connecting past and present this book proposes the concepts of rememory rememoria and counterpoetics as decolonial tools for studying the art popular culture literature music and healing practices of central america and the diaspora in the united states building on the theory of rememory articulated in toni morrison s beloved the volume examines the concept as an embodied experience of a sensory place and time lived in the here and now by employing a wide array of sources alma s research breaks ground in subject matter and methods considering cultural and historical ties across countries regions and traditions while offering critical perspectives on topics such as immigration forced assimilation maternal love gender violence community arts and decolonization

The Human Edge 2024-03-19

from the moment captain america punched hitler in the jaw comic books have always been political and whether it is marvel s chairman ike perlmutter making a campaign contribution to donald trump in 2016 or marvel s character howard the duck running for president during america s bicentennial in 1976 the politics of comics have overlapped with the politics of campaigns and governance pop culture opens avenues for people to declare their participation in a collective project and helps them to shape their understandings of civic responsibility leadership communal history and present concerns politics in the gutters american politicians and elections in comic book media opens with an examination of campaign comic books used by the likes of herbert hoover and harry s truman follows the rise of political counterculture comix of the 1960s and continues on to the graphic novel version of the 9 11 report and the cottage industry of sarah palin comics it ends with a consideration of comparisons to donald trump as a supervillain and a look at comics connections to the pandemic and protests that marked the 2020 election year more than just escapist entertainment comics offer a popular yet complicated vision of the american political tableau politics in the gutters considers the political myths moments and mimeses in comic books from nonfiction to science fiction superhero to supernatural serious to satirical golden age to present day to consider how they represent re present underpin and or undermine ideas and ideals about american electoral politics

Central American Counterpoetics 2021-06-28

called by her contemporaries the tenth muse sor juana inés de la cruz 1648 1695 has continued to stir both popular and scholarly imaginations while generations of mexican schoolchildren have memorized her satirical verses only since the 1970s has her writing received consistent scholarly attention focused on complexities of female authorship in the political religious and intellectual context of colonial new spain this volume examines those areas of scholarship that illuminate her work including her status as an iconic figure in latin american and baroque letters popular culture in mexico and the united states and feminism by addressing the multiple frameworks through which to read her work this research guide serves as a useful resource for scholars and students of the baroque in europe and latin america colonial novohispanic religious institutions and women s and gender studies the chapters are distributed across four sections that deal broadly with different aspects of sor juana s life and work institutional contexts political economic religious intellectual and legal reception history literary genres and directions for future research each section is designed to provide the reader with a clear understanding of the current state of the research on those topics and the academic debates within each field

Politics in the Gutters 2017-04-28

from face the nation moderator and contributing editor for the atlantic john dickerson come the stories behind the stories of the most memorable moments in american presidential campaign history the stakes are high the characters full of striving and ego presidential campaigns are a contest for control of power in the most powerful country on earth the battle of ideas has a clear end with winners and losers and along the way there are sharp turning points primaries debates conventions and scandals that squeeze candidates into emergency action frantic grasping and heroic gambles as mike murphy the political strategist put it campaigns are like war without bullets whistlestop tells the human story of nervous gambits hatched in first floor hotel rooms failures of will before the microphone and the cross country crack ups of long planned stratagems at the bar at the end of a campaign day these are the stories reporters rehash for themselves and embellish for newcomers in addition to the familiar tales whistlestop also remembers the forgotten stories about the bruising and reckless campaigns of the nineteenth century when the combatants believed the consequences included the fate of the republic itself some of the most modern feeling elements of the american presidential campaign were born before the roads were paved and electric lights lit the convention halls or there were convention halls at all whistlestop is a ride through the american campaign history with one of its most enthusiastic conductors guiding you through the landmarks along the way

The Routledge Research Companion to the Works of Sor Juana Inés de la Cruz 2016-08-02

this book provides an exegetical theological rhetorical paradigm the christ oriented approach lk 24 27 44 that facilitates accuracy effectiveness and practicality in preaching the new testament use of the old in providing a practical expository model and sermon preparation evaluation principles this work moves beyond the level of theory into the realm of praxis and will thus appeal to practitioners as well as to academics

