Beijing Coma 2013-07-31 republished on the 30th anniversary of the tiananmen massacre with a new afterword from the author and a new cover by ai weiwei beijing coma is ma jian s masterpiece spiked with dark wit poetic beauty and deep rage it takes the life and near death of one young student to create a dazzling and excoriating novel about contemporary china monumental guardian a landmark work of fiction daily telegraph a modern literary masterpiece sunday express dai wei lies in his bedroom a prisoner in his body after he was shot in the head at the tiananmen square protest ten years earlier and left in a coma as his mother tends to him and his friends bring news of their lives in an almost unrecognisable china dai wei escapes into his memories weaving together the events that took him from his harsh childhood in the last years of the cultural revolution to his student days at beijing university as the minute by minute chronicling of the lead up to his shooting becomes ever more intense the reader is caught in a gripping emotional journey where the boundaries between life and death are increasingly blurred beijing coma is one of the finest and most important novels to have been written in this century chris patten

Beijing Coma 2009-05-07 dai wei is a medical student and a pro democracy protestor in tiananmen square in june 1989 caught by a soldier s bullet he falls into a deep coma as soon as the hospital authorities discover he is an activist his mother is forced to take him home she allows pharmacists access to dai wei s body and sells his urine and his left kidney to fund special treatment from master yao a member of the outlawed falun gong sect but during a government crackdown the master is arrested and dai wei s mother who has fallen in love with him loses her mind the millennium draws near and dai wei has been in a coma for almost a decade a sparrow flies through the window and lands on his naked chest it is a sign that dai wei must emerge from his dry cocoon but china has also undergone a massive transformation in the time that he has been absent as he prepares to take leave of his old metal bed dai wei realises that the rich imaginative world afforded to him as a coma patient is a startling contrast with the death in life of the world outside

Beijing coma 2009 4 juin 1989 des milliers d étudiants occupent depuis un mois la place tian anmen et parmi eux dai wei une blessure par balle le plonge dans un coma profond son corps devient sa prison mais son âme se souvient son père dissident qui revient des camps ses premières amours contrariées l éveil de sa conscience politique au delà d une critique sans équivalent de la dictature chinoise beijing coma ramène chacun à ses angoisses et désirs les plus intimes et révèle les conséquences personnelles d une lutte pour la liberté

Pekín en coma 2011-10-20 la esperada novela sobre la historia reciente de china una obre que desafía al olvido y al gobierno chino dai wei está en coma desde hace una década dai wei estudiante chino de medicina recibió un balazo en la cabeza cuando se manifestaba en la plaza tiananmen en junio de 1989 tan pronto como las autoridades del hospital averiguaron que era un activista contra el régimen comunista obligaron a su madre a llevárselo a casa y allí se encuentra desde entonces atrapado en su propio cuerpo pero capaz de entender lo que sucede a su alrededor y de recordar la memoria es lo que le salvará del destierro espiritual dai wei rememora la historia de su padre un violinista que sufrió las atrocidades cometidas

such as salman rushdie and anita desai they also critically reflect on work by nadeem aslam mai couto romesh gunesekara bei dao and ma jian this book was originally published as a special issue of textual practice

Drugs for the mind 2015-08-14 in the eyes of the chinese authorities books are too often drugs for the mind sofie sun 1986 chose this remarkable description as the title of her investigation into censorship and literature in the people s republic of china she interviewed representatives of three groups of authors who each have their own view about censorship writers with no official status living and working in the people s republic of china writers in exile and those who are members of the chinese writers association by telling the stories about these writers she sketches a portrayal of censorship and self censorship in the people s republic of china sofie sun was born in the people s republic of china and came to the netherlands in 2007 where she has lived ever since she holds a ba and an ma in dutch literature from leiden university she has translated a range of dutch titles into chinese she will soon complete and defend her doctoral dissertation dutch literature in chinese translation 1961 2010 a publication of the eva tas foundation the eva tas foundation encourages publication and promotion of texts that are no matter where and no matter how subject to censorship

