translating canada examines cultural materials exported by canada in addition to those selected for acquisition by german publishers theatres and other culture brokers it also considers the motivations of particular translators and the reception by german reviewers of works by a wide variety of canadian writers taking a critical research oriented perspective this book explores the theoretical empirical and pedagogical connections between reading and teaching young adult literature in middle and secondary classrooms and adolescent identity development this comprehensive reference work picks up where the author s children s book awards international a directory of awards and winners from inception through 1990 left off arranged by country it lists awards and their winners year by year for illustrators and writers in children s literature from over 30 countries worldwide for the years 1990 through 2000 the particulars of each award are included as well as information on discontinued awards each entry consists of the name of the award the awarding organization with address and phone number a contact individual a brief description of the award s criteria and then a complete listing of winners from 1990 through 2000 the entries are arranged alphabetically by country then by name of award indexed by awards and sponsors titles and names this book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters it asks if you make sense of fiction by identifying with one main character how do you handle two or more of them do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers if not how do these novels manage to operate within the parameters of those conventions this book considers answers to these questions by means of a series of close readings that explore the

structural educational and ideological implications of a variety of american british canadian and australian novels for children and for young adults first published in 1998 this book is the first comprehensive survey of the awards made to children s books in the english speaking world the volume covers nearly forty different prizes including well known and established ones such as the newbury award prizes instigated by the commercial sector such as the smarties prize as well as nationally sponsored awards and prizes for illustrators detailed lists are provided of the winning titles and where appropriate the runners up in each year that the award has been given ruth allen also presents some fascinating and often entertaining insights into the motivations behind awards and how they are views by authors illustrators publishers librarians booksellers and potential purchasers the various criteria applied by judges of these awards are also examined with an assessment of whether they have always achieved the right result this volume is both a useful guide for adults wishing to buy good books for children and an important tool for those researching the history of the children s book industry windows and words is a collection of seventeen essays that confirms and celebrates the artistry of canadian children s literature there are essays that survey a wealth of english language fiction from the internationally acclaimed work of lucy maud montgomery the aboriginal adolescent novel to the increasingly multi cultural character of children s books others examine book illustration visual literacy and the creative partnership seen in the picture book and its art design with contributions by two governor general s award winning authors janet lunn and tim wynne jones and a final commentary by elizabeth waterson the heart of this collection offers a unique perspective on the artistry of writing for children and claims a rightful place for canadian children s literature as literature le tourbillon social à l exemple de la mondialisation affecte en premier lieu les enfants et les jeunes le présent ouvrage propose un éclairage sur la manière dont le roman jeunesse aborde des dimensions fondamentales du social telles que l exclusion la marginalisation la violence la famille la sexualité la hiérarchie sociale les valeurs citoyennes