Whistlestop 2020-07-24

american crusades details evangelical pursuits to unite god s purposes with american empires it argues that religious motivations contributed heavily to united states governmental policies and built sacred spaces in many attempts to influence american society these embedded ambitions form the core of americanism yet somehow remain hidden right in front of our eyes in the action of caretaking they advanced their understanding of god s demand on their lives and purposes evangelical and theologically conservative americans linked the sacred and secular shaping the ethos of the american people the terminology of religious thinking quickly sacralized concepts like democracy and capitalism in an attempt to control and use them once packaged as a sacred space in need of custody religious leadership sought to fulfill its kingdom responsibility and secure its future eventually a combination of religiously defined secular components coalesced into the term known simply as americanism building on the success of the new nation and supporting the causes of americanism throughout the world has imprinted a uniquely evangelical construct into the domestic and foreign policy structures of the united states the shifting landscape of american culture drove evangelicalism into the margins in the 1970s while most scholars think that the decline of religious conservatism in culture meant that secularization controlled foreign policy as well this is not true removed from the whims of domestic politics protestant evangelical patterns of action have resisted change in american foreign policy structures over time however the movement lost its faith distinctives while embedding religious principles in foundations of u s foreign policy this book seeks to produce a reorganized narrative through a critical synthesis to locate white evangelicals quest to be the foundational voice in america s shaping ideological lineage

Christ-Oriented Expository Preaching: 2018-11-15

george orwell said the most effective way to destroy people is to deny and obliterate their own understanding of their history liberals understand that they win victories today by distorting the record of our past for all their devotion to the merits of tradition conservatives think a great victory such as the confirmation of clarence thomas is the end of the battle liberals never concede the historical record and neither should those who believe in limited government free enterprise and individual liberty in history s greatest libels steve byas takes the battle to the left challenging head on their politicized distortions of the past

American Crusades 2015-08-31

Fanaticus 2016-01-15

tasty jesus deals with key cultural philosophical and theological representations of christ that find expression in the north american church each of these respective cameos of christ has colored the christological understanding of many believers in the local assembly we live in a society deeply embedded in a mindless individualism that is more concerned with a malleable christ that suits their present taste than the jesus of both the bible and historic christian orthodoxy this book is at once a critique a call and a consideration it is a critique of particular visions of jesus that are embraced by specific subcultures philosophical camps and theological perspectives it is a call to the local church both its attendees and leadership intended to awaken them to the problems with these various portraits in hope of stirring them to respond appropriately it is a consideration of the primary ideological counterpoints to each view of jesus and a postulation of the best manner in which to equip believers in the local assembly to respond to each distortion of jesus and live under the lordship of the real christ it is time to get jesus out from under the tyranny of our personal tastes

□□□□□□□□□□ **2013-10-28**

drawing on debates from a multi disciplinary perspective this book examines what it means to offer a genuine sociological critique of religious faith illiberalism and anti secularism from a macro perspective arguing that as a discipline concerned with real issues in the social world sociology should be at the forefront of any analysis of religious power and legitimacy the author contends that much religious faith is fundamentally incompatible with any twenty first century society that seeks inclusive utilitarian and humanistic principles as its goals with an emphasis on sociology the effects of organised religion s overall decline in modern western contexts are explored while the troubling re emergence or persistence of faith based and other non evidentiary perspectives is also discussed via debates around identity politics postmodernism and multiculturalism through an analysis of the rise of irrational thinking in our politics and our entire social and cultural fabric the book moves to conclude that religious beliefs and other forms of dogmatism are underpinned by powerful influential and potentially dangerous ideological structures at various levels of society and that viable secular alternatives to faith teachings ought to be nurtured in their place a critique of religion that advances modern secular humanistic thought truth claims in a post truth world will appeal to scholars of sociology social theory and philosophy with interests in religion political thought ethics and civil society

Tasty Jesus 2023-08-18

ministry makeover examines the decline within the church especially the united methodist church umc and some causes for this decline it calls for a reforming of united methodist structure and polity by drawing more attention to the value of the bi vocational model of ministry and a re visitation of the wesleyan united brethren view and historical perspective this book establishes a solid theological foundation upon which to build this shift and it goes a step beyond typical ecclesiology the study of the church to identify trinitarian theology as the basis for the practice of the church in turn this text reveals bi vocational ministry and support of new congregations as not only a viable option but also arguably the model towards which the church is heading these insights will transform the church and lead to more effective church ministry with respect to resources structure and reach in a post christendom world context picardo uses embrace church lexington ky as a case study and incorporates his experiences into this text in order to show how these implications have played out in a true bi vocational church plant context

