# Ebook free Digging deeper answers (2023)

1 what are three words you would use to describe yourself 2 what s something you wish people knew about you without having to tell them 3 what are the top three values that you live by 4 what activities make you lose track of time 5 what s your biggest regret in life so far 6 who has had the most influence in shaping who you are today december 24 2021 viktor sander b sc b a last updated february 28 2023 one of the best ways to get to know someone is by asking them questions but in order to start deep meaningful conversations you need to be asking the right questions it s easy to get stuck having surface level conversation which is why we put together the question how do you help students find deeper answers share what works for you and learn how your peers get students to reply more comprehensively by edutopia march 11 2024 imagine this situation you ask your class a question and a student responds but the answer they give is shallow it doesn t demonstrate an understanding of the subject big talk supports lasting connections by facilitating a deeper understanding of each other s thoughts allowing couples to build a relationship with a depth that stands the test of time big talk conversation examples it s time to put deep talk into action here are some prompts designed to deepen connections across various aspects of life january 12 2024 small talk certainly has its place in conversation especially when you re meeting someone new or trying to make a friend but if you really want to deepen a connection that s when you ll want some thought provoking questions handy relationships these 65 thought provoking questions will live rent free in your head would you want to remember every detail of your life by mackenzie sylvester updated feb 20 2024 60 deep questions to ask yourself the self reflection questions below are divided into three sets i hand picked them for you from a ton of self improvement blogs coaching sites and books to make sure they help to deepen self awareness for example when confronting conflict at work or in our personal lives it is best to stop and ask questions such as the following how is the other person looking at this situation in what this fact sheet focuses on both teacher questioning and student self questioning questioning as an instructional tool can be traced back to the fourth century bce when socrates used questions and answers to challenge assumptions expose contradictions and lead to new knowledge and wisdom ultimately asking and answering questions in a way that prioritizes student understanding rather than right answers can yield deeper learning music playing richard schwartzstein md asking and answering questions i think is a real art and this is something i learned a few years ago because of a comment a student made to me the 21 soul searching questions to ask yourself what brings you the most joy in life what are your core values and how do they guide your decisions what are your biggest fears and how do they hold you back what are your strengths and how can you use them to make a difference in the world important life questions to ask yourself i remember a quote that once said ask the right questions over the years i have realized that questions are much more important than answers without asking the right queries we can never hope for the right knowledge but it took me a while to even understand what questions i should ask of myself deep questions to ask yourself have you ever asked yourself a question so deep that it makes you feel uneasy asking yourself good questions on a deeper level can lead to valuable self reflection the truth is the more uncomfortable questions you ask yourself the more insights that can be gained 50 deep questions to ask your friends these questions cover a variety of topics including childhood relationships personal philosophies and more many of them should spark natural follow up questions and conversation there s something great about knowing someone deeper these deep questions to ask will help you spark meaningful conversations questions to ask if you want to get to know someone on a deeper level 1 what s your philosophy in life 2 what s the one thing you would like to change about yourself 3 are you religious or spiritual 4 do you consider yourself an introvert or an extrovert luc coiffat 5 which parent are you closer to and why 6 it is an enhanced version of ai chat that provides more knowledge fewer errors improved reasoning skills better verbal fluidity and an overall superior performance due to the larger ai model genius mode is only available via subscription to deepai pro however the added benefits often make it a worthwhile investment step by step explanations break down complex concepts into smaller manageable pieces this approach enables you to grasp each step of the topic thoroughly before moving on to the next reducing the chances of confusion and promoting deeper understanding building deeper the global
