Pacemaker United States History Classroom Resource Binder Fourth Edition 2004 2003-07-15 the federal bureau of investigation was an agency devoted to american ideals professionalism and scientific methods directed by a sage and selfless leader and anyone who said otherwise was a no good subversive bent on discrediting the american way of life that was the official story and how j edgar hoover made it stick running roughshod over those same american ideals is the story this book tells in full for the first time from hoover s first tentative media contacts in the 1930s to the bureau s eponymous television series in the 1960s and 1970s fbi officials labored mightily to control the bureau s image efforts that put

them not so squarely at the forefront of the emerging field of public relations in the face of any journalistic challenges to the fbi s legitimacy and operations hoover was able to create a benign even heroic counter narrative thanks in part to his friends in newsrooms matthew cecil s own prodigious investigation through hundreds of thousands of pages from fbi files reveals the lengths to which hoover and his lackeys went to use the press to hoodwink the american people even more sobering is how much help he got from so many in the press conservative journalists like broadcaster fulton lewis jr and columnist george sokolsky positioned themselves as objective defenders of hoover s fbi and were rewarded with access friendship and other favors some of hoover s friends even became adjunct fbi agents designated as special service contacts who discreetly gathered information for the bureau enemies on the other hand were closely monitored and subjected to operations that disrupted their work or even undermined and ended their careers noted journalists like i f stone george selde james a wechsler and many others found themselves the subjects of fbi investigations and occasionally named on the bureau s custodial detention index targeted for arrest in the case of a national emergency with experience as a political reporter a press secretary and a scholar and professor of journalism and public relations matthew cecil is uniquely qualified to conduct us through the maze of political intrigue and influence peddling that mark and often mask the history of the fbi his work serves as a cautionary tale about how manipulative government agents and compliant journalists can undermine the very institutions and ideals they are tasked with protecting

Hoover's FBI and the Fourth Estate 2014-02-25 contains the reports of state departments and officials for the preceding fiscal biennium

The History and Development of the Fourth Amendment to the United States Constitution 1970 on july 18 1863 the african american soldiers of the fifty fourth massachusetts infantry led a courageous but ill fated charge on fort wagner a key bastion guarding charleston harbor confederate defenders killed wounded or made prisoners of half the regiment only hours later the body of colonel robert gould shaw the regiment s white commander was thrown into a mass grave with those of twenty of his men the assault promoted the young colonel to the higher rank of martyr ranking him alongside the legendary john brown in the eyes of abolitionists in this biography of shaw russell duncan presents a poignant portrait of an average young soldier just past the cusp of manhood and still struggling against his mother s indomitable will thrust unexpectedly into the national limelight using information gleaned from shaw s letters home before and during the war duncan tells the story of the rebellious son of wealthy boston abolitionists who never fully reconciled his own racial prejudices yet went on to head the north s first black regiment and give his life to the cause of freedom this thorough biography looks at shaw from historical and psychological viewpoints and examines the complex family relationships that so strongly influenced him