Truth Claims in a Post-Truth World 2015-02-16

in response to challenges from the emerging world this book brings together essays that discuss and exemplify various related approaches to academic faith integration and explore how christian faith should underpin scaffold and frame our understanding of academic disciplines leading to practical implications for work or action in modern society and culture written by christian scholars and practitioners from diverse backgrounds including the usa the uk australia china hong kong south korea and the philippines the contributions here all contribute a global perspective while addressing some specific issue or case in the context of asia they represent ingenious endeavors that illustrate the workings of a faith integrated approach in domains as wide as higher education business science psychology and counseling politics environment media social services leadership research and technology this volume will inform and inspire the reader into cross cultural and inter disciplinary studies particularly of religion education culture society and worldview

Ministry Makeover 2018-10-31

the graphic novel is the most exciting literary format to emerge in the past thirty years among its more inspired uses has been the superlative adaptation of literary classics unlike the comic book abridgments aimed at young readers of an earlier era today s graphic novel adaptations are created for an adult audience and capture the subtleties of sophisticated written works this first ever collection of essays focusing on graphic novel adaptations of various literary classics demonstrates how graphic narrative offers new ways of understanding the classics including the works of homer poe flaubert conrad and kafka among many others

Christian Mind in the Emerging World 2015-05-13

this open access book examines the political structures and processes that frame and produce understandings of diversity in and through music education recent surges in nationalist fundamentalist protectionist and separatist tendencies highlight the imperative for music education to extend beyond nominal policy agendas or wholly celebratory diversity discourses bringing together high level theorisation of the ways in which music education upholds or unsettles understandings of society and empirical analyses of the complex situations that arise when negotiating diversity in practice the chapters in this volume explore the politics of inquiry in research examine music teachers navigations of the shifting political landscapes of society and state extend conceptualisations of diversity in music education beyond familiar boundaries and critically consider the implications of diversity for music education leadership diversity is thus not approached as a label applied to certain individuals or musical

repertoires but as socially organized difference produced and manifest in various ways as part of everyday relations and interactions this compelling collection serves as an invitation to ongoing reflexive inquiry to deliberate the politics of diversity in a fast changing and pluralist world and together work towards more informed and ethically sound understandings of how diversity in music education policy practice and research is framed and conditioned both locally and globally

Drawn from the Classics 2021-03-19

moral injury is now recognized as a growing major problem for military men and women operant conditioning can overwhelm moral convictions and yet the question of whether to shoot or not to shoot often will never have a settled answer certain theories and treatment models about mi have been well developed but too often overlook root issues of religious faith the authors propose a new model for understanding moral injury and suggest ways to mitigate its virtually inevitable occurrence in pre combat training and ways to resolve mi post trauma with proven spiritual resources people outside the military too among whom the incidence of mi also is a growing threat will benefit from this analysis the stories of the injured their shaping and their telling are the key and there are many illumining stories of moral injury and recovery those who suffer mi their families and caregivers including counselors pastors and faith communities will find hope giving first steps toward the healing of mi in this book

The Politics of Diversity in Music Education 2017-10-26

primo levi 1919 1987 was an italian chemist writer and holocaust survivor who used a combination of testimony essays and creative writing to explore crucial themes related to the shoah his voice is among the most important to emerge from this dark chapter in human history in primo levi and the identity of a survivor nancy harrowitz examines the complex role that levi s jewish identity played in his choices of how to portray his survival as well as in his exposition of topics such as bystander complicity her analysis uncovers a survivor s shame that deeply influenced the personas he created to recount his experiences exploring a range of levi s works including survival at auschwitz and lesser known works of fiction and poetry she illustrates key issues within his development as a writer at the heart of levi s discourse harrowitz argues lies a complex interplay of narrative modes that reveals his brilliance as a theorist of testimony

Care for the Sorrowing Soul 2016-01-01

this book tells the stories of twenty five women from the dawn of civilization to the present day who bent the arc of history by what they did at the defining moment in their lives at this critical juncture they had a choice taking the safe or least risky option or challenging the status quo they wielded the sword seized political power or challenged societal norms and laws and transformed society contrary to all cultural dictates some women were virtual saints others were more ruthless than any man of their age one even instituted the first police state in history these women all faced enormous odds the social norms of their time were so pervasive and insular that every touchpoint in society bullied them as social media bullies women today especially those who dare to be different not for difference s sake but to make a difference in their brief time on this planet to the woman they responded to challenges setbacks and disappointments by redoubling their efforts we can learn from and be inspired by their lives and their grit and their mistakes to read their stories is to see ourselves anew

