Join pastor and bestselling author Kyle Idleman as he illustrates a clear path away from the heartache of our twenty-first century idolatry and back to the heart of God, enabling us to be completely committed followers of Jesus. What do Netflix, our desire for the corner office, and that perfect picture we just posted on Instagram have to do with each other? None of these things are wrong in and of themselves, but when we begin to allow entertainment, success, or social media to control us, we miss out on the joy of God's rule in our hearts. In *Gods at War*, Kyle Idleman helps every believer recognize that there are false gods at war within each of us, and they battle for the place of glory and control in our lives. According to Idleman, idolatry isn't an issue; it is the issue, and he reveals which false gods we are allowing on the throne of our lives by asking insightful questions: including what do you sacrifice for? What makes you mad? What do you worry about? Whose applause do you long for? We're all wired for worship, but we often end up valuing and honoring the idols of money, sex, food, romance, success, and many others that keep us from the intimate relationship with God that we desire. In this updated and expanded edition of *Gods at War*, Idleman adds a new introduction as well as new content about the battle many of us face with technology: whether we are tempted to send just one more text, stay online when our bodies need rest, or put email before in-person relationships, teaching us how to seek God with our whole heart. Instead, praise for *Gods at War* today's false gods are more tempting than ever as they promise comfort, wealth, and happiness. Kyle Idleman equips us to kill the deceitful pests that harass our hearts. Get ready for battle! Mark Batterson, pastor, national community church, and bestselling author of *The Circle Maker*, don't just read this book; read it now. Kyle's words will dig deep to expose the false gods that drive us away from the real one. In these pages, liberation awaits. Lee Strobel, bestselling author of *The Case for Christ* and *The Case for Faith*, when you are worn out, when you feel discouraged, when you think you don't have what it takes, what is the one thing that Jesus wants you to never forget? When your way isn't working, equips you to discover authentic connection to God and others so you are free to live the life you long for. In some of his final words to his closest friends, Jesus didn't suggest a five-year plan for success or a checklist of things to do; instead, he offered a metaphor about what the good life really looks like: "I am the vine, you are the branches; abide in me." In other words, no matter what happens next, the most important thing is to stay connected to me. In *When Your Way Isn't Working*, pastor and bestselling author Kyle Idleman offers a unique exploration of John 15 for all of us who are going through the motions and feel frustrated. Idleman reminds us that it's connection, not production, that leads to a fruitful life: relationships, not circumstances, that bring joy. He offers his distinctive biblical perspective on how to find greater rest, depth, and connection in your life: embrace freedom from the pressures of performance and production; recognize what you can't do makes room for what God can do; step out of isolation, even when it feels scary; discover the top distractions that keep you from connecting to God and how to counter them. In the end, the fruit of your life won't have to do with what you accomplished but with whom you stayed connected because no matter what happens next in this uncertain world, what matters most lasts the longest and brings the greatest joy: staying connected to the God who never leaves you. We need to recover a truth that has been all but lost in modern-day Christianity: it has been buried for too long, and it is too

