most memoirs are written by famous menimportant men who have led successful lives one hears little of their wives except a thank you for your patience or a dedication in the introduction this memoir is nothing like that i have been married for fifty two years but you will scarcely find a mention of my husband in this book this is my story it is the story of a girl who left the still war torn united kingdom and entered the confusing world of the middle east new languages new customs and a quick shift from the life of a single girl in regents park to a mother with a tiny baby in an arab village with no doctors or other facilities not even a telephone to call home a sense of humor was required to survive so i hope the reader will find the story amusing

Bull's Eye! 2013-02

in this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of the days are just packed a calvin and hobbes collection don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy don t buy this book if 1 you don t have nerves of steel 2 you expect to get pregnant in the next five minutes 3 you ve heard it all

Behind Ghetto Walls 2017-09-08

this book is about the family lives of some 10 000 children and adults who live in an all negro public housing project in st louis the pruitt igoe project is only one of the many environments in which urban negro americans lived in the 1960s but the character of the family life there shares much with the family life of lower class negroes as it has been described by other investigators in other cities and at other times in harlem chicago new orleans or washington d c this book is primarily concerned with private life as it is lived from day to day in a federally built and supported slum the questions which are treated here have to do with the kinds of interpersonal relationships that develop in nuclear families the socialization processes that operate in families as children grow up in a slum environment the informal relationships of children and adolescents and adults with each other and finally the world views the existential framework arising from the life experiences of the pruitt igoeans and the ways they make use of this framework to order their experiences and make sense out of them the lives of these persons are examined in terms of life cycles each child there is born into a constricted world the world of lower class negro existence and as he grows he is shaped and directed by that existence through the day to day experiences and relationships available to him the crucial transition from child of a family to progenitor of a new family begins in adolescence and for this reason the book pays particular attention to how each new generation of parents expresses the cultural and social structural forces that formed it and continue to constrain its behavior this book in short is about intimate personal life in a particular ghetto setting it does not analyze the larger institutional social structural and ideological forces that provide the social economic and political context in which lower class negro life is lived these larger macro sociological forces are treated in another volume based on research in the pruitt igoe community however this book does draw on the large body of literature on the structural position of negroes in american society as background for its analysis of pruitt igoe private life

Reminiscences and Letters of Caroline C. Briggs 1897

erin collins had been content to live in her own bubble in high school her reserved personality pushed her towards her horses and school which she was used to however when she is forced to move to boarding school with her twin brother ace her life is flipped upside down there she experiences a lifestyle she would have never dreamed of partaking in and arrives right at the brink of a mystery

Invisible Footprints 2016-08-24

a blues musician is blasted into a parallel world in a novel that's a houserockin' good time cowritten by the New York Times bestselling author Booklist Slim. Slim is a Texas bluesman of a certain age down on his luck and just about broke, but hey, that's what the blues are all about: he loves his music, not the popular blues homogenized, synthesized, and zombified, but the real, down-home, gut-bucket blues. Then one day the music loves him back in a single hot burst of lightning that comes straight up out of the ground. Slim finds himself in Texas, it's a little bit magic and a whole lot different, but the blues are the same, and the blues manifest here in the form of a maple-necked pearl gray Fender Stratocaster with blue chrome pickups, aka the Gutbucket. Need him and need him bad, the Strat's fallen into the hands of T Bone Pickens and his vipers who want to suck up all its power and turn it to evil. Slim's off and running on the Gutbucket quest with the help of his new mentor, rhythm guitarist Progress T. Hornsby and a purely unstoppable blues singer named Nadine.

The Gutbucket Quest 2014-07-01

the autobiography of Dutch soccer legend Johan Cruyff whose remarkable life and impeccable style have influenced star players and clubs for decades. Johan Cruyff embodied a footballing philosophy that now dominates coaching and playing styles in all the leading club sides around the world. You can dispute whether Cruyff was the greatest player ever, he was certainly one of the top three, but he is undoubtedly the player who single-handedly changed the nature of the game. My Turn tells the story of Cruyff's remarkable career built on the techniques he learned playing in the streets of postwar Amsterdam while hoping to be noticed by the city's famous club Ajax. He would eventually inspire that team to eight league championships and three European cups. He won his first of three Ballons d'Or at twenty-four in 1971. In 1973, Cruyff was sold to Barcelona for a world record transfer fee. He led the Catalans to victory in La Liga for the first time since 1960 and went on to leave a lasting mark on Spanish soccer. In the 1974 World Cup, Cruyff propelled the Dutch team to the final for the first time. Cruyff's lasting influence, however, is not in the medals he won but in the style of play he epitomized and then applied to the Barcelona and Ajax teams. He coached his vision of total football, transformed the way soccer was played, and its dazzling fluidity became the basis of the most admired sides around the world. He was the sport's uncompromising genius on and off the field of play.

My Turn 2016-11-29

Lucy is Franklin's youngest detective, and like all good detectives, she is always ready for any big mystery to come her way, including the town's missing mayor. Whereas some townspeople say he just packed up and left, others speak of only his ghost, but for our young detective Lucy, no search is too big and no adventure too small. Now hold on for the ride as America's new favorite girl detective brings her daring discoveries straight to your own home.

Franklin's Youngest Detective and The Search for the Town's Mayor *2020-11-05*

any community that has ever been labelled a mill town carries both the promise of prosperity and the constant threat of collapse its fortune hinging on a single industry whose performance is as much related to the whims of a global economy as it is to the abundance of a key natural resource the people of port alberni located deep in vancouver island s alberni valley know all too well the highs and lows that come with such a label jan peterson who lived in port alberni for two of the town s most tumultuous decades and worked as a reporter for the alberni valley times describes how the town s people persevered through three decades of boom and bust developed a vibrant arts and sporting community and strived to make life better under any circumstances from the prosperous 1970s when port alberni earned the reputation of forestry capital of canada to the decline of the industry in the 1980s when economic uncertainty signalled a need for diversification to the environmental protests in nearby clayoquot sound which polarized the community port alberni tells the story of port alberni from a perspective that is rarely heard through fascinating interviews and meticulous historical research peterson captures the heart and soul of a town so often defined by dollars and cents

Port Alberni *2014*
