enormous social pressure for a shared perspective on how the world works and how we ought to live every person saunde

## ***Smoking Privileges 2015-01-31***

current public health literature suggests that the mentally ill may represent as much as half of the smokers in america in smoking privileges laura d hirshbein highlights the complex problem of mentally ill smokers placing it in the context of changes in psychiatry in the tobacco and pharmaceutical industries and in the experience of mental illness over the last century hirshbein a medical historian and clinical psychiatrist first shows how cigarettes functioned in the old system of psychiatric care revealing that mental health providers long ago noted the important role of cigarettes within treatment settings and the strong attachment of many mentally ill individuals to their cigarettes hirshbein also relates how as the sale of cigarettes dwindled the tobacco industry quietly researched alternative markets including those who smoked for psychological reasons ultimately discovering connections between mental states and smoking and the addictive properties of nicotine however smoking privileges warns that to see smoking among the mentally ill only in terms of addiction misses how this behavior fits into the broader context of their lives cigarettes not only helped structure their relationships with other people but also have been important objects of attachment indeed even after psychiatric hospitals belatedly instituted smoking bans in the late twentieth century smoking remained an integral part of life for many seriously ill patients with implications not only for public health but for the ongoing treatment of psychiatric disorders making matters worse well meaning tobacco control policies have had the unintended consequence of further stigmatizing the mentally ill a groundbreaking look at a little known public health problem smoking privileges illuminates the intersection of smoking and mental illness and offers a new perspective on public policy regarding cigarettes

## ***Waking in Havana 2019-11-12***

in 1972 when she was a young divorced single mother restless and idealistic elena schwolsky made a decision that changed her life leaving her eighteen month old son with his father she joined hundreds of other young americans on a work brigade in cuba they spent their days building cinderblock houses for workers and their nights partying and debating politics the cuban revolution was young and so were they at a moment of transition in schwolsky s life cuba represented hope and the power to change twenty years later she is drawn back to this forbidden island yearning to move out of grief following the death of her husband from aids and feeling burned out after spending ten years as a nurse on the frontlines of the epidemic back in cuba she experiences the chaotic bustle of a havana most americans never see a city frozen in time yet constantly changing she takes readers along with her through her humorous attempts to communicate in a new language and navigate this very different culture through the leafy tranquility of the controversial aids sanitorium and into the lives of the resilient opinionated and passionate cubans

who become her family and help her to heal

## **Psychiatry, Mental Institutions, and the Mad in Apartheid South Africa 2012**

this book is an examination of south african mental institutions and policy from 1939 1994 it examines how racial gender and sexual discrimination affected practitioners views and practices and also reveals the role that patients and international events played in shaping mental health policy

## **Szasz Under Fire 2015-11-05**

since he published the myth of mental illness in 1961 professor of psychiatry thomas szasz has been the scourge of the psychiatric establishment in dozens of books and articles he has argued passionately and knowledgeably against compulsory commitment of the mentally ill against the war on drugs against the insanity defense in criminal trials against the diseasing of voluntary human practices such as addiction and homosexual behavior against the drugging of schoolchildren with ritalin and for the right to suicide most controversial of all has been his denial that mental illness is a literal disease treatable by medical practitioners in szasz under fire psychologists psychiatrists and other leading experts who disagree with szasz on specific issues explain the reasons with no holds barred and szasz replies cogently and pungently to each of them topics debated include the nature of mental illness the right to suicide the insanity defense the use and abuse of drugs and the responsibilities of psychiatrists and therapists these exchanges are preceded by szasz s autobiography and followed by a bibliography of his works

## **The Battle for Room 314 2016-02-09**

in this insightfully honest and moving memoir about the realities of teaching in an inner city school ed boland smashes the dangerous myth of the hero teacher and shows us how high the stakes are for our most vulnerable students piper kerman author of orange is the new black in a fit of idealism ed boland left a twenty year career as a non profit executive to teach in a tough new york city public high school but his hopes quickly collided headlong with the appalling reality of his students lives and a hobbled education system unable to help them freddy runs a drug ring for his incarcerated brother nee cole is homeschooled on the subway by her brilliant homeless mother byron s ivy league dream is dashed because he is undocumented in the end boland isn t hoisted on his students shoulders and no one passes up anything this

is no urban fairy tale of at risk kids saved by a hollywood hero but a searing indictment of schools that claim to be progressive but still fail their students told with compassion humor and a keen eye boland s story is sure to ignite debate about the future of american education and attempts to reform it

## **DIRT 2009-01-21**

this is a collection to which everyone can relate a multidimensional look at the universal challenge of keeping our stuff our dwellings and our personal space clean and uncluttered how we feel about keeping house speaks volumes about who we are our roots relationships and our outlook on life

## **Writing Life Stories 2008-06-17**

even if you don t happen to be a celebrity this book will teach you methods for striking publishing gold conceptualizing selling and marketing a memoir while dealing with the complicated emotions that arise during the creation of your work if you ve ever been told that you should really write a book and you ve decided to give it a try this book is for you it hones in on the three key measures necessary for aspiring authors to conceptualize sell and market their memoirs written especially for those who don t happen to be celebrities you should really write a book reveals why and how so many relatively unknown memoirists are making a name for themselves with references to more than four hundred books and six memoir categories this is essential reading for anyone wanting to write a commercially viable memoir in today s vastly changing publishing industry the days are long gone when editors and agents were willing to take on a manuscript simply because it was based on a good idea or even because it was well written with eyes focused on the bottom line they now look for skilled and creative authors with an established audience too brooks and richardson use the latest social networking marketing and promotional trends and explain how to conceptualize and strategize campaigns that cause buzz dramatically fueling word of mouth and attracting attention in the publishing world and beyond full of current examples and in depth analysis this guide explains what sells and why teaches writers to think like publishers and offers guidance on dealing with complicated emotions essential tools for maximizing memoir success

