this tight end is at the top of his game he s good with his hands even better with his sexy mouth and the best at making me forget my own name his ahem stats are perfect but i can t fall for him he might be everything i want all rolled into a glorious package of gridiron god but there s one teeny tiny problem the vile loathsome team i ve spent my entire life hating my beloved school s arch rival this guy is their star player

Jefferson and Hamilton 2013-10-01

for readers of ron chernow s alexander hamilton the spellbinding history of the epic rivalry that shaped our republic thomas jefferson alexander hamilton and their competing visions for america the decade of the 1790s has been called the age of passion fervor ran high as rival factions battled over the course of the new republic each side convinced that the other s goals would betray the legacy of the revolution so recently fought and so dearly won all understood as well that what was at stake was not a moment s political advantage but the future course of the american experiment in democracy in this epochal debate no two figures loomed larger than thomas jefferson and alexander hamilton both men were visionaries but their visions of what the united states should be were diametrically opposed jefferson a true revolutionary believed passionately in individual liberty and a more egalitarian society with a weak central government and greater powers for the states hamilton a brilliant organizer and tactician feared chaos and social disorder he sought to build a powerful national government that could ensure the young nation s security and drive it toward economic greatness jefferson and hamilton is the story of the fierce struggle both public and ultimately bitterly personal between these two titans it ended only with the death of hamilton in a pistol duel felled by aaron burr jefferson s vice president their competing legacies like the twin strands of dna continue to shape our country to this day their personalities their passions and their bold dreams for america leap from the page in this epic new work from one of our finest historians from the award winning author of almost a miracle and the ascent of george washington this is the rare work of scholarship that offers us irresistible human drama even as it enriches our understanding of deep themes in our nation s history

Kennedy & Nixon 1997-08-28

details the long standing friendship which existed between kennedy and nixon which began in 1946 when both were elected as congressmen but degenerated into distrust and bitterness and ending in the dark deeds of watergate in 1972

The rivalry 1996

new york times bestseller from acclaimed sports journalist gary myers comes the definitive inside account of the greatest rivalry in nfl history tom brady and peyton manning are perhaps the two greatest quarterbacks of all time they are living legends who have come to embody the quarterback position and shape an entire generation of the nfl they have also been fierce rivals every step of the way and their many epic duels have not only ranked among the best and most exciting games ever played they have fundamentally shaped the lives of and careers of both men but for all their shared brilliance they are a study in contrasts tom is the underdog turned ultimate winner an unheralded draft pick who went on to win a miraculous super bowl and become the leader of one of the nfl s greatest dynasties he is as firmly associated with big game brilliance as anyone who has ever played meanwhile peyton was born into nfl royalty and a mountain of outsized expectations yet somehow lived up to and exceeded all the hype claiming virtually every passing record along his path to football immortality the contrast in greatness between the overachieving underdog and the crown prince of football between postseason brilliance and statistical dominance has served as an endless source of fascination for fans and media and over the years as the two players have faced off again and again in classic games the argument has only intensified but until now there has never been a definitive treatment of the debate that tells the real story what do tom and peyton actually think of each other what do their coaches think of them what about teammates and opposing players what are they like behind closed doors and in the locker room and how does that influence their careers how did their vastly different upbringings shape them and how has each handled the injuries setbacks and defeats they ve dealt with over their careers in this extraordinary book veteran nfl correspondent gary myers tackles this subject from every angle and with unprecedented access and insight drawing on a huge number of never before heard interviews with brady and manning their coaches their families and those who have played with them and against them the result is a remarkable collection of the most entertaining and revealing stories ever told about peyton and tom from how they developed their vastly different leadership styles to the unlikely friendship they ve built over the years to their respective exploits as locker room pranksters wildly entertaining and deeply thought provoking brady vs manning is essential reading for anyone who truly wants to understand these extraordinary players

Brady vs Manning 2015-09-22

an in depth account of two of america s most charismatic and influential leaders reveals how these powerful adversaries formed a secret alliance in 1997 that would have rocked the political landscape had it not foundered in the wake of the lewinsky scandal

The Pact 2008-06-03

this book focuses on how rivalry influences fan perceptions and behaviors the role of organizations to responsibly promote rivalries and discusses how to decrease negative and group member deviance surrounding sport rivalry rivalry is a phenomenon that helps organizations and participants increase their output while also engaging fans the author argues that the goal of rivalry should be to increase engagement and interest in the product without stepping over a sometimes invisible line resulting in fan or group member negativity deviance and violence through the introduction of two scales that specifically measure how group members react to out groups in the sport setting this book offers scholars deeper insights into what rivalry means and how it can be used to responsibly promote the sport product