The Dark Road 2014-05-20 meili a young peasant woman born in the remote heart of china is married to kongzi a village school teacher and a distant descendant of confucius they have a daughter but desperate for a son to carry on his illustrious family line kongzi gets meili pregnant again without waiting for official permission when family planning officers storm the village to arrest violators of the population control policy mother father and daughter escape to the yangtze river and begin a fugitive life for years they drift south through the poisoned waterways and ruined landscapes of china picking up work as they go along scavenging for necessities and flying from police detection as meili s body continues to be invaded by her husband and assaulted by the state she fights to regain control of her fate and that of her unborn child

Tiananmen Fictions outside the Square 2012-05-04 an exciting analysis of the myriad literary effects of tiananmen belinda kong s tiananmen fictions outside the square is the first full length study of fictions related to the 1989 movement and massacre more than any other episode in recent world history tiananmen has brought a distinctly politicized chinese literary diaspora into stark relief kong redefines tiananmen s meaning from an event that ended in local political failure to one that succeeded in producing a vital dimension of contemporary transnational writing today she spotlights key writers gao xingjian ha jin annie wang and ma jian who have written and published about the massacre from abroad their outsider distanced perspectives inform their work and reveal how diaspora writers continually reimagine tiananmen s relevance to the post 1989 world at large compelling us to think about how chinese culture identity and politics are being defined in the diaspora tiananmen fictions outside the square candidly addresses issues of political exile historical trauma global capital and state biopower

A Great Clamour 2014-09-01 full of unexpected ideas and fresh insights a great clamour is an extraordinary account of contemporary asia from one

of our finest essayists journeying through china tibet mongolia taiwan indonesia malaysia and japan mishra explores the contradictions and dynamism of modern day china simultaneously drawing a vivid portrait of its neighbours and the shadow the restless giant casts over its stage

Pequim em coma 2009 o estudante de biologia dai wei foi atingido por um tiro na cabeça durante o massacre da praça da paz celestial em 4 junho de 1989 em coma há uma década o corpo se tornou sua prisão mas ele pode ouvir tudo o que acontece ao redor os esforços da mãe para mantê-lo com vida a ação do governo para suprimir toda a memória da tragédia o envolvimento de seus amigos com o capitalismo frenético chinês

El camino oscuro 2014-02-13 la nueva novela de uno de los autores chinos más reconocidos en la actualidad el camino oscuro narra la historia de meili una mujer china embarazada a punto de sufrir las consecuencias de la política de un solo hijo del país para evitarlo se fuga con su marido y su hija por el río ma jian retrata a lo largo de este viaje la situación de la mujer en china la habilidad narrativa de ma jian se pone al servicio de un relato que podría complementar a su anterior obra pekín en coma comparada con archipiélago gulag de solzhenitsyn

Reading the 21st Century 2012 the state of the world books and reading

Rain Taxi Review of Books 2008 meili a young peasant woman born in the remote heart of china is married to kongzi a village school teacher and a distant descendant of confucius they have a daughter but desperate for a son to carry on his illustrious family line kongzi gets meili pregnant again without waiting for official permission when family planning officers storm the village to arrest violators of the population control policy mother father and daughter escape to the yangtze river and begin a fugitive life for years they drift south through the poisoned waterways and ruined landscapes of china picking up work as they go along scavenging for necessities and flying from police detection as meili's body continues to be invaded by her husband and assaulted by the state she fights to regain control of her fate and that of her unborn child

The Dark Road 2014 this much needed guide to translated literature offers readers the opportunity to hear from learn about and perhaps better understand our shrinking world from the perspective of insiders from many cultures and traditions in a globalized world knowledge about non north american societies and cultures is a must contemporary world fiction a guide to literature in translation provides an overview of the tremendous range and scope of translated world fiction available in english in so doing it will help readers get a sense of the vast world beyond north america that is conveyed by fiction titles from dozens of countries and language traditions within the guide approximately 1 000 contemporary non english language fiction titles are fully annotated and thousands of others are listed organization is primarily by language as language often reflects cultural cohesion better than national borders or geographies but also by country and culture in addition to contemporary titles each chapter features a brief overview of earlier translated fiction from the group the guide also provides in depth bibliographic essays for each chapter that will enable librarians and library users to further explore the literature of numerous languages and cultural traditions

