Good Works in 1 Peter

2014-10-08

drawing on recent insights from postcolonial theory and social psychology travis b williams seeks to diagnose the social strategy of good works in 1 peter by examining how the persistent admonition to do good is intended to be an appropriate response to social conflict challenging the modern consensus which interprets the epistle s good works language as an attempt to accommodate greco roman society and thereby to lessen social hostility the author demonstrates that the exhortation to do good envisages a pattern of conduct which stands opposed to popular values the petrine author appropriates terminology that was commonly associated with wealth and social privilege and reinscribes it with a new meaning in order to provide his marginalized readers with an alternative vision of reality one in which the honor and approval so valued in society is finally available to them the good works theme thus articulates a competing discourse which challenges dominant social structures and the hegemonic ideology which underlies them

Reading the Epistles of James, Peter, John & Jude as Scripture

2013-12-19

through a detailed examination of the historical shaping and final canonical shape of seven oft neglected new testament letters reading the epistles of james peter john and jude as scripture introduces readers to the historical literary and theological integrity of this indispensable apostolic witness while most scholars today interpret biblical texts in terms of their individual historical points of composition david nienhuis and robert wall argue that a theological approach to this part of scripture is better served by attending to these texts historical point of canonization those key moments in the ancient church's life when apostolic writings were grouped together to maximize the spirit's communication of the apostolic rule of faith to believers everywhere reading the epistles of james peter john and jude as scripture is the only treatment of the catholic epistles that approaches these seven letters as an intentionally designed and theologically coherent canonical collection