Keep the Siblings Lose the Rivalry 2010-05-29

the first book that explores and explains the complex two level rivalries domestic and interstate that exist between states such as india and pakistan that are engaged in serial conflict

Asian Rivalries 2011-08-17

it began in november 1896 when football was still in its infancy about 500 people turned out on a soggy field in worcester massachusetts to watch holy cross battler boston college that game initiated one of the great rivalries in football history itinvolved some of the most famous players and coaches to ever step on a football field in its 91 years the rivalry spawned controversy contention fierce competitiveness elation gloom and great moments it was also linked to heart breaking tragedy in the end the rivalry of the two jesuit colleges boston college and holy cross would prove to be a microcosm of intercollegiate sports

A Farewell to Glory 2012-09

mohandas gandhi and winston churchill india s moral leader and great britain s greatest prime minister they remain enduring models of leadership in a democratic society yet the truth was

churchill and gandhi were bitter enemies throughout their lives this book reveals how that rivalry shaped the twentieth century and beyond

Gandhi & Churchill 2009

rivalries are a fundamental aspect of all international interactions the concept of rivalry suggests that historic animosity may be the most fundamental variable in explaining and understanding why states commit international violence against each other by understanding the historic factors behind the emergence of rivalry the strategies employed by states to deal with potential threats and the issues endemic to enemies this book seeks to understand and predict why states become rivals the recent increase in the quantitative study of rivalry has largely identified who the rivals are but not how they form and escalate questions about the escalation of rivalry are important if we are to understand the nature of conflictual interactions this book addresses an important research gap in the field by directly tackling the question of rivalry formation in addition to making new contributions to the literature this book will summarize a cohesive model of how all interstate rivalries form by using both quantitative and qualitative methods and sources

Becoming Rivals 2013

international conflict is neither random nor inexplicable it is highly structured by antagonisms between a relatively small set of states that regard each other as rivals examining the 173 strategic rivalries in operation throughout the nineteenth and twentieth centuries this book identifies the differences rivalries make in the probability of conflict escalation and analyzes how they interact with serial crises arms races alliances and capability advantages the authors distinguish between rivalries concerning territorial disagreement space and rivalries concerning status and influence position and show how each leads to markedly different patterns of conflict escalation they argue that rivals are more likely to engage in international conflict with their antagonists than non rival pairs of states and conclude with an assessment of whether we can expect democratic peace economic development and economic interdependence to constrain rivalry induced conflict

Strategic Rivalries in World Politics 2008-01-10

from the legendary antagonism between athens and sparta during the peloponnesian war to the napoleonic wars and the two world wars of the twentieth century the past is littered with long term strategic rivalries history tells us that such enduring rivalries can end in one of three ways a series of exhausting conflicts in which one side eventually prevails as in the case of the punic wars between ancient rome and carthage a peaceful and hopefully orderly transition like the rivalry between great britain and the united states at the turn of the twentieth century or a one sided collapse such as the conclusion of the cold war with the fall of the soviet union however in spite of a wealth of historical examples the future of state rivalries remains a matter of conjecture great strategic rivalries explores the causes and implications of past strategic rivalries revealing lessons for the current geopolitical landscape each chapter offers an accessible narrative of a historically significant rivalry comprehensively covering the political diplomatic economic and military dimensions of its history featuring original essays by world class historians including barry strauss geoffrey parker williamson murray and geoffrey wawro this collection provides an in depth look at how interstate relations develop into often violent rivalries and how these are ultimately resolved much more than an engaging history great strategic rivalries contains valuable insight into current conflicts around the globe for policymakers and policy watchers alike

Great Strategic Rivalries 2016-10-11

this is a story about rivalry among artists not the kind of rivalry that grows out of hatred and dislike but rather rivalry that emerges from admiration friendship love the kind of rivalry that existed between degas and manet picasso and matisse pollock and de kooning and freud and bacon these were some of the most famous and creative relationships in the history of art driving each individual to heights of creativity and inspiration and provoking them to despair jealousy and betrayal matisse s success threatened picasso so much that his friends would throw darts at a portrait of his rival s beloved daughter marguerite shouting there s one in the eye for matisse and willem de kooning s twisted friendship with jackson pollock didn t stop him taking up with his friend s lover barely a year after pollock s fatal car crash in the art of rivalry pulitzer prize winning art critic sebastian smee explores how as both artists struggled to come into their own they each played vital roles in provoking the other s creative breakthroughs ultimately determining the course of modern art itself

