in divine timing understanding god s perfect plan for your life readers are invited to explore the profound concept of god s timing and its impact on our daily lives this insightful book delves into the often overlooked truth that god s timing though mysterious is always perfect through a series of engaging narratives and biblical references the author illuminates the significance of aligning ourselves with god s timeline rather than our own drawing from everyday examples such as the patience required in cooking a meal to perfection the book makes the abstract concept of divine timing tangible and relatable it challenges the reader to consider how impatience and a desire for immediate gratification can lead us astray using the analogy of a bus stop to illustrate how rushing ahead or lagging behind can disrupt god s plan for us divine timing also tackles the difficulties of waiting and the struggle to trust in god s plan especially when his schedule doesn t align with our expectations it provides a fresh perspective on waiting periods as not just idle time but as opportunities for growth and preparation for what s to come the book culminates in a powerful reflection on the biblical story of jesus and jerusalem serving as a stark reminder of the consequences of missing our appointed time with god it emphasizes the importance of being receptive and responsive to god s

The Revelation of the Tree of Life: the Theology of Divine Perfection 2010-01-18

about the book last call is written with a voice that is spiritually uplifting engaging and interestingly informative both for its personal perspective and its informational content as it challenges you with the most important question that all christians need to answer honestly do you have a love relationship with god jesus or do you have an affair a relationship demands constant change and work to keep it going well and to grow in all areas while an affair is only at certain times and thrives only on gifts and highs an affair is temporal only certain times sundays while a relationship is all the time and in your face if it is alive at all an affair is secretive and is based on seduction while a relationship is open and based on truth and love i'm convinced that god certainly demands a relationship and will turn down an affair an affair will just not make it the book's genre is not that of another end time manual but rather a spiritual exploration of how the christian should live it is prophetic in the sense that it calls christians and unsaved people to come to jesus and live a new radical life by comparing the differences of today's church versus the first century church and how those differences affect christians today it will change your entire way of thinking and challenge your approach to life a vibration in your spirit and soul will bring you face to face with the truth of how and why you were created last call is an engaging inspirational book based on the teachings of jesus that will shake the foundation of today's church and expose the emptiness and nakedness of the persuasive and eloquent message of prosperity that today's preachers love to teach us from a covenant that is obsolete and been replaced this popular false doctrine tickles the ears of many and changes the focus of our hearts from the kingdom and god to desiring worldly treasures it has left the body of christ with a disease diagnosed as worldly possession syndrome and it's highly contagious to those who don't spend time meditating and studying god's word the only known cure is a close relationship with god the sole purpose of this book is to inspire encourage and motivate you to renew or fall in love with jesus christ and obey his teachings looking at the message of some great preachers and mega churches we simply have to ask ourselves these questions is this representing the main themes of jesus or is this just popular motivational preaching and teaching is the message to

the church in laodicea also the message to us is jesus coming soon would jesus have done it this way at a time as this is this the radical christian life that represents christ and his kingdom are you a disciple of jesus you must decide and take a stand time s up last call

Last Call 2014-01-07

if we wish to walk in god's victory blessing love hope and glory we need to walk in his wisdom and in his will regarding his will there is no greater testimony of our desire to follow him as his children than by the prayer of asking the lord that his will be done and not ours and that will in the greek language speaks of desire purpose and intent therefore jesus instructs us to pray that the will of the heavenly father that same sovereign lord of isaiah 61 be done and we are to seek pursue and desire that god's purpose desire intent and desire for us all in this world be done and not our own regarding his wisdom we live in a time where man's wisdom prevails to such an extent that the world has now determined what is good what is real and what truth is where the truth and wisdom of man prevail at the expense of god's wisdom then corruption of mind and spirit follows we live in a time where often people have turned what was once evil into good this is why it says in the scriptures to seek wisdom for it begins with the fear of the lord for wisdom is to know what is good and what is evil and to know good from evil and once we know what is right and wrong we need to follow such a path that is wisdom the wisdom to know the way the will the path and the truth of god