Primo Levi and the Identity of a Survivor 2024-03-12

nbc s hannibal only lasted for three seasons but became a critical darling and quickly inspired a ravenous fanbase bryan fuller s adaptation of hannibal lecter s adventures created a new set of fans and a cult audience through its stunning visuals playful characters and mythical tableaux of violence that doubled as works of art the show became a nexus point for viewers that explored consumption queerness beauty crime and the meaning of love through a lens of blood and gore much like the show this collection is a love letter to america s favorite cannibal celebrating the multiple ways that hannibal expanded the mythology food culture fandom artistic achievements and religious symbolism of the work of thomas harris primarily focusing on hannibal this book combines interviews and academic essays that examine the franchise its evolution creatively bold risks and the art of creating a tv show that consumed the hearts and minds of its audience

Warrior, Queen, Scientist, Activist 2021-02-16

the lives of women changed immeasurably during the twentieth century not just because of technological and economic advances but as a result of a multiplicity of small and large local national and international political campaigns by women the activities of the edwardian suffrage campaigns are the most well known example of this but in less well known political struggles women fought with equal tenacity sacrifice and inventiveness to demand for example equal pay analgesics for women and

childbirth an end to virginity testing at airports or wages for housework this book focuses on 15 such campaigns and the thousands of women who sought to influence decision making exercise and challenge power in the twentieth century these political activities were sometimes small scale and short lived or seemingly unsuccessful but together they helped to bring about immeasurable changes in women s lives during the twentieth century with limited financial resources and hefty domestic responsibilities women have often chosen to pick their political battles very carefully some fought for workers rights or the right to education some prioritised stopping male violence on the streets in the home or between nations others like radcliffe hall campaigned so women could define their own sexuality women organised self help childcare rape crisis centres and peace camps they set up birth control clinics and women s refuges ordinary women took on exploitive landlords immigration officers international companies local councils the media and successive governments a few of the hundreds of thousands of these political women like maggie wintringham and nancy astor were mps others became local councillors however women s access to traditional areas of political power was limited even when britain had its first woman prime minister in 1979 she was one of only 19 women mps in parliament consequently women sought other spheres of activity through which to fight for change using all the resources and imagination at their disposal to challenge injustice and abuse they employed deeds and words petitions and protests legal and illegal devices peaceful and violent strategies to further their political aims their motivations and contributions were varied many made sacrifices to be involved in political battles but this book seeks to celebrate some of these unsung heroines who tried to make a difference

Hannibal for Dinner 2024-05-02

there are more than 40 million enslaved people in the world today this is overwhelming a number so large leaves us asking what could i even do to help in his book vulnerable rethinking human trafficking raleigh sadler president and founder of let my people go makes the case that anyone can fight human trafficking by focusing on those who are most often targeted this book invites the reader to understand their role in the problem of human trafficking but more importantly their role in the solution human trafficking can be defined as the exploitation of vulnerability for commercial gain using the power of story and candid interviews sadler seeks to discover how ordinary people can fight human trafficking by recognizing vulnerability and entering in as vulnerable people we can empower other vulnerable people because christ was made vulnerable for us

security smarts for the self guided it professional get to know the hackers or plan on getting hacked sullivan and liu have created a savvy essentials based approach to web app security packed with immediately applicable tools for any information security practitioner sharpening his or her tools or just starting out ryan mcgeehan security manager facebook inc secure web applications from today s most devious hackers application security a beginner s guide helps you stock your security toolkit prevent common hacks and defend quickly against malicious attacks this practical resource includes chapters on authentication authorization and session management along with browser database and file security all supported by true stories from industry you ll also get best practices for vulnerability detection and secure development as well as a chapter that covers essential security fundamentals this book s templates checklists and examples are designed to help you get started right away application security a beginner s guide features lingo common security terms defined so that you re in the know on the job imho frank and relevant opinions based on the authors years of industry experience budget note tips for getting security technologies and processes into your organization s budget in actual practice exceptions to the rules of security explained in real world contexts your plan customizable checklists you can use on the job now into action tips on how why and when to apply new skills and techniques at work

The Godwink Effect 2011-12-06

as american television continues to garner considerable esteem rivalling the seventh art in its cinematic aesthetics and the complexity of its narratives one aspect of its development has been relatively unexamined while film has long acknowledged its tendency to adapt an ability that contributed to its status as narrative art capable of translating canonical texts onto the screen television adaptations have seemingly been relegated to the miniseries or classic serial from remakes and reboots to transmedia storytelling loose adaptations or adaptations which last but a single episode the recycling of pre existing narrative is a practice that is just as common in television as in film and this text seeks to rectify that oversight examining series from m a s h to game of thrones pride and prejudice to castle
