this book is about reading throughout the book the author explains the complexity of the dual language involvement of fl 12 reading by showing how l1 and fl 12 factors interplay in fl 12 reading the main aim of the book is to explore reading in english in the foreign second language context as a cross linguistic phenomenon and to present the results of a think aloud study which investigated reading in polish as the l1 and english as the fl of polish learners of english the project consisted of six stages each focussing on a different aspect of reading thus the following was explored reading strategies problems and solutions the way the subjects constructed their representations of the texts the students individual patterns of developing comprehension and effectiveness in identifying the main ideas the findings revealed both differences and similarities between the subjects reading in polish and their reading in english the book offers implications for further research and elucidates the usefulness of think aloud protocols in foreign language instruction these assessment questions for fahrenheit 451 are modeled after current testing models requiring students to revisit the text for answers students have to support their opinions and inferences with examples from the text helping teachers move beyond fluency as measured by speed alone this book focuses on building the skills that students need to read accurately meaningfully and expressively the essential components of reading comprehension each concise chapter presents a tried and true instructional or assessment strategy and shows how k 12 teachers can apply it in their own classrooms using a wide variety of engaging texts special features include classroom examples your turn activities and 24