valuable to be forgotten this life changing truth is that the heart is the key to everything in the christian life the heart is the wellspring of all our actions emotions motives and character everything we are everything we say and everything we do flows directly from the heart in the heart the key to everything in the christian life believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of christ in a fallen world the heart is the key to our service and obedience to the father the heart is the key to the purity and depth of our worship praise and love of god it is time the christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of christ within us in knowing el kanna our jealous god renowned author charles simpson explores the lesser known name of god el kanna translated as the jealous god while the notion of jealousy is often associated with sin simpson reveals how god s jealousy over his people can be a righteous and transformative force drawing from biblical teachings simpson unravels the connection between idol worship and the jealousy of god he highlights how idolatry which extends beyond physical objects to encompass desires that supersede our devotion to god grieves his heart as the new testament expands the definition of idolatry to include covetousness simpson empowers readers to identify and overcome the idols that hinder their relationship with the almighty knowing el kanna not only exposes the idols in our lives but also provides practical guidance on how to free ourselves from their grip once and for all with a deeply personal touch simpson parallels his own journey of overcoming idols with the nation of israel s historical struggles taking readers on a transformative exploration from genesis through revelation rooted in the timeless truths of god s word this book offers hope and encouragement to those seeking to align their lives with his heart by viewing their lives through the lens of scripture readers will discover the freedom and fulfillment that come from a life liberated from idols if you are yearning to become a person after god s own heart and are willing to embark on a life changing journey knowing el kanna our jealous god is an invaluable resource prepare to be inspired challenged and equipped to walk an idol free path experiencing the fullness of a restored relationship with the one who loves you unconditionally leading prophetic voice reveals new insight on defeating an ancient evil according to leading prophetic voice jennifer leclair the subversive jezebel spirit continues to deceive many she shows with keen biblical insight that jezebel does much more than most believers thought and that it s time to expose the deceit and defeat the spirit s insidious work by pulling back the curtain on this seducing principality leclair picks up where other books on jezebel leave off she demonstrates biblically not only that the jezebel spirit uses control as a weapon but that it is a mastermind of immorality and outright idolatry she also gives spiritual warriors the real world strategies needed for defeating this dark spirit in the lives of god s people gain victory over the spiritual forces of the deep what are water spirits everyday people are feeling the effects of unseen evil forces and yet they dont know whats attacking them let alone how to have victory while many spiritual warriors are familiar with principalities and powers like jezebel and witchcraft few have heard of marine demons also called water spirits these powers wreak havoc in places near bodies of water from python to leviathan to triton to rahab and beyond spiritual warriors are feeling the effects of water spirits but often dont know how to combat these evil forces bestselling author jennifer leclair provides a revolutionary guidebook on how to prophetically recognize these spirits and engage in victorious warfare against them this book will identify each water spirit equipping believers to overcome them be prepared to recognize the symptoms of the spirit of python and learn to break free from its squeezing stronghold detect the twisted lies of a leviathan spirit in your life and in contemporary culture overcome the spirit of rahab that attempts to prevent you from crossing over into your new season unleash the power of holy spirit and partner with him to change spiritual climates in

Join pastor and bestselling author Kyle Idleman as he illustrates a clear path away from the heartache of our twenty-first century idolatry and back to the heart of God, enabling us to be completely committed followers of Jesus. What do Netflix, our desire for the corner office, and that perfect picture we just posted on Instagram have to do with each other? None of these things are wrong in and of themselves, but when we begin to allow entertainment, success, or social media to control us, we miss out on the joy of God's rule in our hearts. In *Gods at War*, Idleman helps every believer recognize that there are false gods at war within each of us, and they battle for the place of glory and control in our lives. According to Idleman, idolatry isn't an issue; it is the issue, and he reveals which false gods we are allowing on the throne of our lives by asking insightful questions: including what do you sacrifice for? What makes you mad? What do you worry about? Whose applause do you long for? We're all wired for worship, but we often end up valuing and honoring the idols of money, sex, food, romance, success, and many others that keep us from the intimate relationship with God that we desire. In this updated and expanded edition of *Gods at War*, Idleman adds a new introduction as well as new content about the battle many of us face with technology: whether we are tempted to send just one more text, stay online when our bodies need rest, or put email before in-person relationships, teaching us how to seek God with our whole heart. Instead, praise for *Gods at War*: today's false gods are more tempting than ever as they promise comfort, wealth, and happiness. Kyle Idleman equips us to kill the deceitful pests that harass our hearts. Get ready for battle. Mark Batterson, pastor, National Community Church, and bestselling author of *The Circle Maker*, don't just read this book; read it now. Kyle's words will dig deep to expose the false gods that drive us away from the real one. In these pages, liberation awaits. Lee Strobel, bestselling author of *The Case for Christ* and *The Case for Faith*.

When Your Way Isn't Working

2023-06-06

When you are worn out, when you feel discouraged, when you think you don't have what it takes, what is the one thing that Jesus wants you to never forget? When your way isn't working, equips you to discover authentic connection to God and others so you are free to live the life you long for. In some of His final words to His closest friends, Jesus didn't suggest a five-year plan for success or a checklist of things to do. Instead, He offered a metaphor about what the good life really looks like: I am the vine, you are the branches, abide in me. In other words, no matter what happens next, the most important thing is to stay connected to Me. In *When Your Way Isn't Working*, pastor and bestselling author Kyle Idleman offers a unique exploration of John 15 for all of us who are going through the motions and feel frustrated. Idleman reminds us that it's connection, not production, that leads to a fruitful life: relationships, not circumstances, that bring joy. He offers his distinctive biblical perspective on how to find greater rest, depth, and connection in your life: embrace freedom from the pressures of performance and production; recognize what you can't do, makes room for what God can do; step out of isolation, even when it feels scary; discover the top distractions that keep you from connecting to God and how to counter them. In the end, the fruit of your life won't have to do with what you

accomplished but with whom you stayed connected because no matter what happens next in this uncertain world what matters most lasts the longest and brings the greatest joy is staying connected to the god who never leaves you