## ***You Should Really Write a Book 2012-08-21***

i m so glad you re here is the story of a family disrupted by ramifications of a father s mental illness the memoir opens with a riveting account of gay age eighteen witnessing her father being bound in a straitjacket and carried out of the house on a stretcher the trauma she experiences escalates when after her father has had electroshock treatments at a state mental hospital her parents leave her in a college dorm room and move from massachusetts to florida without her she feels abandoned both her parents have gone missing decades later when gay and her three much older siblings show up for their father s funeral she witnesses her sundered family s inability to gather together eventually she is diagnosed with ptsd of abandonment and treated with emdr therapy and finally begins to heal poignant and powerful i m so glad you re here is gay s exploration of the idea that while the wounds we carry from growing up in fractured families stay with us they do not have to control us a reflective journey that will inspire readers to think about their own relational lives

## ***I'm So Glad You're Here 2020-05-26***

linda i meyers was twenty eight and the mother of three little boys when her mother after a lifetime of threats killed herself staggered by conflicting feelings of relief and remorse linda believed that the best way to give meaning to her mother s death was to make changes to her own life bolstered by the women s movement of the seventies she left her marriage went to college started a successful family acting business and established a fulfilling career written with irony and humor and sprinkled with yiddish the tell is one woman s inspirational story of before and after and ultimately of emancipation and purpose

## **The Tell 2018-06-05**

ýwriting for blissýis most fundamentally about reflection truth and freedom with techniques and prompts for both the seasoned and novice writer it will lead you to tap into your creativity through storytelling and poetry examine how life changing experiences can inspire writing pursue self examination and self discovery through the written word and understand how published writers have been transformed by writing poet and memoirist raab lust credits her lifelong love of writing and its therapeutic effects with inspiring her to write this thoughtful and detailed primer that targets pretty much anyone interested in writing a memoir most compelling here is raab s willingness to share her intimate stories e g the loss of a relative ongoing struggles with cancer a difficult relationship with her mother her revelations are encouraging to writers who feel they need permission to take a voyage of self discovery the book s seven step plan includes plenty of guidance including on learning to read like a writer and on addressing

readers as if seated across the table raab covers big topics such as the art and power of storytelling and small details such as choosing pens and notebooks that you enjoy using she also helps readers with the important step of finding your form publisher s weekly writing for blissÿis about the profound ways in which we may be transformed in and through the act of writing i am grateful to diana raab for sharing it and i trust that you will feel the same as you read on may you savor the journey from the foreword by mark freeman phd by listening to ourselves and being aware of what we are saying and feeling the true story of our life s past experience is revealed diana raab s book gives us the insights by which we can achieve this through her life coaching wisdom and our writing bernie siegel md author ofÿthe art of healing only a talented writer who has fought hard to overcome life s many obstacles could take her readers by the hand and lead them through the writing process with such enormous compassion amazing insight and kindness diana raab is a powerful wise intelligent guide well worth our following james brown author ofÿthe los angeles diariesÿandÿthe river writing for blissÿis far more than a how to manual it enlightens the creative process with wisdom and a delightful sense of adventure bravo to bliss linda gray sexton author ofÿsearching for mercy street my journey back to my mother anne sexton uniquely blending inspiring insights with practical advice diana guides you on a path to discover the story that is truly inside you and yearning to be told patrick sweeney coauthor of the new york times bestsellerÿsucceed on your own terms diana raab phd is an award winning memoirist poet blogger workshop facilitator thought provoker and survivor she s the author of eight books and over one thousand articles and poems she lives in southern california learn more at dianaraab com

## ***Writing for Bliss 2017-09-01***

as the child of children of immigrants louise desalvo was at first reluctant to write about her truths her abusive father her sister s suicide her illness in this stunning collection of her captivating and frank essays on her life and her italian american culture louise desalvo centers on her beginnings reframing and revising her acclaimed memoiristic essays pieces that were the seeds of longer collections to reveal her true power as a memoirist the ability to dig ever deeper for personal and political truths that illuminate what it means to be a woman a second generation american a writer and a scholar each essay is driven by a complex inquiry that examines the personal familial social ethnic and historical dimensions of identity collectively they constitute a story significantly different from desalvo s memoirs when they first published where the starkness of their meaning became blunted by material surrounding them desalvo has also restored material written and then deleted experiences she was too reticent to reveal before in writing about her sister s suicide her husband s adultery her own sexual assault the essays also include new material to shift the ballast of an essay as her life has changed significantly through the years the house of early sorrows is a courageous exploration not only of the desalvo s family life and times but also of our own

## **Poets & Writers 2004**

mental illness stigma is rooted in a perceived lack of agency but stigma itself undermines agency while most philosophical accounts of the matter are concerned with the question of how much agency a person with mental illness has this book asks how we can enhance the agency of people with mental illness humanizing mental illness explains and explores these connections arguing that all of us can and should adjust our social practices to enhance the agency of people with mental illness this agency is complicated and nuanced as it is often directly constrained due to a person's symptoms and indirectly constrained due to stigma abigail gosselin both a scholar in the field of social philosophy and a person with a psychiatric disability illustrates the importance of social interaction for developing and exercising agency by overcoming mental illness stigma and by adopting certain epistemic and moral virtues we can interact with people who have mental illness in ways that help enhance their agency and enable them to flourish humanizing mental illness demonstrates that we need to challenge our explicit and implicit biases and learn to interact with mental illness in more intentional supportive and inclusive ways

## **The House of Early Sorrows 2018-04-03**
