Here's who in Horses of the Pacific Coast 2020-05-19

this is the first life of napoleon in any language that makes full use of the new version of his correspondence compiled by the fondation napoléon in paris to replace the sanitized compilation made under the second french empire as a propaganda exercise by his nephew napoleon iii all previous lives of napoleon have relied more on the memoirs of others than on his own uncensored words michael broers biography draws on the thoughts of napoleon himself as his incomparable life unfolded it reveals a man of intense emotion but also of iron self discipline of acute intelligence and immeasurable energy tracing his life from its dangerous corsican roots through his rejection of his early identity and the dangerous military encounters of his early career it tells the story of the sheer determination ruthlessness and careful calculation that won him the precarious mastery of europe by 1807 after the epic battles of austerlitz jena and friedland france was the dominant land power on the continent here is the first life in which napoleon speaks in his own voice but not always as he wanted the world to hear him

samuel pepys is as much a paragon of literature as chaucer and shakespeare his diary is one of the principal sources for many aspects of the history of its period in spite of its significance all previous editions were inadequately edited and suffered from a number of omissions until robert latham and william matthews went back to the 300 year old original manuscript and deciphered each passage and phrase no matter how obscure or indiscreet the diary deals with some of the most dramatic events in english history pepys witnessed the london fire the great plague the restoration of charles ii and the dutch wars he was a patron of the arts having himself composed many delightful songs and participated in the artistic life of london his flair for gossip and detail reveals a portrait of the times that rivals the most swashbuckling and romantic historical novels in none of the earlier versions was there a reliable full text with commentary and notation with any claim to completeness this edition first published in 1970 is the first in which the entire diary is printed with systematic comment this is the only

complete edition available it is as close to pepys s original as possible

Katherine Paterson 1945

this is the first biography of the extraordinary but ordinary life of patrick nelson his experiences touched on some of the most important and intriguing historical themes of the twentieth century he was a black migrant to interwar britain an aristocrat s valet in rural wales a black queer man in 1930s london an artist s model a law student a recruit to the auxiliary military pioneer corps and prisoner of war during the second world war through his return to jamaica after the war and his re migrations to london in the late 1940s and the early 1960s he was also witness to post war jamaican struggles and the independence movement as well as the development of london s post war multi ethnic migrations drawing on a range of archival materials including letters sent to individuals such as bloomsbury group artist duncan grant his former boyfriend and life long friend as well as paintings and newspaper articles gemma romain explores the intersections of these diverse aspects of nelson s life and demonstrates how such marginalized histories shed light on our understanding of broader historical themes such as black lgbtq history black british history in relation to the london artworld the history of the second world war and histories of racism colonialism and empire

Yearbook 2011-07-29

these fond letters between junius and katherine harris represent the beginnings of a long and loving relationship their separation during wwii set the stage for their almost daily letter writing chronicles of their activities junius was forced to deal with army bureaucracy while katherine struggled to grow their small insurance agency and report to junius all the family news junius moved from training maneuvers in tennessee across the atlantic to england then the battlefield in france belgium and germany junius was assigned to the nimble 965th field artillery unit that was often called to support infantry movement near the front lines as a clerk for his outfit he recorded company personnel actions while dealing with cramped if any quarters he was nonetheless expected to stand guard duty and maintain all his own equipment his service extended through the famous battle of the bulge in the winter of 1945
