The Comeback Season 2010-02-23 high school freshman ryan walsh a chicago cubs fan meets nick when they both skip school on opening day and their blossoming relationship becomes difficult for ryan when she discovers that nick is seriously ill and she again feels the pain of losing her father five years earlier

The Comeback Season 2010-02-04 baseball brings them together but will his secret keep them apart find out in this heartbreakingly beautiful novel from jennifer e smith author of the statistical probability of love at first sight the last place ryan walsh should be this afternoon is on a train heading to wrigley field she should be in class enduring yet another miserable day of her first year of high school but for once ryan isn t thinking about what she should be doing she s not worried about her lack of friends or her suffering math grade or how it s been five whole years since the last time she was really and truly happy because she s finally returning to the place that her father loved where the two of them spent so many afternoons cheering on their team and on this the fifth anniversary of his death it feels like there s nowhere else in the world she should be ryan is once again filled with hope as she makes her way to the game good luck is often hard to come by at a place like wrigley field but it s on this day that she meets nick the new kid from her school who seems to love the cubs nearly as much as she does but nick carries with him a secret that makes ryan wonder if anyone can ever really escape their past or believe in the promise of those reassuring words wait till next year is it too much for ryan to hope that this year this season might be her comeback season

Happy Again 2015-04-14 ellie o neill and graham larkin fell hard for each other when a misspelled email address unexpectedly brought them together now over a year has passed since they said goodbye with the promise to stay in touch and their daily emails have dwindled to nothing ellie is a freshman in college and has told herself to move on and graham has kept himself busy starring in more movies as well as a few tabloid columns but fate brought these two together once before and it isn t done with them yet in this sequel novella to this is what happy looks like jennifer e smith revisits two beloved characters to tell the story of one magical night in manhattan when ellie and graham come face to face once more can they get past the months of silence and the hurt feelings to find their happily ever after again word count 18 000

Hello, Goodbye, and Everything in Between 2015-09-01 soon to be a feature film starring jordan fisher on the night before they leave for college clare and aidan only have one thing left to do figure out whether they should stay together or break up over the course of twelve hours they retrace the steps of their relationship trying to find something in their past that might help them decide what their future should be the night leads them to family and friends familiar landmarks and unexpected places hard truths and surprising revelations but as the clock winds down and morning approaches so does their inevitable goodbye the question is will it be goodbye for now or goodbye forever charming bittersweet and full of wisdom and heart this irresistible novel from jennifer e smith author of the statistical probability of love at first sight and field notes on love explores the difficult choices that arise when life and love lead in different directions

This Is What Happy Looks Like 2013-04-02 from the author of the statistical probability of love at first sight comes a humorous and heartwarming novel about small towns big love and mistaken email identity when teenage movie star graham larkin accidentally sends small town girl ellie o neill an email about his pet pig the two seventeen year olds strike up a witty and unforgettable correspondence discussing everything under the sun except for their names or backgrounds then graham finds out that ellie s maine hometown is the perfect location for his latest film and he decides to take their relationship from online to in person but can a star as famous as graham really start a relationship with an ordinary girl like ellie and why does ellie want to avoid the media s spotlight at all costs

The Statistical Probability of Love at First Sight 2012-01-02 now a netflix feature film starring haley lu richardson timing is everything in this romantic novel about family connections second chances and first loves set over a twenty four hour period hadley and oliver find that true love can be found in unexpected places today should be one of the worst days of hadley sullivan s life having just missed her flight she s stuck at the airport and late to her father s wedding which is taking place in london and involves a soon to be stepmother hadley s never even met then she happens upon the perfect boy in the airport s cramped waiting area his name is oliver he s british and he s sitting in her row a long night on the plane passes in the blink of an eye and hadley and oliver lose track of each other in the airport chaos upon arrival can fate intervene to bring them together once more

Focus On: 100 Most Popular Actresses from New York City 2017-05-04 alice doesn t believe in luck alice believes in love mostly that she s been in love with her best friend teddy for the last three years when she buys him a lottery ticket for his birthday and he wins 32 million dollars they are thrown together with the world at their feet teddy decides that he will spend his money committing random acts of kindness and who better to go on that adventure with him than alice in the process they get to know themselves and each other better than they ever have before but money can t buy you love windfall is a tender and uplifting novel about love luck and big life changes from jennifer e smith

Windfall 2015-05-14 as one of the most influential shows of all time star trek continues to engage fans around the world but its cultural impact has grown far beyond the scope of the original

seventy nine episodes the show spawned an unprecedented progeny beginning with star trek the next generation followed by three additional series of space exploration film versions featuring captain kirk mr spock and other original crew members first appeared in 1979 followed by a number of successful sequels and ultimately a reboot of the original show from the modest ambitions of the show s creator gene roddenberry star trek gradually transformed into a true franchise an expanded universe that continues to grow in the star trek universe franchising the final frontier douglas and shea t brode have collected several essays that examine the many incarnations that have arisen since the original program concluded its run in 1969 every aspect of media into which star trek has penetrated is covered in this collection the four television shows literature toys games and the big screen reboot of the original series featuring the enterprise and her crew essays address a number of elements particularly how the franchise has had an impact on gaming fandom and even technology other essays consider how race gender and sexuality have been addressed by the various shows and films after a half century of boldly exploring topical issues that concern all of humanity star trek warrants serious attention now more than ever looking beyond the entertainment value of its many versions the star trek universe a companion volume to gene roddenberry s star trek offers provocative essays that will engage scholars of gender studies race studies religion history and popular culture not to mention the show s legions of fans around the planet

