The Marketing You Never Knew 2005 invisible heroes footsteps to the cross was an opportunity for me to use my gift and passion for writing in a way that i pray is pleasing to our lord the idea for the book came to me after hearing an old song by bill anderson titled where have all the heroes gone and reading the words of two other songs footsteps of jesus by asa everett and mary slade and i want to be just like you by phillips craig and dean the thought occurred to me that too many of us pay a type of homage to people who have gifts talents or abilities that have brought them fame and fortune without paying attention to whether those people have used god s gifts to honor him or if they are simply interested in self the purpose of the book is to encourage each of us to evaluate our own lives to determine if we are emulating christ like values or if we are also more concerned with self
