The Indian Great Awakening

2012-06-14

this book tells the gripping story of new england s natives efforts to reshape their worlds between the 1670s and 1820 as they defended their land rights welcomed educational opportunities for their children joined local white churches during the first great awakening 1740s and over time refashioned christianity for their own purposes

Summoner's War: Awakening #1

2023-04-19

miniseries premiere civil war rages across the land of alea these armies summon magical creatures to battle each other in a seemingly never ending struggle and newly trained summoner rai has been thrust onto the front lines now rai and her companions are stranded deep within hostile territory occupied by soldiers on the ground and sky pirates in the clouds above but a cunning new bounty hunter stalks her every move and rai s skills will have to be stronger than ever to make it home alive discover new friends new foes and powerful creatures in the next chapter of the action packed summoners war saga

The Common School Awakening

2020

a statue of horace mann erected in front of the boston state house in 1863 declares him the father of the american public school system for over a century and a half most narratives about early american education have proceeded as if this epithet were true it has been etched into the general american consciousness as surely as it has been etched into the stone pedestal on which mann stands as mann looms over the boston common so he has loomed over discussions of early american schooling the common school awakening offers a new narrative about the rise of public schools in america the story begins before horace mann ever entered the scene as the first secretary of the massachusetts board of education in the first half of the nineteenth century a broad and distinctly american religious consensus emerged allowing people from across the religious spectrum to cooperate in systematizing and professionalizing america s schools all in an effort to christianize the country at the height of this movement several states introduced state sponsored teacher training colleges and concentrated government oversight of schools in offices such as the one held by mann shortly thereafter the religious consensus that had served as the foundation for this common school system disintegrated but the system itself remained the legacy not just of one man but of a whole network of reformers who put into motion a transatlantic and transdenominational religious movement the common school awakening

Coming Home

2018-12-17

by the mid twentieth century two things appeared destined for extinction in the united states the practice of home birth and the profession of midwifery in 1940 close to half of all u s births took place in the hospital and the trend was increasing by 1970 the percentage of hospital births reached an all time high of 99 4 and the obstetrician rather than the midwife assumed nearly complete control over what had become an entirely medicalized procedure then seemingly out of nowhere an explosion of new alternative organizations publications and conferences cropped up documenting a very different demographic trend by 1977 the percentage of out of hospital births had more than doubled home birth was making a comeback but why the executive director of the american college of obstetricians and gynecologists publicly noted in 1977 the rising tide of demand for home delivery describing it as an anti intellectual anti science revolt a quiet revolution spread across cities and suburbs towns and farms as individuals challenged legal institutional and medical protocols by choosing unlicensed midwives to catch their babies at home coming home analyzes the ideas values and experiences that led to this quiet revolution and its long term consequences for our understanding of birth medicine and culture who were these self proclaimed midwives and how did they learn their trade because the united states had virtually eliminated midwifery in most areas by the mid twentieth century most of them had little knowledge of or exposure to the historic practice drawing primarily on obstetrical texts trial and error and sometimes instruction from aging home birth physicians to learn their craft while their constituents were primarily drawn from the educated white middle class their model of care which ultimately drew on the wisdom and practice of a more diverse global pool of midwives had the potential to transform birth practices for all women both in and out of the hospital

Awakening the Hermit Kingdom

2009-06-01

awakening the hermit kingdom pioneer american women missionaries in korea gives a focused look at the long ignored subject the pioneer women missionaries to the hermit kingdom as the early missionaries often called korea based largely on private papers and mission reports of the missionaries the author explores the life and work of the american women missionaries in the first quarter century of the protestant mission in korea this book brings a new light to the history of protestantism in korea by revealing the identity and activities of the women missionaries as well as the level of religious and social impact made by their presence and work in korea

Real Healing, Real Awakening

2012-11-20

do you want to be free of fear confusion and suffering do you want to gain peace of mind fulfillment and empowerment
2023-06-27 3/17 branded as trouble rough riders 6 lorelei james

do you want to be able to give something positive back to this world as a part of expressing your unique potential this book is designed to help you achieve these goals and to make a real difference to your life it will do this by fundamentally changing the way you see yourself and the world around you this change will both awaken and realign your consciousness to where it is in harmony with the universal laws of consciousness the universal laws of consciousness determine the healing and enlightening of the human mind and its governing soul all that is needed is your desire to be free and a solid commitment to pursue the ideal of love as a healing and awakening force in your life love along with the limitless wisdom that it contains is right with you like your closest companion you may not know this yet you may not be able to feel it yet but you will so long as you dont give up you are on a quest to find your true self beyond what you can perhaps imagine right now just know that what you will inevitably find is beautiful beyond description no matter what in your present state of confusion you think you are at this moment the treasure of all treasures awaits you and it has your name on it real healing real awakening is forged from genuine experience and universal truth it is a guide to awakening to new more expansive levels of consciousness

Making Indian Law

2008-10-01

in 1941 a groundbreaking u s supreme court decision changed the field of indian law setting off an intellectual and legal revolution that continues to reverberate around the world this book tells for the first time the story of that case united states as guardian of the hualapai indians of arizona v santa fe pacific railroad co which ushered in a new way of writing indian history to serve the law of land claims since 1941 the hualapai case has travelled the globe wherever and whenever indigenous land claims are litigated the shadow of the hualapai case falls over the proceedings threatened by railroad claims and by an unsympathetic government in the post world war i years hualapai activists launched a campaign to save their reservation a campaign which had at its centre documenting the history of hualapai land use the book recounts how key individuals brought the case to the supreme court against great odds and highlights the central role of the indians in formulating new understandings of native people their property and their past

