Somme 1916 2015-11-30 much controversy has surrounded the somme offensive relating to its justification and its impact upon the course of the war general sir douglas haig s policies have been the subject of considerable debate about whether the heavy losses sustained were worth the small gains that were achieved which appeared to have little strategic value rnrnthat was certainly the case on many sectors on 1 july 1916 where british soldiers were unable to cross no man s land and failed to reach or penetrate into the german trenches in other sectors however breaches were made in the german lines culminating in the capture that day of leipzig redoubt mametz and montauban rnrnthi s book aims to highlight the failures and successes on that day and for the first time evaluate those factors that caused some divisions to succeed in capturing their objectives whilst others failed an important new study this book is certain to answer these questions as well as challenging the many myths and misconceptions surrounding the battle that have been propagated for the last 100 years

Organization and Strength of the Regular U.s. Army 1784 to 1916 2015-10-30 volume one of two analyzing the organization of the united states army from 1784 to 1916

The Somme, Volume 1 The First Battle of the Somme (1916-1917) (Illustrations) 2016-05-03 the first thirty pages provide an overview of the offensive the objectives the theory methods and tactics adopted and the part played by each arm in the different phases of the attack in this preamble which takes the reader up to the german withdrawal to the hindenburg line in february march 1917 gough is mistakenly referred to as commanding second army page 2 instead of fifth reserve army till 30 october 1916 then follows an illustrated guide to the battlefield which covers both french and british operations with maps and photos focussing on the area albert bapaume peronne and the valley of the somme taking in all the battles in which the bef was involved during the four and a half months campaign

Bygone Pilgrimage. the Somme Volume 1 1916-1917 an Illustrated History and Guide to the Battlefields 2023-06-06 the first thirty pages provide an overview of the offensive the objectives the theory methods and tactics adopted and the part played by each arm in the different phases of the attack in this preamble which takes the reader up to the german withdrawal to the hindenburg line in february march 1917 gough is mistakenly referred to as commanding second army page 2 instead of fifth reserve army till 30 october 1916 then follows an illustrated guide to the battlefield which covers both french and british operations with maps and photos focussing on the area albert bapaume peronne and the valley of the somme taking in all the battles in which the bef was involved during the four and a half months campaign

American Journey: On the Road with Henry Ford, Thomas Edison, and John Burroughs 2018-02-05 the epic road trips and surprising friendship of john burroughs nineteenth century naturalist and henry ford and thomas edison inventors of the modern age in 1913 an unlikely friendship blossomed between henry ford and famed naturalist john burroughs when their mutual interest in ralph waldo emerson led them to set out in one of ford s model ts to explore the transcendentalist s new england the trip would prove to be the first of many excursions that would take ford and burroughs together with an enthusiastic thomas edison across america

their road trips increasingly ambitious in scope transported members of the group to the 1915 panama pacific international exposition in san francisco the adirondacks of new york and the green mountains of vermont finally paving the way for a grand 1918 expedition through southern appalachia in many ways their timing could not have been worse with war raging in europe and an influenza pandemic that had already claimed thousands of lives abroad beginning to plague the united states it was an inopportune moment for travel nevertheless each of the men who embarked on the 1918 journey would subsequently point to it as the most memorable vacation of their lives these travels profoundly influenced the way ford edison and burroughs viewed the world nudging their work in new directions through a transformative decade in american history in american journey wes davis re creates these landmark adventures through which one of the great naturalists of the nineteenth century helped the men who invented the modern age reconnect with the natural world and reimagine the world they were creating

Bibliography of Polychaeta: Volume 1 1974-08-29 the first and only published volume on the frustrating early allied campaign in east africa that saw the emergence of germany's paul von lettow vorbeck one of the most successful and legendary guerilla leaders of all time this volume in the official history of the great war covers the first half of the campaign in east africa the planned second volume was never published the fighting in german east the german colony comprising the modern state of tanzania became one of the most famous guerilla wars in history and the tenacious and cunning german commander paul von lettow vorbeck won the respect of his enemies for the clever way he resisted all attempts to subdue his tiny force of european officers and highly trained native askaris but despite lettow vorbeck's fame the allied side of the war involving international forces from south africa and india as well as britain is virtually unknown of all the subsidiary enterprises undertaken during the great war the operations described in this volume are probably the least known the only regular british battalion involved was the 2nd loyal n lancers the early stages were disastrous for the british beginning with the unsuccessful attack from the sea on the port of tanga described as one of the most notable failures in british military history the british commander was replaced and ordered home while on the german side tanga proved the first of many victories for the commander who would earn the admiration of friend and foe alike and remain undefeated right through the war von lettow vorbeck

