The Lost Ireland of Stephen Gwynn 2015-07 a study of the rich and engrossing life of stephen gwynn an important political cultural and literary figure from the lost world of late nineteenth and early twentieth century ireland

Political Thought in Ireland 1776-1798 2002-11-07 this is the first comprehensive analysis of late eighteenth century irish patriot thought and its development into 1790s radical republicanism the book is a history of the rich political ideas and languages that emerged from the tumultuous events and colourful individuals of this pivotal period in irish history patriots radicals and republicans played key roles in the movements for free trade legislative independence parliamentary reform catholic relief and independence from britain and many of their ideas helped precipitate the rebellion in 1798 stephen small explains the ideological background to these issues sheds new light on the origins of irish republicanism and places late eighteenth century irish political thought in the wider context of british atlantic and european ideas dr small argues that irish patriotism radicalism and republicanism were constructed out of five key political languages protestant superiority ancient constitutionalism commercial grievance classical republicanism and natural rights these political languages which were irish dialects of languages shared with the english speaking and european world combined in the late 1770s to construct the classic expression of irish patriotism this patriotism was full of contradictions containing the seeds of radical reform catholic emancipation and republican separatism as well as a defence of protestant ascendancy over the next two decades the american and french revolutions the reform movement popular politicization ascendancy reaction and catholic political revival disrupted and transformed these languages causing the fragmentation of a broad patriot consensus and the emergence from it of radicalism and republicanism these developments are explained in terms of tensions and interactions between protestant assumptions of catholic inferiority the increasing popularity of natural rights and the enduring centrality of classical republican concepts of virtue to all types of patriot thought

The History of Ireland 1923 a random collection of tales of human tragedy eccentrics crime and punishment hanging and rioting on the green the green for several hundred years was effectively the killing fields of dublin where the city's criminals were taken to be hanged within these pages you will find tales of high profile executions and lesser known ones such as the hanging of the brothel keeper darky kelly and the barbaric execution of mary fairfield the last person to be hanged there 1784 also included are dan the liberator who fought a battle with his love rival at harcourt fields the champion archer celia betham and bridget hitler sister in law of adolf tales of rioting on the green a race in the

iveagh gardens between a man and a horse called rover and a host of characters and incidents that you won't find in any guidebook

The History of Ireland 1908 in ireland s call bbc journalist stephen walker charts the fascinating stories of 40 irishmen who swapped the sports field for the battlefield household names who gave up their blossoming careers to volunteer for the great war using rare archive letters memoirs and newspaper reports this compelling book features the stories of sportsmen whose lives were tragically cut short in the mud of the somme the despair of ypres and the heat of gallipoli it chronicles the remarkable achievements of irish international footballers and rugby players athletes gaa stars cricketers hockey players and a record breaking irish champion golfer a century on their sacrifices and those of a generation of irish sporting heroes are finally and faithfully recorded in this unique and evocative account

The Famous Cities of Ireland 1915 ulster is a book by stephen lucius gwynn it describes the geography and history of ulster one of the four traditional irish provinces with early history that extends further back than written records and survives mainly in legends such as the ulster cycle

Ireland and Its Rulers 1844 new updated edition the power game lifts the lid on the modern struggles for power within fianna fáil including the heaves against charles haughey and the shafting of albert reynolds it also explores in detail the careers of jack lynch charles haughey albert reynolds and bertie ahern and looks at the impact on the party of the explosive revelations at the judicial tribunals about the extent of corruption in irish public life new material stephen collins examines the most recent disclosures concerning the arms crisis of 1970 and information released from the military archives

St Stephen's Green 2020-05-06 this book examines memoir writing by many of the key political actors in the northern irish troubles 1969-1998 and argues that memoir has been a neglected dimension of the study of the legacies of the violent conflict it investigates these sources in the context of ongoing disputes over how to interpret northern ireland's recent past a careful reading of these memoirs can provide insights into the lived experience and retrospective judgments of some of the main protagonists of the conflict the period of relative peace rests upon an uneasy calm in northern ireland many people continue to inhabit contested ideological territories and in their strategies for shaping the narrative telling of the conflict key individuals within the protestant unionist and catholic irish nationalist communities can appear locked into exclusive and self-justifying discourses in such circumstances while some memoirists have been genuinely self-critical many others have

utilised a post conflict language of societal