Rivers of Light

2019-04-04

growing up in a conservative middle class family in texas claire myers owens sought adventure and freedom at an early age at twenty years old she left home and quickly found a community of like minded free spirits and intellectuals in new york s greenwich village there owens wrote novels and short stories including the controversial novel the unpredictable adventure a comedy of woman s independence which was banned by the new york public library for its risqué content drawn to ideals of selfactualization and creative freedom owens became a key figure in the human potential movement along with founder abraham maslow and aldous huxley and became an ardent follower of carl jung in her later years owens devoted her life to the practice of zen buddhism moving to rochester ny where she joined the

zen center and studied under roshi philip kapleau she published her final book zen and the lady at the age of eighty three friedman s rediscovery of owens brings well deserved attention to her little known yet extraordinary life and passionate spirit drawing upon autobiographies letters journals and novels friedman chronicles owens s robust intellect and her tumultuous private life and along the way shows readers what makes her story significant with very few role models in the early twentieth century owens blazed her own path of independence and enlightenment

Choosing Buddhism

2016-04-07

this book explores the experience of canadians who chose to convert to buddhism and to embrace its teachings and practices in their daily lives it presents the life stories of eight canadians who first encountered buddhism between the late 1960s and the 1980s and are now ordained or lay buddhist teachers in recent census records over 300 000 canadians identified their religious affiliation as buddhist the great majority are of asian origin and were born into buddhist families or were buddhist at the time of their arrival in canada since the late 1960s however the number of canadians converting to buddhism has doubled every decade and this demographic now includes more than 20 000 individuals the eight canadians whose life stories are featured in this book are among the very first to have chosen buddhism their first hand accounts shed light on why and how people convert to a religion from such distant shores this book also offers contextual material photos and texts that complements the eight life stories this material is meant to help readers enrich their understanding of the life stories by offering them the information they need to better grasp the meaning of the buddhist notions mentioned and the broader historical and spiritual contexts of the biographical accounts while this book will be of interest to specialists because of the first hand accounts it is primarily aimed at a wider audience interested in buddhism religions or spirituality in general it will also be of use to teachers whose courses touch upon any of these subjects by combining life stories and contextual material and placing an emphasis on the concrete experiences of canadians with whom readers can identify this book is an introduction to buddhism and to what it means to lead a buddhist life in contemporary canada

The Awakening

2008-04-01

this book aims to show readers the actions they must take to start attracting the life they want ashley explains the three powerful steps necessary for success how many people sabotage their success and why and finally how to change those negative behaviors

Journey of Awakening

2012-01-04

2023-06-27

find the practice that s right for you with this exploration of the many paths of meditation from mantra prayer singing visualizations and just sitting to movement meditations such as tai chi everyone has experienced a moment of pure awareness a moment without thinking i am aware or that is a tree such moments bring a sense of rightness of clarity of being at one such moments are the essence of meditation ram dass ram dass is an american psychologist and spiritual teacher who has studied and practiced meditation for many years here he shares his understanding and suggests how you can find methods suitable for you he illuminates the stages and benefits of meditative practice and provides wise and often humorous advice on overcoming difficulties along the way

Awakening the Ashes

2023-09-13

the haitian revolution was a powerful blow against colonialism and slavery and as its thinkers and fighters blazed the path to universal freedom they forced anticolonial antislavery and antiracist ideals into modern political grammar the first state in the americas to permanently abolish slavery outlaw color prejudice and forbid colonialism haitians established their nation in a hostile atlantic world slavery was ubiquitous throughout the rest of the americas and foreign nations and empires repeatedly attacked haitian sovereignty yet haitian writers and politicians successfully defended their independence while planting the ideological roots of egalitarian statehood in awakening the ashes marlene l daut situates famous and lesser known eighteenth and nineteenth century haitian revolutionaries pamphleteers and political thinkers within the global history of ideas showing how their systems of knowledge and interpretation took center stage in the age of revolutions while modern understandings of freedom and equality are often linked to the french declaration of the rights of man or the us declaration of independence daut argues that the more immediate reference should be to what she calls the 1804 principle that no human being should ever again be colonized or enslaved an idea promulgated by the haitians who against all odds upended french empire

Wild Awakening

2015-10-06

in the mid eighteenth century americans experienced an outbreak of religious revivals that shook colonial society this book provides a definitive view of these revivals now known as the first great awakening and their dramatic effects on american culture historian thomas s kidd tells the absorbing story of early american evangelical christianity through the lives of seminal figures like jonathan edwards and george whitefield as well as many previously unknown preachers prophets and penitents the great awakening helped create the evangelical movement which heavily emphasized the individual s experience of salvation and the holy spirit s work in revivals by giving many evangelicals radical notions of the spiritual equality of all people the revivals helped breed the democratic style that would come to characterize the american republic kidd carefully separates the positions of moderate supporters of the revivals from those of radical supporters and he delineates the objections of those who completely deplored the revivals and their wildly egalitarian consequences the battles among these three camps the author shows transformed colonial america and ultimately defined the nature of the evangelical movement