EAST AFRICA VOLUME 1 August 1914-September 1916 2016-08-27 more than fifty specialists have contributed to this new edition of volume 1 of the cambridge bibliography of english literature the design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition the task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The New Cambridge Bibliography of English Literature: Volume 1, 600-1660 2020-08-31 this book unpacks the history of british israelism in the uk remarkably this subject has had very little attention remarkable because at its height in the post war era the british israelist movement could claim to have tens of thousands of card carrying adherents and counted amongst its membership admirals peers television personalities mps and members of the royal family including the king of england british israelism is the belief that the people of britain are the descendants of the lost tribes of israel it originated in the writing of a scottish historian named john wilson who toured the country in the mid nineteenth century providing a guide to the history of british israelism as a movement including the formation of the british israel world federation covenant publishing and other institutions the book explores the complex ways in which british israelist thought mirrored developments in ethnic british nationalism during the twentieth century a detailed study on the subject of british israelism is necessary because british israelists constitute an essential element of british life during the most violent and consequential century of its history as such this will be a vital resource for any scholar of minority religions new religious movements nationalism and british religious history

SURGICAL CONTRIBUTIONS FROM 18 2013-07-23 cullman county was established in 1877 in large part from the west side of blount and the east side of winston counties today the few old cemeteries which existed in those counties in the early days are found within the borders of cullman the cemetery listings in this four volume set were conducted by the author beginning in 2003 and ending in early 2006 an attempt was made to personally visit every cemetery in cullman county and record information from each readable monument volume 1 of this series covers alphabetically cemeteries a through d beginning with the addington chapel cemetery and concluding with the duck river missionary baptist church cemetery the volumes are filled with photos of many of the old cemetery sites and notes describing the company and unit of most of the old civil war era veterans this set of books is vital to any serious student of cullman county genealogy and history

Israelism in Modern Britain 2013-01-01 the new series of spellmount military memoirs provides rare and sought after texts for the collector of classic historical works together with rigorously selected personal narratives never before in print destined to become classics in their own right llewelyn alberic emilius price davies was awarded the victoria cross when serving with the king s royal rifle corps during the second boer war he went on to serve as divisional corps liaison officer in 1914 15 his correspondence offers a rare insight into the changing face of the british army at this time in 1916 he took over the 113th brigade in a new army division 38th welsh the first major test was on the somme at mametz wood where the divisional commander was sacked he describes this famous fight and eventual capture of the wood in dramatic detail once again in the thick of the fighting at pilckem ridge in 1917 on the first day of third ypres his letters show the importance of this battle s success in 1918 he travelled to italy where his diaries reveal for the first time how the allied command functioned in this theatre his constant correspondence with his brother in law henry wilson the c i g s is a unique insight into british army high command and this legendary field marshal this rare collection of letters offers a broad and detailed insight into the first world war that will fascinate any enthusiast

Cullman County, Alabama Cemeteries, Volume 1 2016-04-21 published to coincide with the centenary commemoration of the battle of the somme this new study comprises 12 separate articles written by some of the foremost military historians each of whom looks at a specific aspect of the battle focusing on key aspects of the british french and german forces overall strategic and tactical impacts of the battle and with an introduction by renowned world war i scholar professor sir hew strachan the battle of the somme is a timely collection of the latest research and analysis of the battle the terrors of the somme have largely come to embody trench warfare on the western front in the modern imagination but this new book looks beyond the horrendous conditions and staggering casualty rates to provide new insightful research on one of the most pivotal battles of the war

The Letters of Major General Price Davies VC, CB, CMG, DSO 2023-09-25 the first and only published volume on the frustrating early allied campaign in east africa that saw the emergence of germany s paul von lettow vorbeck one of the most successful and legendary guerilla leaders of all time this volume in the official history of the great war covers the first half of the campaign in east africa the planned second volume was never published the fighting in german east the german colony comprising the modern state of tanzania became one of the most famous guerilla wars in history and the tenacious and cunning german commander paul von lettow vorbeck won the respect of his enemies for the clever way he resisted all attempts to subdue his tiny force of european officers and highly trained native askaris but despite lettow vorbeck s fame the allied side of the war involving international forces from south africa and india as well as britain is virtually unknown of all the subsidiary enterprises undertaken during the great war the operations described in this volume are probably the least known the only regular british battalion involved was the 2nd loyal n lancers the early stages were disastrous for the british beginning with the unsuccessful attack from the sea on the port of tanga described as one of the most notable failures in british military history the british commander was replaced and ordered home while on the german side tanga proved the first of many victories for the commander who would earn the admiration of friend and foe alike and remain undefeated right through the war von lettow vorbeck

