freedom can almost be embarrassing how could i
have never seen it you ll ask the way of nothing
nothing in the way explores the obstacles that
stop you from reaching your highest desires

concepts you have that seem real yet they vanish
with insight into the way it is a wonderful
surprise to discover that there has always been
nothing in the way of what you want best of all
there is really nothing to it

Dutch Calvinistic Pietism in the Middle Colonies 2012-12-06

the word pietism usually conjures up a host of ambivalent impressions it has seemed to me increasingly clear that many of the strengths of pietism have been swept aside by reactions against the excesses of the movement to properly assess the structures of pietism it is important to comprehend its matrix and to understand its exponents in preparing this study therefore i have sought to recapture something of the person of theodorus jacobus frelinghuysen as well as the gist of his thought something of his environment as well as the institutions of his day to achieve this i have traveled many by paths and knocked on many doors but the past has not always yielded its secrets much is lost forever hagen in westphalia frelinghuysen's birthplace is now a modern city and only in a few isolated particulars is it reminiscent of hagen in 1693 in the nearby village of schwerte however the ancestral church of his forebears remains as it was nearly three hundred years ago the gymnasium he attended in hamm was destroyed in the bombings of world war ii though the library he used during his study at lingen is still largely intact in the tiny east frisian village of loegumer voorwerk frelinghuysen's first
