field guide will help investigators readily recognize similar manifestations in crime scenes and to apply and use such techniques appropriately in their own work anchoring himself firmly on the ever contested space of indian law and legal processes and drawing substantive support from his rich and varied experience as a law enforcement officer in the police department of tamil nadu india the author v sithannan in presenting this scholarly work has sought to fulfill the legitimate requirements of police officers advocates judicial officers social activists ngos gender activists and the general public the author s utopian ideal that no innocent person should be punished and no offender should go unpunished is the dominant message of the book for this purpose the author has given a balanced treatment of the whole problem of crime and its investigation the book contains 27 chapters and 4 annexures for example the 1st chapter deals with the origin growth and development of military and police and the succeeding chapters elaborate the structure powers and the duties of police the conduct of investigation the first information report the jurisdictional limitations of police dying declaration inquest search and seizure examination of witnesses arrest interrogation confession bail remand and counterfeit custody test identification parade taget of john wells 8 alex berenson

pardon to approver letter rogatory extradition  
burden of proof and presumptions police  
diaries final report further investigation and  
maintenance of police records the comparative  
chart given to aid the police officers to  
conclude whether death is suicidal or  
homicidal or accidental in all forms of death  
that are encountered by the police while  
conducting investigation will be of immense  
use with scientific accuracy another chart  
provided indicating the procedural steps  
starting from the collection of evidence  
through the final analysis of the whole crime  
and its commission would surely empower the  
investigating officers with fool proof methods  
of investigation a most praise worthy feature  
of the book is its detailed discussion on the  
immature juveniles who are in conflict with  
law and the crimes against children and women  
the annexure to the book is of immense use as  
a ready reckoner especially annexure i and ii  
by which a police officer may easily find  
whether a particular offence in any of the  
most frequently used special enactment is  
cognizable bailable etc the author has  
fulfilled the needs of the investigating  
officers in the epilogue by providing 47  
points which may go against the prosecution  
and therefore has given 48 tips for the  
successful prosecution of a criminal case by a  
police officer again in the spirit of agent john  
wells 8 alex