The Rough Guide to Beijing 2013-10-31                                   

The Dark Road 2006-10-18 From one of world literature s most courageous voices a novel about the human cost of china s one child policy through the lens of one rural family on the run from its reach far away from the chinese economic miracle from the bright lights of beijing and shanghai is a vast rural hinterland where life goes on much as it has for generations with one extraordinary difference normal parents are permitted by the state to have only a single child the dark road is the story of one such normal family meili a young peasant woman her husband kongzi a village schoolteacher and their daughter nannan kongzi is according to family myth a direct lineal descendant of confucius and he is haunted by the imperative to carry on the family name by having a son and so meili becomes pregnant again without state permission and when local family

planning officials launch a new wave of crackdowns the family makes the radical decision to leave its village and set out on a small rickety houseboat down the yangtze river theirs is a dark road and tragedy awaits them and horror but also the fierce beauty born of courageous resistance to injustice and inhumanity the dark road is a haunting and indelible portrait of the tragedies befalling women and families at the hands of china s one child policy and of the human spirit s capacity to endure even the most brutal cruelty while ma jian wrote the dark road he traveled through the rural backwaters of southwestern china to see how the state enforced the one child policy far from the outside world s prying eyes he met local women who had been seized from their homes and forced to undergo abortions or sterilization in the policy s name and on the yangtze river he lived among fugitive couples who had gone on the run so they could have more children that most fundamental of human rights like all of ma jian s novels the dark road is also a celebration of the life force of the often comically stubborn resilience of man s most basic instincts

The Dark Road 2013-06-13 despite beijing s repeated assurance that china s rise will be peaceful the united states japan and the european union as well as many of china s asian neighbours feel uneasy about the rise of china although china s rise could be seen as inevitable it remains uncertain as to how a politically and economically powerful china will behave and how it will conduct its relations with the outside world one major problem with understanding china s international relations is that western concepts of international relations only partially explain china s approach china s own flourishing indigeneous community of international relations scholars have borrowed many concepts from the west but their application has not been entirely successful so the work of conceptualizing and theorizing china s approach to international relations remains incomplete written by some of the foremost scholars in the field of china studies this book focuses on the work of wang gungwu one of the most influential scholars writing on international relations including topics such as empire nation state nationalism state ideology and the chinese view of world order besides honouring wang gungwu as a great scholar the book explores how china can be integrated more fully into international relations studies and theories discusses the extent to which existing ir theory succeeds or fails to explain chinese ir behaviour and demonstrates how the study of chinese experiences can enrich the ir field

China and International Relations 2010-09-13 foundational theories of epistemic justice such as miranda fricker s have cited literary narratives to support their case but why have those narratives in particular provided the resource that was needed and is cultural production always supportive of epistemic justice this essay collection written by experts in literary philosophical and cultural studies working in conversation with each other across a range of global contexts expands the emerging field of epistemic injustice studies the essays analyze the complex relationship between narrative aesthetics and epistemic in justice referencing texts film and other forms of cultural production the authors present without seeking to synthesize perspectives on how justice and injustice are narratively and aesthetically produced this volume by no means wants to say

the last word on epistemic justice and creative agency the intention is to open out a productive new field of study at a time when understanding the workings of injustice and possibilities for justice seems an ever more urgent project

Epistemic Justice and Creative Agency 2022-09-12 the international world of states and their modern system is a literary realm writes charles hill in this powerful work on the practice of international relations it is where the greatest issues of the human condition are played out a distinguished lifelong diplomat and educator hill aims to revive the ancient tradition of statecraft as practiced by humane and broadly educated men and women through lucid and compelling discussions of classic literary works from homer to rushdie grand strategies represents a merger of literature and international relations inspired by the conviction that a grand strategist needs to be immersed in classic texts from sun tzu to thucydides to george kennan to gain real world experience through internships in the realms of statecraft and to bring this learning and experience to bear on contemporary issues this fascinating and engaging introduction to the basic concepts of the international order not only defines what it is to build a civil society through diplomacy justice and lawful governance but also describes how these ideas emerge from and reflect human nature