The Star Trek Universe 2006 until the 1980s the roman frontier in modern jordan was among the least studied of the empire s far flung border regions from 1980 until 1989 the limes arabicus project investigated the frontier east of the dead sea excavation focused on the late roman legionary fortress of el lejjun as well as soundings of four smaller but contemporaneous forts the project s regional survey recorded over five hundred other archaeological sites in the area dating from the paleolithic to the late islamic periods this report presents detailed results from the excavated forts a broad range of material cultural evidence from animal bones to bedouin burials and provides a synthesis of the history of this frontier which witnessed the first confrontation between the byzantine empire and the forces of islam

The Roman Frontier in Central Jordan 2012-04-24 sixteen year old emma healy has never felt that she fit in with the rest of her family so when she discovers that she had a twin brother who died shortly after they were born she takes off on an impulsive road trip to try to discover who she really is

You Are Here 2012-04-03 enter the world of the storm makers where there s magic behind every forecast what starts as an ordinary summer turns exciting and perilous for twins ruby and simon when strange occurrences begin happening on their farm sudden gusts of wind rainstorms and even tornado warnings that seem eerily timed to simon s emotions then a stranger arrives and tells the twins that simon is a storm maker part of a clandestine group of people entrusted with controlling and taming the weather and that he is in great danger soon simon and ruby must race against the clock as they try to master simon s powers in time to stop a rogue storm maker s treacherous and potentially deadly plans in this thrilling new adventure loyalties can shift as quickly as the wind and the ordinary can turn extraordinary in the blink of an eye

The Storm Makers 1999 this teacher resource offers a detailed introduction to the hands on science program which includes its guiding principles implementation guidelines an overview of the science skills that grade 1 students use and develop and a classroom assessment plan complete with record keeping templates this resource has four instructional units unit 1 characteristics and needs of living things unit 2 the senses unit 3 characteristics of objects and properties of materials unit 4 daily and seasonal changes each unit is divided into lessons that focus on specific curricular outcomes each lesson has materials lists activity descriptions questioning techniques activity centre and extension ideas assessment suggestions activity sheets and visuals

Hands-On Science, Level 1 2014-04-15 lucy lives on the twenty fourth floor owen lives in the basement it s fitting then that they meet in the middle stuck between two floors of a new york city apartment building on an elevator rendered useless by a citywide blackout after they re rescued lucy and owen spend the night wandering the darkened streets and marveling at the rare appearance of stars above manhattan but once the power is back so is reality lucy soon moves abroad with her parents while owen heads out west with his father the brief time they spend together leaves a mark and as their lives take them to edinburgh and to san francisco to prague and to portland lucy and owen stay in touch through postcards occasional e mails and phone calls but can they despite the odds find a way to reunite smartly observed and wonderfully romantic jennifer e smith s new novel shows that the center of the world isn t necessarily a place sometimes it can be a person

The Geography of You and Me 1950                  

Dumbarton Oaks Studies 2010-10 this romantic story of hope chance and change from the author of the statistical probability of love at first sight is one jenny han says is filled with all of her favorite things morgan matson calls something wonderful and stephanie perkins says is rich with the intensity of real love alice has never believed in luck but that doesn t stop her from rooting for love after pining for her best friend teddy for years she jokingly gifts him a lottery ticket attached to a note professing her love on his birthday then the unthinkable happens he actually wins

at first it seems like the luckiest thing on earth but as teddy gets swept up by his 140 million windfall and fame and fortune come between them alice is forced to consider whether her stroke of good fortune might have been anything but she bought a winning lottery ticket he collected the cash will they realize that true love s the real prize featured in seventeen magazine s what s hot now windfall is about all of my favorite things a girl s first big love her first big loss and her first big luck jenny han new york times bestselling author of to all the boys i ve loved before windfall is perfectly named reading it i felt like i had suddenly found something wonderful morgan matson new york times bestselling author of the unexpected everything windfall is rich with the intensity of real love in all its heartache and hope stephanie perkins new york times bestselling author of isla and the happily ever after if you re looking for your next great read then you re in luck justine magazine

[Windfall](#) 2014-03-04 the tensions between utopian dreams and dystopian anxieties permeate science fiction as a genre and nowhere is this tension more evident than in star trek this book breaks new ground by exploring music and sound within the star trek franchise across decades and media offering the first sustained look at the role of music in shaping this influential series the chapters in this edited collection consider how the aural visual and narrative components of star trek combine as it constructs and deconstructs the utopian and dystopian shedding new light on the series political cultural and aesthetic impact considering how the music of star trek defines and interprets religion ideology artificial intelligence and more while also considering fan interactions with the show s audio this book will be of interest to students and scholars of music media studies science fiction and popular culture
