contemporary romantic fiction from bestselling writers set in scotland and concerning ever popular highlanders from every historical period a collection which ranges widely including both contemporary and historical settings time travel ghosts and plenty of fantastic and paranormal elements contemporary romantic fiction from bestselling writers set in scotland and concerning ever popular highlanders from every historical period a collection which ranges widely including both contemporary and historical settings time travel ghosts and plenty of fantastic and paranormal elements this unprecedented collection of 27 000 quotations is the most comprehensive and carefully researched of its kind covering all fields of science and mathematics with this vast compendium you can readily conceptualize and embrace the written images of scientists laymen politicians novelists playwrights and poets about humankind s scientific achievements approximately 9000 high quality entries have been added to this new edition to provide a rich selection of quotations for the student the educator and the scientist who would like to introduce a presentation with a relevant quotation that provides perspective and historical background on his subject gaither s dictionary of scientific quotations second edition provides the finest reference source of science quotations for all audiences the new edition adds greater depth to the number of quotations in the various thematic arrangements and also provides new thematic categories digicat publishing presents to you this special edition of the lost atlantis and other ethnographic studies by daniel sir wilson digicat publishing considers every written word to be a legacy of humankind every digicat book has been carefully reproduced for republishing in a new modern format the books are available in print as well as ebooks digicat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature robert the bruce is a detailed account of the life and times of the scottish hero and monarch it covers his life from childhood to death looking at the political social and military life of scotland before during and after the time of robert the bruce the book looks at the relationship between the bruce and people like edward i and edward ii of england william wallace and the other contenders for the scottish crown the main thrust of the book is a chronological account of how the bruce clawed his way to power his struggles and battles and his eventual victory which gave scotland independence and freedom from an acquisitive and warlike neighbour it looks in detail at the murder of john comyn of which the bruce stood accused and the political ramifications of the killing robert the bruce was no saint he was a ruthless cunning warrior a man of his times dedicated to what he saw as his mission in life flawed he may have been but he was also a great king a worthy warrior and a man who deserves to emerge from the shadow of william wallace a position to which he has been relegated ever since the film braveheart in recent years british politics has seemed increasingly unpredictable the conservative party s return to single party government in 2015 surprised commentators and the electorate alike and labour s choice of jeremy corbyn as its leader marked a striking change in direction for the party cuts to public welfare and spending have led to growing dissatisfaction among sections of the public and the increasing popularity of parties critical of the government s immigration economic and social policies appears to represent a call for fundamental change in british politics with a question mark hanging over the country s global standing following the eu referendum and with further calls for scottish independence britain s immediate future seems uncertain in the 10th edition of this highly acclaimed text leading authorities reflect on the latest developments in british politics drawing on current research the chapters provide a state of the art yet accessible account of british politics today all the chapters are newly commissioned for this edition and together they provide a systematic analysis of key trends issues and debates topics covered include the legacy of cameron s governments the politics of austerity immigration and the question of what if anything is distinctively british about the british political system britian and japan in the contemporary world provides up to date analyses of these two countries in terms of economics politics security and identity on the global regional subnational and civic levels the book moves beyond an analysis of state to state relations between britain and japan by examining the role of civil society in the relationship and analyzing the way the two countries deal with common issues such as the special relationship both maintain with the us the relationship with the continents that both of these island nations border the question of the degree of decentralization to allow within their contested borders both countries also face the pressures of globalization as seen by the responses of the global cities of london and tokyo the editors have brought a selection of top scholars in a collection of chapters aimed at examining the similarities and differences in the way britian and japan respond to issues of common concern on these different levels harnessing new enthusiasm for nan shepherd s writing the living world asks how literature might help us reimagine humanity s place on earth in the midst of our ecological crisis the first book to examine shepherd s writing through an ecocritical lens it reveals forgotten details about the scientific political and philosophical climate of early twentieth century scotland and offers new insights into shepherd s distinctive environmental thought more than this this book reveals how shepherd s ways of relating to complex interconnected ecologies predate many of the core themes and concerns of the multi disciplinary environmental humanities and may inform their future development broken down into chapters focusing on themes of place ecology environmentalism deep time vital matter and selfhood the living world offers the first integrated study of shepherd s

writing and legacy making the work of this philosopher feminist amateur ecologist geologist and innovative modernist accessible and relevant to a new community of readers moon travel guides find your castle the laird and lady their butler a mammoth and a dinosaur are visited by an american millionaire with an idea to change their lives critics hailed the first edition of the literature of scotland as one of the most comprehensive and fascinatingly readable accounts of scottish literature in all three of the country s languages gaelic scots and english in this extensively revised and expanded new edition roderick watson traces the lives and works of scottish writers in a beautiful and rugged country that has been divided by political and religious conflict but united too by a democratic and egalitarian ideal of nationhood the literature of scotland the twentieth century provides a comprehensive account of the richest ever period in scottish literary history from the house with the green shutters to trainspotting and far beyond this companion volume to the literature of scotland the middle ages to the nineteenth century gives a critical and historical context to the upsurge of writing in the languages of scotland roderick watson covers a wide range of modern and contemporary scottish authors including macdiarmid maclean grassic gibbon gunn robert garioch iain crichton smith alasdair gray edwin morgan james kelman irvine welsh alan warner a l kennedy liz lochhead john burnside jackie kay kathleen jamie and many many more also featuring an extended list of further reading and a helpful chronological timeline this is an indispensable introduction to the great variety of scottish writing which has emerged since the start of the twentieth century all children are born with emotional talent but if left untended those talents can wane during the first five years of life children are sensitive and social beings from birth exhibiting an innate enthusiasm for communication that must be satisfied for healthy development if their feelings agency and motivations are met with affection if they are respected and nurtured then children will respond creatively and that inherent desire for companionship will flourish however with the recent changes in political and educational systems early years education has seen a decline in focus on the emotional wellbeing of children and the development of their creativity those systems need to adapt if educators are to bring out the best in our future generations by nurturing creativity and emotional wellbeing in the first five years of life long term social benefits can be wrought the book focusses on children s readiness for learning it addresses the natural joy explicit in children s early conversations and engagement with music and their development through play with both adults and other children this kind of education allows children to develop their bodies and skills accept and understand their feelings build relationships and progress both their imagination and their problem solving skills in this way play with others drives development with contributors from the fields of psychological educational and political spheres this book will be of interest to anyone concerned for the future of our children theorising identity and subjectivity in educational leadership research brings together a range of international scholars to examine identity and subjectivities in educational leadership in new and original ways the chapters draw on a variety of approaches in theory and method to demonstrate the important new developments in understanding identity and subjectivity beyond the traditional ways of understanding and thinking about identity in the field of educational leadership the book highlights empirical theoretical and conceptual research that offers new ways of thinking about the work of educational leaders the authors take critical approaches to exploring the influences of gender race sexuality class power and discourse on the identity and subjectivity formation of educational leaders it provides global perspectives on educational leadership

to obtain their own freedom while others were given away as enlistment bounties to whites women provided material support for the troops sewing clothes for soldiers and in some cases taking part in the fighting both sides courted native people and mimicked their tactics liberty is sweet is a must read book for understanding the founding of our nation walter isaacson author of benjamin franklin from its origins on the frontiers and in the atlantic ports to the creation of the constitution offering surprises at every turn for example holton makes a convincing case that britain never had a chance of winning the war this majestic history revivifies a story we thought we already knew
