## The Sky Is Everywhere

2010-03-09

Jandy Nelson's beloved critically adored debut is now an Apple TV and A24 original film starring Jason Segel, Cherry Jones, Grace Kaufman, and Jacques Colimon. Both a profound meditation on loss and grieving and an exhilarating and very sexy romance, NPR adrift after her sister Bailey's sudden death, Lennie finds herself torn between quiet seductive Toby, Bailey's boyfriend who shares Lennie's grief, and Joe, the new boy in town who bursts with life and musical genius. Each offers Lennie something she desperately needs: one boy helps her remember, the other lets her forget, and she knows if the two of them collide, her whole world will explode. As much a laugh-out-loud celebration of love as a nuanced and poignant portrait of loss, Lennie's struggle to sort her own melody out of the noise around her makes for an always honest, often uproarious, and absolutely unforgettable read.

## I'll Give You the Sun [and] The Sky is Everywhere

2016

YA General Fiction Children's Teenage Jandy Nelson's two top-selling novels in one slipcase. I'll Give You the Sun: Jude and her twin Noah were incredibly close until a tragedy drove them apart, and now they are barely speaking. Then Jude meets a cocky, broken, beautiful boy, as well as a captivating new mentor, both of whom may just need her as much as she needs them. What the twins don't realize is that each of them has only half the story, and if they can just find their way back to one another, they have a chance to remake their world. The Sky is Everywhere: Seventeen-year-old Lennie Walker spends her time tucked safely and happily in the shadow of her fiery older sister Bailey, but when Bailey dies abruptly, Lennie is catapulted to center stage of her own life, and despite her nonexistent history with boys, suddenly finds herself struggling to balance two Toby

was bailey s boyfriend his grief mirrors lennie s own joe is the new boy in town with a nearly magical grin ages 13

a rabbi once told me that the right place to start reading the bible was in the book of psalms it s an interesting thought isn t it you might think to begin at the beginning or to first learn the historical story or attempt to understand its high theology so why the psalms because the psalms operate out of relationship and that s where your walk with god begins and continues it s also wonderful to us to consider that the psalms were the prayer book of jesus he knew its songs intimately and in fact he quotes the book of psalms more than any other book the reason is that jesus lived in a warm and constant relationship with father god such as i can barely imagine but we want to imagine it more we desire to live it it s a life of happy trust of constant awareness and confident expectation this little book is split into thirty short chapters with the idea of spending a month reading some of the psalms and seeking that relationship with the father that jesus enjoyed