The Battle of the Somme 2009-04-20 field marshal earl haig s reputation continues to arouse as much interest and controversy as ever this volume represents the collaboration of two leading historical societies the british commission for military history and the douglas haig fellowship leading historians have produced a comprehensive and fascinating study of the most significant and frequently debated aspects of haig s momentous career

Canada and the Great War 2015-10-05 originally published in 1975 this volume filled a gap in existing scholarship by providing a comprehensive group of essays on the historical study of war and armed forces and their relationship with society these volumes include articles ranging from the renaissance to the era of total war

Addresses of President Wilson, January 27-February 3, 1916 2014-07-10 the story of russia s first world war remains largely unknown neglected by historians who have been more interested in the grand drama that unfolded in 1917 in russia s first world war a social and economic history peter gatrell shows that war is itself revolutionary rupturing established social and economic ties but also creating new social and economic relationships affiliations practices and opportunities russia s first world war brings together the findings of russian and non russian historians and draws upon fresh research it turns the spotlight on what churchill called the unknown war providing an authoritative account that finally does justice to the impact of war on russia s home front

War and Society Volume 1 2013-05 this volume in the official history of the great war covers the first half of the campaign in east africa the planned second volume was never published the fighting in german east the german colony comprising the modern state of tanzania became one of the most famous guerilla wars in history and the tenacious and cunning german commander paul von lettow vorbeck won the respect of his enemies for the clever way he resisted all attempts to subdue his tiny force of european officers and highly trained native askaris but despite lettow vorbeck s fame the allied side of the war involving international forces from south africa and india as well as britain is virtually unknown of all the subsidiary enterprises undertaken during the great war the operations described in this volume are probably the least known the only regular british battalion involved was the 2nd loyal n lancers the early stages were disastrous for the british beginning with the unsuccessful attack from the sea on the port of tanga described as one of the most notable failures in british military history the british commander was replaced and ordered home while on the german side tanga proved the first of many victories for the commander who would earn the admiration of friend and foe alike and remain undefeated right through the war von lettow vorbeck

Russia's First World War 2011-10-20 in this collection of essays of incomparable scholarship stephen badsey explores in individual detail how the british army fought in the first world war how politics and strategy affected its battles and the decisions of senior commanders such as douglas haig and how these issues were intimately intertwined with the mass media portrayal of the army to itself and to the british people informative provocative and often entertaining based on more than a quarter century of research these essays on the british army in the first world war range through topics from a trench raid to modern television comedy as a contribution to progressive military history the british army in battle and its image 1914 1918 proves that the way the british army fought and its portrayal through the media cannot be separated it is one of a growing number of studies which show that far from being in opposition to each other cultural history and the history of battle must be combined for the first world war to be properly understood for more information visit stephen badsey s website stephenbadsey.com

East Africa Volume 1. August 1914-September 1916. Official History of the Great War Other Theatres 1919 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The British Army in Battle and Its Image 1914-18 1920 the first world war began in east africa in august 1914 and did not end until 13 november 1918 in its scale and impact it was the largest conflict yet to take place on african soil four empires and their subject peoples were engaged in a conflict that ranged from modern kenya in the north to mozambique in the south the campaign combined heroic human endeavour and terrible suffering set in some of the most difficult terrain in the world the troops had to cope with extremes that ranged from arid deserts to tropical jungles and formidable mountains and almost always on inadequate rations yet the east african campaign has languished in undeserved obscurity over the years with many people only vaguely aware of its course of events indeed humphrey bogart s famous film the african queen inspired by an episode of the campaign often provides its only lasting image the forgotten front is the first full scale history of this neglected campaign ross anderson details the fighting and the strategic and political background to the war and the differing viewpoints of the principal protagonists

Bulletin 1919 this deluxe unabridged reprint legacy edition of horace kephart s 1916 camping and woodcraft volume i served as the standard for outdoors adventure for many decades after it was published and continues that legacy today with its timeless knowledge it contains first published in 1916 this is an expanded version of kephart s original 1906 work the book of camping and woodcraft original edition this deluxe expanded version provides hundreds of additional pages of insights tricks tips and skills instruction for thriving in camp and in the wilderness