The Art of Rivalry 2016-10-13

geisha in rivalry first published as udekurabe in 1918 has a secure place among kafu nagai s masterpieces set against the backdrop of tokyo s shimbashi geisha district a company of vivid characters play out their drama of illicit love shady intrigue and unrelenting rivalry in the forefront are the geisha some powerful and spiteful like the imperious rikiji some crude and obvious like the gaudy kikuchiyo some naive and pathetic like the heroine komayo and all engaged in finding a place for themselves in a world that offers no easy route of escape from their

profession here too are the patrons of the geisha the playboys the actors the successful businessmen and the upstart gentlemen of late meiji society and here again are those who make the machinery of this world function the geisha house proprietors the teahouse mistresses the actors retainers the servants and finally here are the parasites of the demimonde who live off its other denizens through guile and deceit through this often sordid but fascinating pageant move the figures of the geisha komayo her lovers and the women who conspire to steal them from her

Geisha in Rivalry 2011-08-30

a theory of business enterprise and rivalry is developed from the assumption that decisions to undertake new ventures and readiness to take risks are related to fears of being hierarchically outranked

Rivalry 1990-01-26

raucous raw and reliably remarkable the century old football rivalry between the state universities of texas and oklahoma stands as testimony that hate based relationships are the most enduring texas and oklahoma have been top level programs for a long time but in the last few years the rivalry has garnered ever more national attention mike shropshire an observer of this football war for more than 40 years chronicles the long and colorful history of this fierce rivalry that has endured for more than a century the teams have been playing at the texas state fair since 1929 just a three hour drive from each campus this is the only football game in the country that is louder than a nascar race because there s no place in the country that s more football mad than texas animosity runs deep in this relationship but beyond the emotional urgency that the texas ou followers expend on this event this is a union of like minded spirits they were brought up amid the simple mantra of the red state road to success get up early work hard find oil football would naturally become the spectator sports of preference in these parts runnin with the big dogs is an account of that game and of the game and the events that lead up to the three and one half hours when deep in the heart of the heartland it s the day the earth stands still it will also chronicle the long and colorful history of this fiercest of football rivalries and inundate the reader in the craziness of the week preceding the game year in year out the texas ou celebration equals or trumps any other rivalry in sheer excitement and entertainment value and presently these two teams more than any other pairing are consistently in the hunt for a national championship the excitement is due in large part to the raw and dynamic history of the two states involved from the indian wars to the oil boom before statehood oklahoma was known as indian territory so this red river shootout is cowboys and indians all over again

Runnin' with the Big Dogs 2007-08-21

some rivalries in the exciting world of football go beyond just playing against each other and become part of global folklore none of these famous rivalries is as intense emotional or historic as the one between real madrid and fc barcelona these two spanish giants have played some of the most exciting electrifying and emotionally charged games ever seen on a football field for decades the rivalry between real madrid and fc barcelona also known as el clásico has won the hearts and minds of fans all over the world its long history and interesting stories have kept their attention this book will try to get to the bottom of this strange rivalry it will tell the story of a saga full of raw passion fierce competition and interesting plots that go far beyond the world of sports this book promises to explain everything about the rivalry between real madrid and fc barcelona from the early fights in the 1930s to the struggle for power on and off the field today every chapter will take readers on a fascinating journey through key moments unforgettable games and the people who have changed the game and helped shape both clubs but the rivalry is about more than just football it s woven into spain s culture politics and sense of self and it s a big part of the way people live in spain s two biggest cities madrid and barcelona from the fierce regional pride that sparks heated debates to the different styles of play that show a clash of ideas this book aims to shed light on the complex emotions that make this rivalry truly unique through careful research interesting anecdotes and exclusive interviews with players managers and die hard fans this book tries to get to the heart of the love hate and everything in between that makes this rivalry so epic join us on this exciting journey as we reveal the stories rivalries victories and heartbreaks that have made real madrid and fc barcelona rivals for life this is a rivalry that goes beyond sports and reaches mythical levels