Prospect 2008 employing a range of approaches to examine how monster talk pervades not only popular culture but also public policy through film and other media this book is a one stop shop of sorts for students and instructors employing various approaches and media in the study of teratologies or discourses of the monstrous

Speaking of Monsters 2012-07-16 i jumped at the chance to shepherd this collection this was personal for me in the past when i had prepared to teach courses on political leadership i had come up with a dearth of recent scholarly attention to the topic perhaps my perspective on politics and

leadership exacerbated the difficulty of my search i had in mind a politics that touched all aspects of power and authority in our lives not just government encouraged the moral imagination and affirmed human agency that could make the future better than the present i searched with limited success for material that would explain how all of us shape and are shaped by politics my perspective on leadership may have also hindered my search i had in mind the simple notion of taking initiative on behalf of shared values i found too little material about leadership that extended beyond the spectacle of authority and its assumption of hierarchy i wanted to explain that each of us regardless of our place in a hierarchy has a calling to lead to act on behalf of our moral imagination editing this volume permitted me the chance to develop the material i sought i as well as other teachers no longer have a shortage of material relating politics and leadership with each other from the introduction

The Value of Art (New, expanded edition) 2022-11-02 utopia and utopianism in the contemporary chinese context texts ideas spaces decisively demonstrates the extent to which utopianism has shaped political thought cultural imaginaries and social engagement after it was introduced into the chinese context in the nineteenth century in fact pursuit of utopia has often led to action such as the chinese revolution and the umbrella movement and contested consequences covering a time span that goes from the late qing to our days the authors show that few ideas have been as influencing as utopia which has compellingly shaped the imaginaries that underpin china s historical change utopianism contributed to the formation of the chinese state itself shaping the thought of key figures of the late qing and early republican eras such as kang youwei and sun yat sen and outlived the labyrinthine debates of the second half of the twentieth century both under mao s rule and during the post socialist era even in the current times of dystopian narratives a period in which utopia seems to be less influential than in the past its manifestations persistently provide lifelines against fatalism or cynicism this collection shows how profoundly utopian ideas have nurtured both the thought of crucial figures during these historical times the new generation of mainland chinese and sinophone intellectuals and the hopes of twenty first century hong kong activists wang leung and zhang s collection is a timely contribution to utopian studies built on consistent coherent boundary crossing approaches interdisciplinary in its very sense the essays bring intellectual history literary studies philosophy and political theories together in dialogue of particular note are the essays that situate hong kong in a literary tradition that connects china hong kong and the beyond mingwei song wellesley college utopia and utopianism in the contemporary chinese context is an impressive intellectual undertaking the essays are highly engaging and offer powerful multi faceted approaches to utopianism in contemporary chinese thought and practice stimulating and informative the book as a whole addresses the dynamic interplay between the utopian and dystopian thereby inspiring clarity in political thought and action in the present moment robin visser university of north carolina at chapel hill

Political and Civic Leadership 2010-09-14 this book offers an interdisciplinary analysis of complex issues constructs and interventions that deal with human social problems with global implications it posits social development theory and practice in a critically important context challenging the

scientific orthodoxy of our times

Utopia and Utopianism in the Contemporary Chinese Context 2020-04-05 this timely volume takes stock of the discipline of comparative literature and its theory and practice from a canadian perspective it engages with the most pressing critical issues at the intersection of comparative literature and other areas of inquiry in the context of scholarship pedagogy and academic publishing bilingualism and multilingualism indigeneity multiple canons literary and other the relationship between print culture and other media the development of information studies concerted efforts in digitization and the future of the production and dissemination of knowledge the authors offer an analysis of the current state of canadian comparative literature with a dual focus on the issues of multilingualism in canada s sociopolitical and cultural context and canada s geographical location within the americas it also discusses ways in which contemporary technology is influencing the way that canadian literature is taught produced and disseminated and how this affects its readings

Development, Poverty of Culture, and Social Policy 2011-02-14 what has contemporary china inherited from its revolutionary past how do the realities and memories aesthetics and practices of the mao era still reverberate in the post mao cultural landscape the essays in this volume propose red legacies as a new critical framework from which to examine the profusion of cultural productions and afterlives of the communist revolution in order to understand china s continuities and transformations from socialism to postsocialism organized into five parts red foundations red icons red classics red bodies and red shadows the book s interdisciplinary contributions focus on visual and performing arts literature and film language and thought architecture museums and memorials mediating at once unfulfilled ideals and unmourned ghosts across generations red cultural legacies suggest both inheritance and debt and can be mobilized to support as well as to critique the status quo

