Drawing New Color Lines

2014-11-01

the global circulation of comics manga and other such visual mediums between north america and asia produces transnational meanings no longer rooted in a separation between asian and american drawing new color lines explores the culture production and history of contemporary graphic narratives that depict asian americans and asians it examines how japanese manga and asian popular culture have influenced asian american comics how these comics and asian american graphic narratives depict the look of race and how these various representations are interpreted in nations not of their production by focusing on what graphic narratives mean for audiences in north america and those in asia the collection discusses how western theories about the ways in which graphic narratives might successfully overturn derogatory caricatures are themselves based on contested assumptions and illustrates that the so called odorless images featured in japanese manga might nevertheless elicit interpretations about race in transnational contexts with contributions from experts based in north america and asia drawing new color lines will be of interest to scholars in a variety of disciplines including asian american studies cultural and literary studies comics and visual studies

drawing new color lines makes an exciting contribution to the rapidly expanding inquiry at the crossroads of asian american literary studies graphic narrative studies and transnational studies foregrounding the shifting meanings of race within across and between various national contexts the fifteen essays in chiu s collection explore the visual dimensions of asian american transnational literary culture with originality and offer particular insight into the complexities of production interpretation and reception for graphic narrative pamela thoma author of asian american women s popular literature feminizing genres and neoliberal belonging an informative smart and necessary collection drawing new color lines investigates a growing and important field transnational asian american comics with sophistication and breadth hillary chute author of graphic women life narrative and contemporary comics and outside the box interviews with contemporary cartoonists

The Avatar Television Franchise

2022-12-29

nickelodeon s avatar the last airbender 2005 08 and its sequel the legend of korra 2012 14 are among the most acclaimed and influential u s animated television series of the 21st century yet despite their elevated status there have been few academic works published about them the avatar television franchise storytelling identity trauma fandom and reception remedies this gap by bringing together a wide range of scholarly writings on these shows this edited collection is comprised of 13 chapters organized into 4 sections featuring close readings of key episodes analyzing how they create meaning as well as illustrating how established theories can guide those readings some chapters explore different theories relating to identity as well as considering the repercussions of depicting real world identities in these shows while others examine the various manifestations of trauma from throughout the franchise as well as illustrates different scholarly approaches to the topic still others utilize fan studies to understand the myriad ways viewers have responded to and interpreted the avatar franchise
