The Episcopal Church Annual 2023 2023-07-18 a weekly review of politics literature theology and art

The Publishers' Trade List Annual 1984 this book examines gendered language use in six gay male subcultures drag queens radical faeries bears circuit boys barebackers and leathermen within each subculture unique patterns of language use challenge normative assumptions about gender and sexual identity rusty barrett's analyses of these subcultures emphasize the ways in which gay male constructions of gender are intimately linked to other forms of social difference in from drag queens to leathermen barrett presents an extension of his earlier work among african american drag queens in the 1990s emphasizing the intersections of race and class in the construction of gender an analysis of sacred music among radical faeries considers the ways in which expressions of gender are embedded in a broader neo pagan religious identity the formation of bear as an identity category for heavyset and hairy men in the late 1980s involves the appropriation of linguistic stereotypes of rural southern masculinity among regular attendees of circuit parties language serves to differentiate gay and straight forms of masculinity in the early 2000s barebackers gay men who eschew condoms used language to position themselves as rational risk takers with an innate desire for semen for participants in the international mr leather contest a disciplined militaristic masculinity links expressions of patriotism with bdsm sexual practice

in all of these groups the construction of gendered identity involves combining linguistic forms that would usually not co occur these unexpected combinations serve as the foundation for the emergence of unique subcultural expressions of gay male identity explicated at length in this book