Comparative Literature in Canada 2019-11-05 when nations decide to disown their troubled pasts how does this strategic disavowal harden into social fact in negative exposures margaret hillenbrand investigates the erasure of key aspects of such momentous events as the nanjing massacre the cultural revolution and the tiananmen square protests from the chinese historical consciousness not due to amnesia or censorship but through the operations of public secrecy knowing what not to know she argues has many stakeholders willing and otherwise who keep quiet to protect themselves or their families out of shame pragmatism or the palliative effects of silence hillenbrand shows how secrecy works as a powerful structuring force in chinese society one hiding in plain sight and identifies aesthetic artifacts that serve as modes of reckoning against this phenomenon she analyses the proliferation of photo forms remediations of well known photographs of troubling historical events rendered in such media as paint celluloid fabric digital imagery and tattoos as imaginative spaces in which the shadows of secrecy are provocatively outlined

Red Legacies in China 2020-10-26 finalist for the 2015 helen bernstein book award for excellence in journalism longlisted for the lionel gelber award for the best non fiction book in the world on foreign affairs an economist book of the year 2014 a new york times book review editor s

choice one of the best analyses of the impact of tiananmen throughout china in the years since 1989 the new york times book review on june 4 1989 people's liberation army soldiers opened fire on unarmed civilians in beijing killing untold hundreds of people a quarter century later this defining event remains buried in china's modern history successfully expunged from collective memory in the people's republic of amnesia louisa lim charts how the events of june 4th changed china and how china changed the events of june 4th by rewriting its own history lim reveals new details about those fateful days including how one of the country's most senior politicians lost a family member to an army bullet as well as the inside story of the young soldiers sent to clear tiananmen square she also introduces us to individuals whose lives were transformed by the events of tiananmen square such as a founder of the tiananmen mothers whose son was shot by martial law troops and one of the most important government officials in the country who post tiananmen became one of its most prominent dissidents and she examines how june 4th shaped china's national identity fostering a generation of young nationalists who know little and care less about 1989 for the first time lim uncovers the details of a brutal crackdown in a second chinese city that until now has been a near perfect case study in the state's ability to rewrite history excising the most painful episodes by tracking down eyewitnesses discovering us diplomatic cables and combing through official chinese records lim offers the first account of a story that has remained untold for a quarter of a century the people's republic of amnesia is an original powerfully gripping and ultimately unforgettable book about a national tragedy and an unhealed wound

Negative Exposures 2020-03-06 this wide ranging companion provides a vital overview of modern chinese literature in different geopolitical areas from the 1840s to now it reviews major accomplishments of chinese literary scholarship published in chinese and english and brings attention to previously neglected important areas offers the most thorough and concise coverage of modern chinese literature to date drawing attention to previously neglected areas such as late qing sinophone and ethnic minority literature several chapters explore literature in relation to sinophone geopolitics regional culture urban culture visual culture print media and new media the introduction and two chapters furnish overviews of the institutional development of modern chinese literature in chinese and english scholarship since the mid twentieth century contributions from leading literary scholars in mainland china and hong kong add their voices to international scholarship

The People's Republic of Amnesia 2014-05-05 modern western musical thought tends to represent music as a thing a pattern a structure even an organism than as a human practice music encounter togetherness focusses on music as something people do as a mode of encounter between individuals and cultures and as an agent of interpersonal and social togetherness it presents music as a utopian dimension of everyday life

A Companion to Modern Chinese Literature 2015-08-07 china's reemergence as a global economic powerhouse has compressed into a single generation an industrial and urban revolution on a scale the world has never seen its transformation looks to many foreigners and to millions of newly prosperous chinese like a near miraculous escape from the agonies of its recent history late imperial warlord republican and maoist the

great merit of jonathan fenby s vivid account of the years since 1850 is to underline how heavily that history still weighs on the present rosemary
righter the times
