The Speaker of the House of Representatives

1896

throughout america s history the house has played a central role in shaping the nation s destiny in this incomparable single volume history distinguished historian robert v remini traces the institution from a struggling nascent body to the venerable powerhouse it has become since america s rise on the world stage the essential drama of democracy the struggle between principle and pragmatism is showcased throughout the book and through it the history of america s successful experiment with democracy unfurls

The House

2007-10-02

the third book in the fundamentals of american government civics series explores the inner workings of this important part of the legislative branch as with selecting a president and the u s senate this book is written for all audiences but voiced toward high school seniors and college freshmen or any citizen interested in a concise yet authoritative exploration of this representative entity written by former social policy analyst and political writer matthew spieler this compelling and digestible book carefully examines and explains exactly how the house of representatives operates from its voting procedure to historic beginnings and modern day issues there is no area of this governmental body left un revealed

History of the United States House of Representatives

1965

this report discusses the three roles of the speaker of the house of representatives who is widely viewed as symbolizing the power and authority of the house the speaker s most prominent role is that of presiding officer of the house the speaker also serves as leader of the majority party conference the speaker s third distinct role is that of an elected member of the house
