very few students and even professionals know how
to write using american psychological association
style you are not the only one beth lee knows this
to be true because she has been teaching apa style
for more than a dozen years shes accustomed to
hearing students say things such as what is apa
how do i use it cant i just use mla the reality is
that many professors instructors and professions
insist on using apa style in this guide youll
learn how to take down information to make citing
easier look up information in style guides
memorize the most important rules and avoid the
most common mistakes while it would be easy to
copy and paste web addresses into essays and
academic papers that is not how apa style works if
you dont know the rules your writing wont be taken
as seriously and if youre in school your marks will
suffer once you understand the main elements of
apa style youll be equipped to use more complex
style guides and reference materials bolster your
academic writing today with lessons in the abcs of
apa style