now a new york times bestseller america is at war the fight against global jihad has cost 7 000 american lives and almost 2 trillion and yet most americans do not understand what is at stake the public lacks knowledge and safety because two presidents and their administrations neglected the most basic strategic question who is the enemy presidents bush and obama both named the global jihadi movement a movement with an intent to destroy the west violent extremism their tidy term was an attempt to maintain peace with the muslim community but

when they failed to appropriately name the enemy they failed to fully understand islamic extremism this failure is why the u s has been in afghanistan for sixteen years with no end in sight but this war is eminently winnable if we remove our ideological blinders accurately name our enemy and draw up a strategy to defeat the ideas that inspire terrorism so says dr sebastian gorka one of the most experienced and sought after authorities on counterterrorism dr gorka has been one of the intelligence community s go to experts on counterterrorism since 9 11 he s been called to brief congress and the marine corps and was asked to analyze the patriot s day boston marathon bombing for the us government dr gorka s report for the trial of dzhokhar jahar tsarnaev was widely circulated in counterterrorism circles and the media because it accurately painted a picture not of a teenager on the cover of rolling stone but of a terrorist dr gorka is respected by peers because he understands our enemy is not terror or violent extremism our enemy is the global jihadi movement a modern totalitarian ideology rooted in the doctrines and martial history of islam whose goals are to build an empire suppress false muslims and engage in guerilla warfare against infidels taking his cue from the formerly top secret analyses that shaped the u s response to the communist threat dr gorka has produced a compelling profile of the jihadi movement its mind and motivation and a plan to defeat it

the evil god challenge is one of the most popular topics in contemporary philosophy of religion in this landmark text jack symes offers the most detailed examination of the challenge to date exploring the nature of god through the leading schools of philosophical theology symes

argues that it is significantly more reasonable to attribute goodness to god than evil drawing from a breadth of ground breaking material in metaphysics ethics aesthetics and epistemology symes claims to defeat the evil god challenge on behalf of traditional theism is it any more reasonable to believe in a good god than an evil god not according to proponents of the evil god challenge after all the world contains a significant amount of good and evil for which either god could be held responsible however if belief in both gods is equally as reasonable then religious believers are unjustified in favouring one hypothesis over the other therefore in order to defend their faith theists must respond to the evil god challenge the question of what justifies belief in good god over evil god

buddhism introduced many hindu gods and goddesses to the japanese the rulers were the first to be attracted to them historical records show that they earnestly believed in the miracles of these divinities promised in the sutras many miracle stories started appearing in popular literature as the divinities percolated down to the masses the resulting naturalisation process in the case of some divinities went to the extent that they became an integral part of the native shinto pantheon their popularity remains unabated even today the tantric buddhist sects also played a vital role in propagating the divinities they regularly worshipped the divinities in their temples where people thronged in large numbers many steps in these ceremonies for instance the homa ritual are very familiar to the present day hindus the monks

have also produced a considerable volume of religious literature related to these divinities descriptions of many divinities show that they have not changed substantially over centuries a study of these writings also shows that a large volume of hindu myths and legends related to these deities were transmitted to japan these writings are also a testimony to the way the ancestors of the present day hindus thought about these deities say around the eighth or ninth century of the christian era

idol is about a brilliant schizophrenic serial killer steven wently whose sensational murders of famous false idols receive universal publicity and public support wently imagines that the cumulative weight of revelations of crimes committed by false idols after their deaths will destroy humankind s faith in its heroes he further reasons that such exposures will cast

shadows over legitimacy of promises of man's immortality made by religious heroes like Christ, Hindu deities, and Muhammad. The result of civilization's loss of faith in its heroes and immortality will cause the collapse of civilization. Wently believes he uses his wife's enormous wealth and her family's vast network of contacts to identify famous false heroes and create extensive dossiers of their crimes. As his alter ego, Idol, Wently tries and executes these pretenders, thereby destroying their mythical reputations before they die. His victims are varied: a prime candidate to replace the pope, a U.S. senator, a famous composer, a highly successful investment banker, a Supreme Court justice, a former U.S. president, a United Nations secretary general, etc. Over time, Wently builds an extensive organization to carry out his exterminations, a movement that becomes known as Idolism. Idolism attracts worldwide acclaim of millions, confounding government. Government, fearing that Idolism is unstoppable, takes steps to eliminate it. Led by an utterly evil, maniacal assassin, Idol, like Budd's most recent thriller, *Life Support*, is an exciting amalgam of inventive plotting, extraordinary characters, spellbinding terror, and edgy wit, and blurs lines between good and evil.