The Eternal Clasico Between Real Madrid and FC Barcelona 2023-06-23

consistently ranked among the top ten college football rivalries by fans and pundits alike and often ranked among the top five the annual army navy game is the one rivalry that as one commentator has noted stops the most powerful men and women in the world in their tracks for one day a year it is also quite possible that it is the only rivalry to raise over 58 million in war bonds 1944 game have an outcome so contentious that the game had to be suspended for six years by the president 1893 or be played in the rose bowl 1983 requiring a military airlift of nine thousand cadets and midshipmen to california but army navy is first and foremost about football and as barry wilner and ken rappoport relate in this engaging history it may be college football in its purest form and not just as a training ground for the nfl though struggling for national ranking the service academies have done surprisingly well over the years given their recruiting handicap producing five heisman trophy winners and a number of national champions the rivalry s

most successful player may have been roger staubach heisman winner and hall of fame quarterback who led the dallas cowboys to two super bowls in the 1970s following his four year mandatory service in the u s navy the army navy rivalry is also about traditions and in a concluding chapter on the 2004 game the authors take us through the pageantry the march into the stadium by the student bodies of both schools freshman push ups after each score and the final moving show of sportsmanship following the game as thousands of cadets and midshipmen stand at attention while the alma mater of each school is played by their respective bands a rivalry like no other army versus navy receives due recognition in this colorful thorough history

Gridiron Glory 2005-08-17

ryder cup revealed tales of the unexpected is the previously untold behind the scenes story of golf s most iconic team contest the book reports on the commercial mysteries of the money and business the political games and social mischief making the controversial actions and conflicting viewpoints the ever changing sensitive relationship between the players captains and teams using new interviews fresh insights unique research and an alternative perspective author ross biddiscombe debates and contextualises all nine decades of the ryder cup s history plus he provides dramatic forecasts on the future of the matches that have grown from being financial liability to one of the most successful stories in the whole of sport

Ryder Cup Revealed 2014-07-01

the old testament offers a rich palette of ideas images and narratives that help us unpack some of the more compact and opaque theological ideas of the new testament in conversation with both christian and jewish interpreters prominent scholar gary anderson explores the exegetical background of key christian doctrines through a deeper reading of our two testament bible he illustrates that christian doctrines have an organic connection to biblical texts and that doctrine can clarify meanings in the text that are foreign to modern western readers anderson traces the development of doctrine through the history of interpretation discussing controversial topics such as the fall of man creation out of nothing the treasury of merit and the veneration of mary along the way he demonstrates that church doctrines are more clearly grounded in scripture than modern biblical scholarship has often supposed and that the bible can define and elaborate the content of these doctrines

Christian Doctrine and the Old Testament 2017-04-18

male male rivalry and female passive choice the two principal tenets of darwinian sexual selection raise important ethical questions in the descent of man and in the decades since about the subjugation of women if female choice is a key component of evolutionary success what impact does the constraint of women s choices have on society the elaborate courtship plots of 19th century spanish novels with their fixation on suitors and selectors rivalry and seduction were attempts to grapple with the question of female agency in a patriarchal society by reading darwin through the lens of the spanish realist novel and vice versa travis landry brings new insights to our understanding of both while darwin s theories have often been seen as biologically deterministic landry asserts that darwin s theory of sexual selection was characterized by an open ended dynamic whose oxymoronic emphasis on passive female choice carries the potential for revolutionary change in the status of women

Subversive Seduction 2013-01-10

The Rivalry, The Discovery, And The Victory 2013-04

the bestselling author of the secretary a journey with hillary clinton from beirut to the heart of american power tells the gripping story of the real roots of the middle east sunni shia conflict in the 1979 iran revolution that changed the region forever black wave is a paradigm shifting recasting of the modern history of the middle east telling the largely unexplored story

of the rivalry between sunni saudi arabia and shia iran a rivalry born out of the sparks of the 1979 iranian revolution that has dramatically transformed the culture identity and collective memory of millions of muslims over four decades like george packer did in the unwinding kim ghattas follows everyday citizens whose lives have been affected by the geopolitical drama making her account both immediate and intimate most americans assume that extremism sunni shia antagonism and anti americanism have always existed in the middle east but prior to 1979 saudi arabia and iran were working allies it was only after that year a remarkable turning point that shia iran and sunni saudi arabia began to use religion as a tool in their competition for dominance in the region igniting the culture wars that led to the 1991 american invasion of iraq the september 11th terrorist attacks and the rise of isis ghattas shows how saudi arabia and iran went from allies against the threat of communism from russia with major roles in the us anti soviet strategy to mortal enemies that use religious conservatism to incite division and unrest from egypt to pakistan black wave will significantly influence both perception of and conversation about the modern history of the middle east

