os how to audio ho
your speakers whether it s a single wireless speaker or a multi
channel home theater setup the way you position your speakers can
have a big impact on how how to set up your system to create
an optimal sound system enabled with dolby atmos first familiarize
yourself with the role and position of each speaker then choose a
central seating point and angle your speakers at it keeping them at
your ear height when you are seated unless noted otherwise 5 1 4
dolby atmos enabled speakers 2022 3 31 presuming you re
not really doing anything but plugging them in and waiting during
task one above the most time you ll spend getting your system to
sound right will be with positioning take your time here small
differences in position can make big differences to speakers sonic
balance