Training Teachers of Agriculture 2016-08-26 a look into the life of the so called mad monk of imperial russia his murder and the effects of his death on a dynasty a people and a country written in three parts killing rasputin begins with a biography that describes how a simple unkempt holy man from the wilds of siberia became a friend of emperor nicholas ii and his empress alexandra at the most crucial moment in russian history part two examines the infamous murder of rasputin through the lens of a cold case homicide investigation and lastly the book considers the connection between a cold blooded assassination and the revolution that followed a revolution that led to civil war and the rise of the soviet union unique about this book on rasputin is that the author combines russian heritage her parents were forced out of russia during world war ii and arrived as refugees in australia in 1948 with medical science and legal training nelipa relied on russian language sources that she translated rather than depend on the interpretations of others her primary sources include police documents and witness testimonies an autopsy report diaries letters and memoirs written in their native language by the participants in these historic events secondary sources include russian languages newspapers and other publications from that era the narrative is copiously referenced and augmented with photographs including graphic forensic photographs and other documents some of them published here for the first time step into the imperial court of a 300 year old dynasty in its final days with one of the most fascinating characters ever to grab our imaginations judge whether margarita nelipa makes her case regarding his death and if you agree that it was the murder that ended the russian empire praise for killing rasputin you can almost hear the whispering conspiracies and intrigues in the court of nicholas and alexandra a dramatic history with a touch of true crime

steve jackson new york times bestselling author of bogeyman

Removal of the Lighter Hydrocarbons from Petroleum by Continuous Distillation, with Especial Reference to Plants in California 2014-08-04 it could be said that the career of canadian born film director allan dwan 1885 1981 began at the dawn of the american motion picture industry originally a scriptwriter dwan became a director purely by accident even so his creativity and problem solving skills propelled him to the top of his profession he achieved success with numerous silent film performers most spectacularly with douglas fairbanks sr and gloria swanson and later with such legendary stars as shirley temple and john wayne though his star waned in the sound era dwan managed to survive through pluck and ingenuity considering himself better off without the fame he enjoyed during the silent era he went on to do some of his best work for second echelon studios notably republic pictures sands of iwo jima and such independent producers as edward small along the way dwan also found personal happiness in an unconventional manner rich in detail with two columns of text in each of its nearly 400 pages and with more than 150 photographs this book presents a thorough examination of allan dwan and separates myth from truth in his life and films

GREENVILLE NC CITY DIRECTORY S 1920 arranged in five sections one for each year of the war this superbly illustrated book covers the fluid fighting that took place on the russian front from august 1914 the author describes how each year saw dramatic developments notably actions in poland tannenberg the carpathian passes in 1914 the 1915 operations in galicia and the baltic and the 1916 brinsilov offensive 1917 saw the collapse of the german army leading to the 1918 treaty of brest litovsk and continued fighting along the baltic and in the ukraine the informative text is complemented by over 200 mainly previously unpublished photographs the central powers on the russian front 1914 1918 with its emphasis on the german army s actions against russia but covering operations on many fronts makes it especially valuable to those who seek greater insight into the wider conduct of the great war away from the western front

The Forgotten Front 2020-01-20 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Communist and Anarchist Deportation Cases 2017-05-30 modern advertising was created in the us between 1870 and 1920 when advertisers and the increasingly specialized advertising industry that served them crafted means of reliable access to and knowledge of audiences this highly original and accessible book re centers the story of the invention of modern advertising on the question of how access to audiences was streamlined and standardized drawing from late nineteenth and early twentieth century materials especially from the advertising industry s professional journals and the business press chapters on the development of print media billboard and direct mail advertising illustrate the struggles amongst advertisers intermediaries audience sellers and often resistant audiences themselves over time the maturing advertising industry transformed the haphazard business of getting advertisements before the eyes of the public into a market in which audience attention could be traded as a commodity this book applies economic theory with historical narrative to explain market participants ongoing quests to expand the reach of the market and to increase the efficiency of attention harvesting operations it will be of interest to scholars of contemporary american advertising the history of advertising more generally and also of economic history and theory

Camping And Woodcraft Volume 1 - The Expanded 1916 Version (Legacy Edition) 2013-03-05 journal of latin american theology christian reflections from the latino south special issue on the 2015 sao paulo conference on the occasion of the fti s 45th anniversary vol 11 no 2 fall 2016 this issue of our journal of latin american theology christian reflections from the latino south brings together some of the most representative papers from the fti s 2015 continental conference 45 years of the fti and contemporary theological borders held in sao paulo brazil building on the milestones of that past participants faced the challenges of the present and future herein brazilian theologians and practitioners offer reflections on the fti s early days pentecostal theology the intended irrelevance of the church the oral nature of the gospels and race relations within church and society spanish speaking theologians and practitioners discuss public theology and the joyful dreams of god the creator a presentation of theological poetry rounds out this issue
