□ new york times bestseller engrossing entertaining the perfect book to take to the beach boston herald two families both carried by the mayflower across stormy seas both destined to generations

of proud leadership shameful intrigue and passion for the sandy crest of land that became their heritage this is the story of the bigelow and hilyard clans from their first years on america s shores through the fury of her wars and the glory of her triumphs to our own time when young geoff hilyard must fight to save both his marriage to a bigelow heir and the windswept coast he loves it is a struggle that will take him deep into the past to a centuries old feud that never died and on a dangerous quest for a priceless relic of american history that has lain hidden in the cape for over two hundred years from the author of the sensational bestseller i was told there d be cake comes a new book of personal essays brimming with all the charm and wit that have earned sloane crosley widespread acclaim award nominations and an ever growing cadre of loyal fans in cake readers were introduced to the foibles of crosley s life in new york city always teetering between the glamour of manhattan parties the indignity of entry level work and the special joy of suburban nostalgia and to a literary voice that mixed dorothy parker with david sedaris and became something all its own crosley still lives and works in new york city but she s no longer the newcomer for whom a trip beyond the upper west side is a big adventure she can pack up her sensibility and takes us with her to paris to portugal having picked it by spinning a globe and putting down her finger and finally falling in with a group of portuguese clowns and even to alaska where the bear bells on her fellow bridesmaids ponytails seemed silly until a grizzly cub dramatically intrudes meanwhile back in new york where new apartments beckon and taxi rides go awry her sense of the city has become more layered her relationships with friends and family more complicated as always crosley s voice is fueled by the perfect witticism buoyant optimism flair for drama and easy charm in the face of minor suffering or potential drudgery but in how did you get this number it has also become increasingly sophisticated quicker and sharper to the point more complex and lasting in the emotions it explores and yet

crosley remains the unfailingly hilarious young everywoman healthily equipped with intelligence and poise to fend off any potential mundanity in maturity

I Was Told There'd Be Cake

for kennedy devotees as well as readers unfamiliar with the lion of the senate this book presents the

compelling story of edward kennedy s unexpected rise to become one of the most consequential legislators in american history and a passionate defender of progressive values achieving legislative compromises across the partisan divide what distinguishes edward kennedy an oral history is the nuanced detail that emerges from the senator s never before published complete descriptions of his life and work placed alongside the observations of his friends family and associates the senator s twenty released interviews reveal in his own voice the stories of kennedy triumph and tragedy from the oval office to the waters of chappaquiddick spanning the presidencies of jfk to barack obama edward kennedy was an iconic player in american political life the youngest sibling of america s most powerful dynasty he candidly addresses this role his legislative accomplishments and failures his unsuccessful run for the white house his impact on the supreme court his observations on washington gridlock and his personal faults the interviews and introductions to them create an unsurpassed and illuminating volume gathered as part of the massive edward kennedy oral history project conducted by the university of virginia s miller center the senator s interviews allow readers to see how oral history can evolve over a three year period drawing out additional details as the interviewee becomes increasingly comfortable with the process and the interviewer yet given the kennedys well known penchant for image creation what the senator doesn t say or how he says what he chooses to include is often more revealing than a simple declarative statement

from the author of the sensational bestseller i was told there d be cake comes a new book of personal essays brimming with all the charm and wit that have earned sloane crosley widespread acclaim award nominations and an ever growing cadre of loyal fans in cake readers were introduced to the foibles of crosley s life in new york city always teetering between the glamour of manhattan

parties the indignity of entry level work and the special joy of suburban nostalgia and to a literary voice that mixed dorothy parker with david sedaris and became something all its own crosley still lives and works in new york city but she s no longer the newcomer for whom a trip beyond the upper west side is a big adventure she can pack up her sensibility and takes us with her to paris to portugal having picked it by spinning a globe and putting down her finger and finally falling in with a group of portuguese clowns and even to alaska where the bear bells on her fellow bridesmaids ponytails seemed silly until a grizzly cub dramatically intrudes meanwhile back in new york where new apartments beckon and taxi rides go awry her sense of the city has become more layered her relationships with friends and family more complicated as always crosley s voice is fueled by the perfect witticism buoyant optimism flair for drama and easy charm in the face of minor suffering or potential drudgery but in how did you get this number it has also become increasingly sophisticated quicker and sharper to the point more complex and lasting in the emotions it explores and yet crosley remains the unfailingly hilarious young everywoman healthily equipped with intelligence and poise to fend off any potential mundanity in maturity