Black Wave 2020-01-28

several dramatic changes in international relations at the end of the 20th century seemed to suggest that rivalries and the conflicts that often result between states were receding the soviet american cold war ended but the indo pakistani feud refuses to go away argentina and britain seem most unlikely to fight again over the falklands but north and south korea persist in maintaining their hostile divided status the question remains therefore is conflict increasing or decreasing to answer that question it is important to first understand how the rivalry processes and therefore the genesis of conflict work handbook to international rivalries examines the roughly 200 strategic rivalries two states that view each other as threatening competitors to the point that they categorize their antagonists as enemies that have been responsible for nearly 80 percent of the warfare of the past two hundred years after a preface from j david singer the founder of the correlates of war project this reference delves into standardized narratives of the rivalries that include discussions of their origins the levels of conflict achieved and the resolutions handbook to international rivalries also includes a comprehensive bibliography and a chronological listing of rivalries by region time and type

Handbook of International Rivalries 2011-09-02

in critical readings of ten of moliere s most important plays this book argues that a rivalry that endangers order by collapsing differences structures the works and provides a key to their understanding moliere s great comic characters all want desperately something that they cannot have the objects of their desire may vary but the presence of desire itself remains a constant in l ecole des femmes amolphe wants above all to avoid cuckoldry the title character in dom juan covets women the bourgeois monsieur jourdain does all in his power to become a gentleman in le bourgeois gentilhomme and the eponymous character in george dandin views his woes as the price of an ill fated marriage that he had hoped would elevate him to noble rank le malade imaginaire argan has a seemingly crazy desire to be sick the list could go on

Rivalry and the Disruption of Order in Molière's Theater 2004

this book presents the complete history of new yorks greatest modern sports rivalry the battle between the new york rangers and new york islanders more than fifty former players and broadcasters from both teams were interviewed for this book to provide the inside story of the battle between the rangers and the islanders no modern rivalry in sports has quite the intensity and proximity of the rangers islanders each game in the history of the rivalry is reviewed so fans can remember the great moments and stars that made this rivalry unique players like rod gilbert jp parise billy smith phil esposito denis potvin john davidson bryan trottier mike bossy don maloney barry beck pat lafontaine mark messier brian leetch glenn healy wayne gretzky jaromir jagr john tavares kyle okposo and henrik lundqvist are profiled and featured throughout the book this book is an invaluable reference for fans of both teams and hockey fans everywhere

Ice Wars 2016-08-12

a rough and tumble pop culture look at the history of this storied game national review online the 100 yard war showcases two great football teams who want nothing more than to beat each other celebrating their storied history and going behind the scenes with the players and the fans to reveal the bitterness the passion and the pride surrounding the game espn called it the number one sports rivalry of the century it transcends the years the standings and all other distractions and thanks to the countless remarkable football games between michigan and ohio state and hundreds of thousands of devoted alumni and followers the rivalry is now an enormous cultural event

The 100-Yard War 2010-12-20

the psychology of rivalry is an edited volume made up of chapters by leading researchers and theorists in the fields of psychology human development family studies evolutionary psychology behavioral neuroscience and genetics it is written for all levels of students and scientists within these and related fields who are interested in exploring relationships beyond those which are simply dyadic by focusing on contexts that are rich with overlapping relationships and

complexity rivalry is an inherent feature of many if not all such relationships it sometimes rests quietly in the interior of the psyche and other times it can be confrontational and even destructive in their own way each of the contributors to this volume present a range of theoretical perspectives as well as empirical studies with novel approaches and treatments commentary on current events in the popular press and practical material as the authors draw on these perspectives and approaches each chapter is unique in its manner of navigating the issues and boundaries of reward versus competition within a wide range of settings and relationships within and outside families involving individuals as young as fetuses to siblings of advanced age it is within such contexts that real life experience takes place and so this volume represents a bold step toward unraveling relationship dynamics in the real world with all its complexity

The Psychology of Rivalry 2018

the rivalry is the inspirational story of pete berman a typical high school student who becomes memorable once he steps on the basketball court the west valley rockets are perennial doormats for the fellingwood rams until pete sets his sights on turning the tables the story is center stage for pete s intense rivalry with gerry williams fellingwood s star player who has dominated the county s basketball league as the story progresses pete s on court wizardry also fuels his confidence in both social and scholastic settings the once introverted homebody transforms into a man who can t wait to experiment with his newly found activities the book s basketball scenes put you right in the middle of the court bumping and jockeying for position with opposing players the story also gives the reader insight into the mind of a teenager and all of the complex and often primitive emotions of the high school experience
