In Hindsight, What Really Happened: The Revised Edition 2013-10-15

dear readers when i wrote what really happened i was still very raw from the firestorm that my life had become due to my unwise decision to have an affair with john edwards a married man i realize now what i have never admitted before i behaved badly that may strike you as obvious but it s taken me a long time to admit this even to myself i was attacked so often and so viciously that i felt that i was the victim i felt hurt and betrayed and somehow that justified my actions but of course all of the attacks and all of the betrayal were beside the point the point is i behaved badly and the release of what really happened didn t help when i look back at this book that i wrote i want to throw it out and start again but instead of attempting to erase my mistakes i am now owning them i ve annotated the original book typos have been corrected but not a word has been changed not even words that cause me to cringe when i reread them instead i have put notes throughout notes that acknowledge what i couldn t when i wrote the book best rielle
