 paper and the latest cbse sample question paper for the board examinations to
 be held in 2021 the federal government s no child left behind act has thrust
 high stakes testing its goals methods and consequences into the educational
 limelight the four fold purpose of this book is to describe the nature of high
 stakes testing identify types of collateral damage that have attended the
 testing programs analyze methods different groups of people have chosen for
 coping with the damage and suggest lessons to be learned from the high stakes
 testing experience the six groups of people whose coping strategies are
 inspected include politicians and their staffs educational administrators and
 their staffs parents and the public test makers and test administrators
 teachers and students importantly the author avoids aligning himself with the
 test bashing rhetoric of those who oppose high stakes testing especially the no
 child left behind act key features of this outstanding new book include
 illustrative cases the book offers more than 350 cases of collateral damage
 from high stakes testing and people s coping strategies as reported in
 newspapers over the 2002 2004 period background perspectives part i examines
 the influence of high stakes testing on 1 what schools teach 2 how student
 progress is evaluated 3 how achievement standards are set and 4 how test
 results are used participant responses part ii which is the heart of the book
 devotes a separate chapter to the coping strategies of each of the major
 participants in the high stakes testing movement politicians and their staffs
 educational administrators and their staffs parents and the public test makers
 and test givers teachers and students summary chapter the last chapter lessons
 to learn offers suggestions for minimizing collateral damage by adopting
 alternative approaches not used in the creation of our current high stakes
 testing programs particularly the federal government s no child left behind act
