set includes revised editions of some president s report financial report registers announcement material etc winner of the best football book at the british sports book awards and shortlisted for the william hill sports book of the year 2009 written with warmth and understanding the book for which african football has been crying out fourfourtwo featuring a new foreword by the author feet of the chameleon has been newly released in digital format to coincide with 29th african cup of nations in january 2013 a comprehensive study of african football ian hawkey traces the development of the world s favourite sport through the tangled history and complex social and political life of this fascinating continent drawing on a range of sources including interviews conducted with individuals involved in all levels of the african game his own extensive experience and years of research ian hawkey international football correspondent for the sunday times has crafted a unique and remarkable book to satisfy the surge of interest in african football engagingly written and comprehensively researched drawing on a range of accounts from those at grass roots level through to the very top tiers of african football feet of the chameleon is a compelling mixture of analysis and insight that delves deep into the history of the game in a continent fragmented by history language and politics ian hawkey is a meticulous and knowledgeable guide to this complex subject and he has produced a timely and entertaining study of african football s colourful history players supporters and legends set includes revised editions of some issues a rich and riveting portrait of the man behind gulliver s travels by a vivid ardent and engaging new york times book review author one of europe s most important literary figures jonathan swift was also an inspired humorist a beloved companion and a conscientious anglican minister as well as a hoaxer and a teller of tales his anger against abuses of power would produce the most famous satires of the english language gulliver s travels as well as the drapier papers and the unparalleled modest proposal in which he imagined the poor of ireland farming their infants for the tables of wealthy colonists john stubbs s biography captures the dirt and beauty of a world that swift both scorned and sought to amend it follows swift through his many battles for and against authority and in his many contradictions as a priest who sought to uphold the dogma of his church as a man who was quite prepared to defy convention not least in his unshakable attachment to an unmarried woman his stella and as a writer whose vision showed that no single creed holds all the answers impeccably researched and beautifully told in jonathan swift stubbs has found the perfect subject for this masterfully told biography of a reluctant rebel a voice of withering disenchantment unrivaled in english in its 114th year billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends first published between 1962 and 1983 this three volume set is an extensive and detailed biography of swift s life based on a wealth of primary sources in each volume swift s life is set against the public events of the age to provide a thorough insight into the social economic political and religious context in which he lived close readings are also made of many of his works including a tale of a tub the battle of books and gulliver s travels popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle this is a guide to rails a relatively homogeneous family of birds spread throughout the world barry taylor and ber van perlo have described and illustrated 145 species of rails including two that are newly described and also ten that are recently extinct and two that are almost certainly extinct the book based on up to date references and on new observations is the first to give comprehensive information on field identification including voice covering all species and races for which details are known it is also the first to provide descriptions of the immature and juvenile plumages of many species the authors provide a detailed summary of current knowledge of all aspects of rail biology and their often complex behaviour social structure and family life they explain how such apparently poorly flying birds can undertake intercontinental migrations and are such widespread and successful colonists of remote oceanic islands they also discuss the remarkable ease and speed with which species on such islands have evolved into flightless forms in the absence of predators a fact that has led to the rapid extinction of numerous island taxa following the arrival of man rail habitats are fast disappearing say the authors and many rails become endangered before enough is known about them to plan effective conservation measures the book provides information on distribution status habitat requirements and current threats and it gives conservation priorities for threatened species
